[Music]

well greetings brethren and welcome to
another wednesday night

bible study and just for the sake of the
archive

today is january 20th 2021

and it is the beginning of a new era as
uh

the new administration of the united
states presidency has been sworn in
and we shall see where that leads us
in any case we know that jesus christ is
lord

and that's what we celebrate as we study
these psalms

so this evening we are up to psalm
101 and god willing we'll cover both
psalms 101

and 102 this evening let's open with the
word of prayer

and then get into tonight's study our
heavenly father we
come before you father ever so grateful
that despite all of the chaos and
confusion and deception
that is in the world around us we have
jesus christ

as our solid rock and we have your word
as our

light and our guide father we thank you
so much for enlightening our path
and that we can look forward father to
the uh

inauguration of jesus christ
as the true king of the whole earth when
the whole earth looks to him
seated in jerusalem as their true king
the the holy one of israel we thank you
lord god almighty

and we ask your blessing now in our
study as we go through the psalms line

by line

that you would give us wisdom and
understanding and deepen our faith
we pray in jesus most holy name amen
so brethren as i mentioned we are up to
uh psalm

101 and what i'd like to do

just before we get into the psalm is
um just go back just for context sake
let's go back to the end of the book
three and how that or sorry book four
how that book three how that ended
uh before we got into uh book four so
let's just go back just to remind
ourselves of the
the state of mind of the community
at the end of book three because now in
book four we have been celebrating
the enthronement psalms and the
enthronement of earth's rightful ruler
uh jesus christ but let's just remember
here in psalm 89

and um verse 35 we'll just pick up a
couple of

the uh verses again just to remind
ourselves of how the previous book ended
uh verse 35 of psalm 89 god says once
have i sworn by my holiness
that i will not lie unto david this is
solid

his seed shall endure forever
and his throne as the sun before me
that's the oath

that's the davidic covenant it shall be
established forever as the moon
and as faithful as and as a faithful
witness

in heaven sila so let's ponder this this
is established this is the davidic
covenant

now immediately after reciting the
davidic covenant

the psalmist has an accusation to god
but so this is the covenant we are

confused
we don't know what to make of this
because
there is a solid forever covenant
with david and yet look at our situation
so we we are of the the jewish community
we are of the covenant community david
is our king
and and and now look but you have cast
off
and abhorred you have been
angry with your anointed
you have you god have made void the
covenant of your servant
you have profaned his crown by casting
it to the ground
this is an utter state of bewilderment
and confusion
david's throne was supposed to last
forever and yet it's been interrupted
and god himself has orchestrated this
loss
what's going on here again we know from
a careful reading of the covenant
god would never break his word and so
everything that has happened to judah
has happened according to the covenant
you cannot take the covenant for granted
and
you know where the jews were special we
can do whatever we want and god just has
to tolerate it
and we we have this uh attitude in the
church as well
oh we're the special people of god we
have the holy spirit
uh once saved always saved we can do
whatever we want and god just has to
tolerate us because he needs us
well no god is faithful to his word
and and when we read the letters to the
seven churches
he warns them particularly the last one
i will

spit you out of my mouth that doesn't
break the covenant
that's part of the covenant that's the
if then clause of the covenant
so so they didn't quite understand the
coven there are multiple covenants in
play here
there's the abrahamic covenant that's
still in play there's the
uh mosaic covenant which is still in
play and now there's this davidic
covenant which is still in play and
all of them are in play and god will not
break any one of them
so there's just a lack of understanding
of what's going on here
because god is being faithful to his
word but the experience
and the interpretation of judah is that
god is god has
cast the cast david's crown to the
ground
and he's made the covenant void you have
broken down
all his hedges or hedges are what are
going to protect
the community you've broken them down so
the beast of the field can come in and
devour
you have brought his strongholds to ruin
and in fact if you read
um ezekiel just just sit down and just
read ezekiel as if you're reading a book
and don't stop just read it i i did this
recently maybe about three or four weeks
ago
and the anger of god
to his covenant people it it was it was
palpable i i was actually i didn't
realize
how furious god became with his own
covenant people
but they thought they could do whatever
they want and they were still thinking

they're righteous doing all of this it's
just when we were reading judges
every man doing what's right in his own
eyes and thinking that it's fine it's
all good
no it's not all good and god has
provisions in the covenant
to deal with all of this and so at the
end of book book three
the community is despondent and they're
in despair and they're confused they're
bewildered they don't know what's going
on
but a close reading of the covenant we
know exactly what's going on
so all of that now leads us into
um book four which introduced the
enthronement psalms
where we see in fact the answer to their
despair
is that jesus christ is lord jesus
christ is king
and god had a whole away all the time of
ultimately fulfilling his promise
and now on the heels of these
enthronement psalms
we have a psalm of david so i want to
juxtapose
psalm 101 with psalm 89
god will not break his covenant he's
sworn to david and so
they just have to understand how god
will ultimately fulfill
his covenant psalm 101 a psalm
of david so this is from david and as we
read this psalm
don't just picture david anciently let's
read this psalm in the context of the
enthronement psalms
and this is the resurrected david this
is david now ruling
over israel and judah from
jerusalem under jesus christ a psalm of
david

i will sing of mercy
i will sing the first thing he's going
to sing about is the mercy of god
he's looking at it he's back to life
he's back up on his feet he's on his
throne
and he's looking at the situation and he
says
i can't help it i am going to sing of
mercy
and judgment i it all makes total sense
now
and i can't help but praise the lord i
will sing of mercy and judgment unto
thee
oh yahuwah will i sing then he says this
this is a king
i will behave myself wisely in a
perfect way this is a king and this
is the kind of leadership we are going
to have
in the future we're not going to have
men
full of rhetoric and and um
media running interference for them and
brainwashing people to think that we're
something when we're nothing and we put
on fancy suits and perfume
and we just say all the right words and
meanwhile we are as
corrupt as the day is long
we're not gonna have that anymore we're
going to have
kings physical kings on the earth
and and spiritual kings
and priests on the earth who have the
character who have been fashioned
and formed to have the character of
jehovah
he says this is the king i will behave
myself
wisely in a perfect way
oh when will you come unto me and this
is this is you

hear you can think of david just
wondering god come
i will walk within my house with a
perfect heart
and this is a great example an inspiring
example for us brethren
because we are called to be kings and
priests that that
that's he has made us kings and priests
that's what this is about and so we can
learn from this king
how to be a king to to operate within
our own house with a perfect heart
and not allow the confusion of of
babylon
into our homes i will walk within my
house
with a perfect heart i will set no
wicked thing
before my eyes and now this is very very
difficult for us
we we need a bit of entertainment we
need a bit of recreation
but where do you get it well anything
today you put in front of you
they just have to weave into it all
kinds of nonsense
you know if you're watching something
have you have your finger on the fast
forward remote
to skip through the nonsense because we
don't want these wicked things
and and these people are clever these
are scientists
these are social scientists and they
know how to corrupt the mind of men
and how to corrupt the imagination and
something they call
um what do they call this um
something programming i forget the name
of the term
but maybe somebody could type it in the
chat but it's when
um you would never think of something

you would never imagine a thing
and they put it in front of you and then
now your brain entertains that
so now when the actual thing happens
you're not so shocked you're kind of
like you're willing to accept it
because of this programming and so a lot
of this wickedness that they're putting
in front of people
humans would normally never imagine
these things
but they put it in front of the and they
acclimatize us to it
and before you know it we're accepting
wickedness even in god's church
so david says ah no no no as a king
i must walk in a perfect way and i will
set no wicked thing before my eyes
i hate the work of them that turn aside
oh so this is now different these are
not just atheists
these are not just pagans and heathen
these
are those that were in the way of torah
and then they turned aside and often
these are the most wicked
there's there's some kind of uh depth of
depravity
that they will fall to again think of
karl marx
who was uh came through a lineage of
rabbis
uh his his father turning to
christianity or
maybe even catholicism but some form of
uh uh turning to
the new testament job the apostolic
writings
uh and doing that and then karl marx
rejecting all of that
and the depth of depravity that he went
to so those that turn aside somehow
they they end up being more wicked than
um

those who don't turn aside and so
we hate the work and and uh god hates it
as well
he says to the the laodicean church i
will
vomit you out of my mouth i hate what
you're doing
same thing he he warns tyra and and and
sardis is dead
and so the majority five of the seven
churches he has condemnation for them
god hates it and we can't we can't
believe
like unless we're insane and been
corrupted by satan
we can't believe that um we are
uh just going to accept or sorry that
god is going to accept
whatever we do god has standards
and david understands this and she says
i will set no wicked thing
before my eyes and i see in the chat
somebody said predictive programming
that's the term i was trying to remember
thank you for that predictive
programming
these people these people are scientists
we sit down thinking we're watching
entertainment
and you're seeing uh violence and
and uh depravity and sexuality that's
just unimaginable you would never think
of these things
no no no rational person would think of
beating up a woman
and they put this in front of you and
then kind of normal
and then when it actually happens you're
not outraged it's like oh yeah oh well
that happens
it's predictive programming they they
program our mind they open up neural
networks and pathways
so that our imagination says okay i've

seen i'm not shocked
whereas if this never happened we would
be stunned
and outraged at the depravity but now we
have brethren
accepting depravity we have brethren
defending depravity and they just don't
understand
and they don't understand the danger
they are in and they are self-satisfied
and they don't understand that the
church can be vomited
out of god's mouth that means you were
there you were with god
and what we were up to was so
distasteful to god
that he vomited us out of their mouth
out of his mouth and there are brethren
that don't understand this
they think they can do whatever they
want and they set anything in front of
their minds and they get caught up with
the imagination of the wicked
david says i'll set no wicked thing
before my eyes i
hate the work of them that turn aside it
shall not cleave unto me
he says
a froward heart shall depart from me
i want nothing to do with it you turn
aside
you know the bible tells us mark them
that cause division and
there are you know we think sometimes
somebody's in the church
because they're in the church we just
have to be like buddy buddy close to
them no matter what
no somebody can be in the church and
they're causing all kinds of division
and you mark them and you separate
yourself
we we pray for them we support them but
we don't want to be buddy buddy buddy

with those that turn aside
and those that have froward speaking and
imagination
we pray for them but we don't have to be
hooked up with them because we
understand wheat and tears grow together
and god is the ultimate judge but at the
same time we're looking for fruit
a fraud heart shall depart from me and
so we need to separate ourselves from
froward hearts
i will not know a wicked person who so
privately slanders his neighbor him will
i cut off
you know we are warped
by the society we live in to think that
tolerance
is the highest virtue if you're not
tolerant you're close-minded
you've got to be tolerant tolerant is
the highest virtue and the people who
uh propagate this virtue they are the
most intolerant
they have great rhetoric about tolerance
and yet when they're in power
they are intolerant but we fall for it
and we think we have to be tolerant of
everything and everybody
and allow everything into the church if
david was in our church
he would be cutting people off he says
whatever you
you slander your neighbor privately i
don't want anything to do you think
you're your buddy buddy with me because
you're slandering somebody privately
david says i don't want anything to do
with that him will i cut off
he that has a high look and a proud
heart will will not i suffer
so arrogance there's no place for
arrogance
among god's people this is a king and
he's speaking of his subjects

so when he's in when he comes back to
life and he's sitting on his throne in
jerusalem
this is the the moral standard that he
is going to
rule jerusalem with all over the world
human beings are going to want to go to
jerusalem
and when they get there you can
understand now the kind of subjects
that are going to be living in jerusalem
and when they interact with human beings
in jerusalem you can you can get a sense
of the high moral standard
because of the high moral standard of
the king
he says my eyes shall be upon the
faithful of the land what's the land
the promised land he's now king over
israel and judah have been brought
together as one stick
and david is now their king and he says
my eyes shall be upon the faithful of
the land
so those those that turn aside he wants
nothing to do with them they're not
going to be in the land he's going to
get rid of them
but those that are faithful and remember
their ezekiel 37 and the the valley of
dry bones and
how this whole army of israelites
ultimately after the millennium
they'll be brought back to life but but
those that are alive during the
millennium he's going to be ruling them
and his eyes will be upon the faithful
of the land that they may dwell with me
they're going to be with david their
king
he that walks in a perfect way he shall
serve me
so david's going to walk in a perfect
way in his home as again when he's home

you know
when we think um his home we think of
our homes i'm going to walk in a perfect
way within my little home here
david is going to be in a palace a
massive home
with many servants and it's just going
to be a massive home
and he says uh he that walks in a
perfect way
he shall serve me so this is now the
inner circle
in the palace you can't be in the palace
with the king
unless you also as a human being an
israelite or judah
a jewish jewish person in the future you
can't be in the palace
excuse me unless you too walk in a
perfect way
he that works deceit shall not dwell
within my palace
within my house he that tells lies
shall not tarry in my sight david
is going to be the most intolerant king
israel has ever seen the world has ever
seen
tolerance is not a great virtue yes
you know we have to be forgiving and
those all of us are flawed
and we're working together we're
edifying each other and we're going to
be tolerant in that way
but not in the way of social justice
where we get warped with our ideas
and we put up with garbage so so it's
like
racism that's like that's the
unforgivable sin
but people are committing pedophilia and
incest and rape
and robbery and all kinds of theft and
corruption and
no we don't care it's okay but racism oh

we don't talk
there's no tolerance for racism because
we're being manipulated
we're being we're we're we're being
divided
by the powers that be so great
all those proponents of black lives
matter you got what you wanted
all of that was just to remove the
president
it's done he's gone he's gone you got
what you wanted
now let's see how much black lives
matter and let's see who has played for
a fool
who played the idiot and who were all
those standing up and supporting black
lives matter
you got what you wanted let's now watch
over the next four years
how much black lives matter january 20th
2021 all those
who racism was the highest with the
highest sin
and everything else was fine and we just
had to remove the previous
administration
because he was such a racist and now we
have beauty and glamour and
and uh just wonderful integrity in the
administration now
let's see let's see how much black lives
matter this billion dollar organization
what have they done for black people
and it really hurts my heart to see that
the people of god
with black skin have fallen for such a
fiasco
incredible he that works deceit
shall not dwell within my house and he
that tells lies
shall not tarry in my sight this is
going to be amazing
and we're going to be a part of this

brethren so we just we just
we just need to repent we can't be
arrogant
we just need to say yeah i'm wrong you
got me
i'm glad you got me i'm glad you pointed
this out to me because i was going down
the path of the wicked and now i see the
future
and i want to be a part of this and so
i'm not going to be a part of deception
and i'm not going to be a part of lies
so if david is talking here about human
beings
what kind of standard will jesus christ
want with us
as spirit beings serving in his house
let's go to micah and see what the
prophet says
about this situation that david that
david is looking at that he
he wants to separate the wicked from the
righteous
micah we'll pick it up from chapter 6
verse 11
shall i count them pure with the wicked
balances
and with the bag of deceitful weights
these people are corrupt
these people are corrupt and do you want
me to say that they're wonderful
you want me to include them with with
everybody else and say it's all good
no i see their corruption and so i'm
going to declare them as corrupt
shall i count them pure with wicked
ballot with the wicked balances and with
the bag of deceitful weights
for the rich men thereof are full of
violence
we have to realize these people who
serve in government
and basically do nothing of note push
paper around and shake hands

and they become multi-multi-millionaires
and they've created nothing
they've done no innovation they they've
done nothing
except shake hands and tell lies and
they have become
multi-multi-millionaires and they are
full of violence
they have great rhetoric it sounds
beautiful it's easy to fall for it
but once they're in power watch out the
rich men thereof
are full of violence and the inhabitants
thereof
have spoken lies and their tongue is
deceitful in their mouth
and we have our young people falling for
this
because the rhetoric is so good and and
they've never been around the block
they're young they're still wet behind
the ears but they think they know
and they're pumped up to feel like they
know
and they fall for this deceit and so
when all of this happens now and the
people
are falling for this deceit what does
the prophet say
the prophet says woe is me for i
am i am as when they have gathered the
summer fruits
as the grape gleanings of the vintage
there is no cluster to eat
my soul desired the first ripe fruit
so he's in a situation now where
it's like there's nothing here there's
no righteousness
i i had hope that i could interact with
righteous people it's all gone
it's like they've come through they've
they've done the harvest
and there's just nothing left and i had
hoped to have some refreshment

there's no righteousness left the good
man
is perished out of the earth and jesus
christ asks us the question
when the son of man returns will he find
faith in the earth and micah answers the
good man is perished out of the earth
we have to be so careful brethren
we have to be so careful that we're not
falling for deception the good man is
perished out of the earth
and so when we have people who are so
caught up with human beings one way or
the other
so so now you have christians who
because
they're man i'm talking sorry i'm
talking about america
although what happens in america affects
the whole world especially the the
christian world
the free world but now we have
christians i i have a
colleague in business who is a christian
and really wanted donald trump to get in
power again and was really hopeful and
right up to the last minute thought for
sure he's going to stay in power
and and now he sees no he's gone he is
so despondent
i had to remind him jesus christ is in
charge
we win in the end and he wrote back and
he said you know i i don't see the big
picture
so i'm just communicating with him
helping him and hopefully he'll come to
see the big picture
but brethren we should see the big
picture and one one man or the other we
don't care
except to say the scripture says pray
for the king so that we might
lead lives where we can lead or go about

our business quietly and do the work of
god
but now because the administration has
changed brethren
our work will change so we had hoped
for more years of freedom that's going
to go
but the word of god can never be chained
so it just means that the nature of our
work changes we accept it
but we're not putting our trust in men
we put our trust in christ and we just
want to understand
what is the will of god and we would
hope the will of god would go one way so
that we can do a certain kind of work
but it looks like it's going to go
another way and that might mean
martyrdom we need to understand how much
marxists despise i can't even find the
word
we have to understand how much marxists
despise jesus christ
and so if we say we stand for jesus
christ we must understand what that
means
and what the future holds for us but
it's okay
because if we're going to hold true to
christ then the good man is perished out
of the earth
and the people who continue to live in
the earth
are going to be those who are willing to
be deceptive those who are willing to
tell lies
those who are willing to deny jesus
christ
so this is the future now the good man
is perished out of the earth
and there is none upright among men
they all lie in wait for blood
and this is uh george orwell said if you
want to have a picture of the future

you want a vision of the future he says
picture a boot
stomping on the human face forever
when he understood fully what marxism is
and where it's going and how it's going
to take over the globe
he said you know what here's the future
picture a boot
stomping on a human face forever he
understood just how much
how satanic marxism is and how much it
hates jesus
jesus christ and men created in the
image of god
and as the marxists now have free reign
there's now no obstacle
there's no obstacle to them globally
picture
a boot stomping on a human face
forever and let's for a bit of color
pardon the pun
let's picture a black face black lives
matter
picture a boot stomping on a black face
forever
that's the future
they all lie and wait for blood they
hunt
every man his brother with a net so
there's this selfishness that has just
taken over the planet
and the whole selfness the selfless
nature of christ
it's gone those people are hunted down
why do they do this that they may do
evil with both hands earnestly
the prince asks and the judge asks for a
reward this is the corruption the
leaders
are are being bribed and they're
encouraging it and they're doing deals
with with the globalists
and their their bank accounts are being
enriched

the leaders ask and even the judges
are corrupted and the great man he
utters his mischievous desire
so they wrap it up it's like from the
top to the bottom
from the presidency down to the you know
school
the school board every aspect the
marxists have put their people in place
and they're all corrupt the best of them
is as a breer a thorn they all they're
they all they're all sharp and they cut
and they hurt
the most upright is sharper than a
thornhedge
picture what david is saying of kind of
land the kind of people
that are going to occupy the land when
he's in power and this is what precedes
that
this is this is the earth that jesus
christ is going to be returning to
before installing david as king over
israel
the best of them is as a prayer the most
upright is sharper than a thornhedge
the day of your watchmen and your
visitation comes
now shall be their perplexity did they
think that i mean does it make sense to
them
that they can do this indefinitely how
long do they think they can play this
game for
it's going to come to an end and it's
going to be their turn to be in
confusion
the prophet says that this this time is
so devastating and this is the time
ahead of us brethren
that this is this is what christ quoted
in matthew 10.
trust you not in a friend and put you
not confidence in a guide

keep the doors of your mouth from her
that lies in your bosom
so brother this this is the human
condition and you know i'm sorry for
anybody
who runs out and gets married and really
hasn't tested the character
of the woman he marries or or the woman
who hasn't tested the character
of the man she marries and that the
marriage is not um
guided by the holy spirit that god is
not the one who has put you together
but you've rushed on ahead and said no i
must have this person
okay i certainly hope that the that that
decision was holy spirit guided
because the crisis that is ahead
the crisis we're heading into
it's going to generate a level of
selfishness that you would not believe
and here you have a married couple and
the man
cannot trust the very woman that he's
intimate with
and and we can say vice versa
the holy spirit-filled woman cannot know
for sure
if she can trust the man that she's
intimate with we can only trust the holy
spirit
and that's why when we choose a spouse
thank god he chooses for us and he gives
us
spouses that are truly driven by the
holy spirit and have character
because that's we we can trust jesus
christ in our spouse
so i'm sorry for those who carnally rush
ahead
and just marry and don't consider the
crisis ahead
even in the family this for the son
dishonors the father

the this is like try to imagine what
kind of crisis
where people are so terrified that they
all turn on one another
and again you even see this now south of
the border for us with the uh
the republican party and how they just
betray one another
because there's something going on
there's some level of threat
that they're facing that they will do
anything to protect themselves
and how they've been compromised the son
dishonors the father
the daughter rises up against her mother
the daughter-in-law against her
mother-in-law
and the man's enemies are the men enemy
are the men of his own house
david when he is resurrected and he
establishes his household
he will never have enemies in his
household because the moment he spots
any kind of corruption you're out
and that's the future that's the
future after christ returns this is the
immediate future
where if you have not developed true
relationships
and built godly character in your
children
and developed a holy spirit trust
between you and your spouse
then this is the future because what i
mean this is perfect
the marxist their agenda is to destroy
the family
and so now globally they basically run
almost every country in the world
and their agenda is to destroy the
family
and here we see it he says
therefore i will look unto jehovah
i will wait for the god of my salvation

so he realizes okay
this is the situation i've got to face
reality this is this is the situation
but i'm not going to give up and i know
some of us
are suffering from loneliness some of us
feel like you know we're the only one
that that's standing for righteousness
some of you might be you don't have a
congregation
or maybe you're in the congregation but
you see all kinds of corruption
and you're trying to speak out against
it and you're isolated you're alienated
well micah was alienated and he says
okay this is i accept my situation
therefore i will look unto
jehovah i will wait for the god of my
salvation
my god will hear me rejoice not against
me o my enemy
okay yeah you got the upper hand don't
rejoice against me
see the whole picture rejoice not
against me oh my enemy
when i fall i shall arise when you see
me fall
don't rejoice that's short-lived i shall
arise
when i sit in darkness jehovah
shall be a light unto me i will bear the
indignation of the lord
so again he he real i'm part of the
covenant community and god is
angry with the community and i will i'll
i'll tolerate this
because i understand the big picture i
will bear the indignation of the lord
because i have sinned against him
until he plead my cause and execute
judgment for me and this is the
understanding
okay i've sinned this is what's
happening the community has sinned this

is what's happening
but god is a god of mercy and david says
he will sing
david sinned and yet he's going to rise
and see the glory that god has planned
for him and he's going to sing of god's
mercy
so he will plead my cause and execute
judgment for me this is true justice
he will bring me forth to the light and
i shall behold
his righteousness then she that is my
enemy shall see it you think about job
when his wife says curse god and die you
know no job's going to get through this
okay he has to he has to go it's a
process he's going to but he'll get
through it
and here mike is saying even this woman
i'm intimate with has turned against me
and betrayed me again i'm sorry if you
are not
married in a holy spirit union because
jesus christ in our spouse is who we can
trust
then she that is my enemy shall see it
and shame shall cover her which said
unto me
where is the lord your god this is this
is
this woman he's intimate with and she's
basically spitting in his face
where's the lord your god my eyes shall
behold her
now shall she be trodden down as the
mire of the streets this is
imagine the level of betrayal for micah
to speak like this
but jesus christ warned us this is what
lies ahead
this is what we're this is the future
we're facing and so we need to be
preparing ourselves brethren
we need to be preparing our families we

need to understand what this means
when the globalists have no opposition
they've captured the prize the united
states of america
so this is this was the big obstacle for
them and now
there's no obstacle what does this mean
for christians
around the world what is the nature of
our work now
one administration or the other you know
we we carry on
we carry on brethren prepare yourself
brethren prepare your fam this is no
joke
people think this is a game let's show
up for services
it's sabbath we just have this habit we
hang around for a couple of hours we
have a cup of coffee and then we go home
now it gets real we need to be preparing
ourselves
this is real brethren so this crisis
is just around the corner the proverb
says the prudent man foresees the
evil and prepares himself
back to psalm 101 david says
i will early destroy all the wicked of
the land so
all that wickedness that micah sees that
precedes the return of jesus christ
when david comes into power he says i
will destroy all the wicked of the land
that i may cut off all wicked doers from
the city
of jehovah jerusalem the city of god
he will not have any evil doers in it
so that all over the world people can
come to jerusalem
and see true the true righteousness
human beings made in the image of god
behaving like human beings made in the
image of god
and this is what david will do now this

is the king this is a psalm of the king
and in proverbs 20 verse 8 he says
a king that sits in the throne of
judgment scatters away all
evil with his eyes
a righteous king does not tolerate evil
when you have
corrupt leaders who encourage evil
that is what you get so when you have
corrupt leaders who are compromised
then they just surround themselves with
other people who are compromised and
corrupt
and evil flourishes and and jesus christ
tells us that
this is the future that iniquity shall
abound
so much so that even the covenant
community
will get caught up in it and even the
covenant community will lose their agape
and even spouses and families
will turn on each other because the
agape
will grow cold we need to be preparing
ourselves brethren
this is real and because we don't have
kings
that do not tolerate evil we get matthew
24 verse 12.
in ecclesiastes 8 11 he says because
sentence against an evil work is not
executed speedily we tolerate it
it's okay you know we let them go we
they they're in front of these marxist
judges
and the marxist judges said oh i
understand and lets them go free
because sentence against an evil work is
not executed speedily
therefore the heart of the sons of men
is fully set in them to do evil and this
is where we're heading
we're going to live in a world where

human beings
because of the imagination of their
heart and the predictive programming
and the influence of those around them
they're just
totally committed to doing evil and
brethren that is going to filter into
the church
so let's clean up ourselves let's clean
up our congregations let's clean up our
families let's clean up our
congregations
and let's not go along with the
corruption
let's not go along with the compromises
let's just keep pointing people back to
the torah
now no i don't agree with this judgment
explain to me how it lines up with torah
you know i'm reading the scriptures and
the scriptures say this
so why are we doing that and we might be
that sort of
thorn that sort of um obstacle that oh
adrian's always the wise always talking
about torah
yeah i'm always talking about torah that
that's what we need
is a return to torah because torah
enables us to have
agape so he says
because the sentence against an evil
work is not executed speedily therefore
the heart
of the sons of men is fully set in them
to do evil that's the world we live in
but it's not the future world in micah 4
and verse 1
he said in malachi sorry 4 verse 1 he
says
the day is coming behold the day comes
that shall burn
as an oven this is the return of jesus
christ

and somehow christians have in mind that
the return of jesus christ is just going
to be such a nice time oh look jesus is
coming
oh there's the lord he's coming oh great
it's wonderful time for me to have my
spirit body
and it's time just for everything to be
nice
jesus is here big hug for everybody it's
time for everything to be nice oh it's
so nice now
jesus is back it's nice i don't know
what kind of christianity this
is but it's not based on the bible
this is the return of jesus christ
behold the day comes that shall burn
as an oven you know those of us who
maybe work
with uh heat or furnaces and you get
close remember when they wanted to throw
daniel in the in the furnace you know
it's so hot it can kill you that that's
what's coming
and all the proud yes and all that do
wickedly
shall be stubble and the day that comes
shall burn them up says the lord of
hosts
that it shall leave them neither root
nor branch
so you know brother and i uh pastor
murray and i and the deacon jan as we're
preaching from
from uh burlington here we may
seem i don't know maybe not harsh but
very um
uh you know sticklers for the torah but
this is what we see this is why we don't
want any of our brethren to be vomited
out of god's mouth we don't want any of
our brethren to fail
is it wrong for us to read the
scriptures and say brethren this is

what's coming
we can't take god for granted
but unto you that fear my name
it's all about his name he's the holy
one of israel yahuwah
and christ says to us that because of
his name we'll be hated by all nations
but we must be faithful to his name and
to you that fear my name shall the son
of righteousness arise with healing in
his wings
yeah we're going to be pretty broken up
we're going to go through some pretty
traumatic times but he's going to come
and reward us we're going to say this is
our lord we waited for him here he is
with healing in his wings and you shall
go forth
and grow up as cows of the stall and be
so
well nourished and looked after and
joyful
and you shall tread down the wicked for
they shall be ashes
under the souls of your feet in the day
that i shall do this
this is this is jesus christ this is who
we look for this
we are looking forward to his appearance
but we understand what it is
we understand what it is and it is going
to be sad when we know
brethren who've turned aside
and and just didn't understand and we're
deceived and we did everything we could
to call them back
but they would not and now he says
they shall be ashes under the souls of
your feet in the day that i shall do
this
says the lord of hosts remember you the
torah
don't forget the torah don't throw away
the torah

don't listen to people who say the torah
doesn't matter oh torah stop talking
about the torah
remember you the torah of moses my
servant
which i commanded unto him in horeb for
all israel
with the statutes and the judgments so
that was psalm 101.
what i want to do now is just read psalm
102 i won't have any references except
for one
where it's quoted in in the book of
hebrews
so let's just read this this is not an
enthronement song
but let's read it in the context of the
enthronement psalms
that here somebody is being afflicted
and
this psalmist is crying out because of
their affliction
so again the future jesus christ tells
us
you shall be sorrowful the world will be
full of joy
but you shall sorrow but your sorrow
shall be turned to joy
and so this uh psalmist crying out in
their affliction of the
time ahead let's put it in the time
ahead ahead of us now
it doesn't end there micah said don't
rejoice when you see me fall
because i shall arise and that's what we
see here with this psalmist
a prayer of the afflicted psalm 102
when he is overwhelmed and pours out his
complaint
before jehovah so
we can be overwhelmed brethren we're not
uh stoic we're not um
indifferent we have feelings we have
emotions we have hopes and dreams

and when these things are dashed when
they crash the economy
people think oh who cares if the economy
crashes they don't understand
they don't understand what happens to
people when they can't find food
so we have difficult times ahead
a prayer of the afflicted when he is
overwhelmed
and pours out his complaint before
jehovah
so he has hope hear my prayer
o yehovah and let my cry
come unto you hide not your face from me
in the day when i am in trouble
incline your ear unto me in the day when
i call answer me speedily
so some of us are already in trouble
this this past year
has put some people out of business
they're uh they're unemployed
they're already in trouble others of us
may be doing okay right now
but again when they crash the economy
everybody's going to suffer
except the elite except the very elite
and i don't think anybody
in the church today is in the category
of the very elite
they just want to enrich themselves and
nobody else this is this is uh
uh we have to understand marxism we we
really do
and then they're going to just open up
the borders now and we're going to see
this uh
anyway we we should understand the
future but this is the psalmist crying
out in such a situation
please don't hide your face from me in
the day when i'm in trouble
incline your ear unto me in the day when
i call answer me speedily
for my days are consumed like smoke

and my bones are burned as a hearth
my heart is smitten and withered like
grass
so that i forget to eat my bread by
reason
of the voice of my groaning my bones
cleave to my skin this is despair
this is at the bottom of the pit of
misery
and yet by seeing this and
understanding this
if we have to go through the scripture
says all those
who are called by christ's name shall
suffer persecution
so all of us who desire to live godly
lives
shall suffer persecution this is what
the scripture says
but if we can read others who have
suffered affliction
and and despondency and how they
actually came through it
then as we go through it we know that
there's hope there's light at the end of
the tunnel
and we can we can get through it
prayerfully
my heart is smitten and withered like
grass so that i forget to eat my bread
i'm just
i i should eat i'm going to die if i
don't eat
but i'm so despondent i can't i don't
even think about food
by reason of the voice of my groaning my
bones cleave to my skin
i am like a pelican of the wilderness i
am like an owl of the desert so again
just completely alone
completely alienated i watch
and as i'm a sparrow alone upon the
house top so there's just nobody with me
and this is something they love to do is

separate us
that's what we're going through right
now we can't even come together they
love to separate us
and then we love to separate us too so
they love to separate us
and then we love to separate us instead
of understanding how important our unity
is
i watch i'm as a sparrow alone upon the
house top
my enemies reproach me all the day and
micah said don't laugh when i'm fought
when i fall because i shall arise
my enemies reproach me all the day
and they that are mad against me are
sworn against me
they just absolutely despise me
for i have eaten ashes like bread
and mingled my drink with weeping this
is this is depression
this is very very very deep depression
this it feels hopeless but we know it's
not
he's crying out to god
because of your indignation and your
wrath
for you have lifted me up and cast me
down
so there's something happening here
where he realizes okay i'm part of the
covenant community
we we broke the covenant this is what's
happened
my days are like a shadow that declines
so you can see the shadow just declining
and he's just like that's
my life is running out here and i am
like
and i am withered like grass and you
know if the sun
sometimes you have some summers where
the sun is just relentless and there's
no rain

and and you just see the grass just die
and this is this is his situation
but you or your
shall endure forever and your
remembrance
unto all generations and this is the way
we have to think that
we can't be so self-centered that it's
all about us
we have to be willing to say you know
what it's not about me
it's about jehovah and his plan and his
agenda
and what he wants to do for israel this
is what it's about
and so i i am part of that agenda and
i'm praying towards that agenda
and so even though he's in this depth of
despair and depression
he hasn't lost his vision and he says
you shall
arise and have mercy upon zion
upon zion for the time to favor her
yes the set time is come
this is amazing and this is this is our
ticket out of any affliction
out of any depression is to get our mind
off ourselves yes we are suffering
yes we are in affliction but there's a
bigger picture
and we of all people on the planet we
understand this bigger picture
and we understand that the word of god
cannot fail it is impossible
it is impossible it is impossible for a
word
to leave god's mouth and fail and so we
understand
his counsel we understand his plan we
understand what he's doing
and we understand it cannot fail and so
we take our minds off ourselves and we
see the big picture
and we know okay god shall arise you

shall arise and have mercy upon zion
for the time to favor her yeah the set
time is common
we understand this so we can speak
comfortably to jerusalem
we can tell jerusalem look your warfare
has ended
this this is not forever this look
forward
get through this be faithful to god
because
your god reigns and you shall inherit
the land and
all over the world people are going to
come to you
to learn the law of god for your
servants take pleasure in her stones the
stones of jerusalem
and favor the dust thereof it's going to
be such a special city
that everyone just can't believe this
this is the city of god
so the heathen shall fear the name of
the lord and again this is it
jehovah the holy one of israel
this is going to be taught all over the
world and
matthew the the prophecy christ gave us
in matthew 24
tells us that we shall be hated and we
shall just be despised
by all nations because we are preaching
a gospel
that has everything to do with the name
of the lord
everything to do with the holy one of
israel jehovah
and what his plan is and who
jerusalem and the promised land belongs
to rightfully
and we're preaching this and it's good
news not for everybody
it's bad news for some but it's good
news for israel and judah

and this is what we're preaching and
they hate us for it and they have the
upper hand
but the psalmist says having the big
picture in mind
that he then shall fear the name of
jehovah
and all the kings of the earth your
glory
zechariah 14 that all the kings of the
earth are going to come
and fear the glory of god and worship
god in jerusalem
and if they don't upon them shall be no
rain
when the lord shall build up zion
he shall appear in his glory brethren
this is it as we go through affliction
as we are persecuted as we deal with
loneliness
and depression here is somebody who's
suffering affliction
and in the affliction he is able to
continue
because of this vision that the lord
will build up
zion and he shall appear in his glory
this is what he sees the word of god
cannot fail
he is going to return he is going to
build up zion
and he's going to appear in his glory he
will regard the prayer of the destitute
this is
isaiah 61 that he will regard the prayer
of the destitute
and not despise their prayer he
understands
i'm just gonna hold on god will god will
be good and do good to israel and he
will
remember the poor and needy who are
faithful
this shall be written for the generation

to come
so so he lived thousands of years ago
and he knows that this psalm that he's
writing
is going to be for another generation to
come
and here we are here we are facing
globalists and their wicked agenda
and their anti-human agenda and their
anti-christic
agenda here we are and we are about to
go through i think to coin
the uh phrase of the new administration
a dark winter we're about to go through
a dark winter
as they marshal all the resources they
have to to
to crush the virus uh we're gonna we're
gonna crush we're gonna we're gonna
crush the virus
we're gonna just plunge the the the
economy into debt
and and do everything we can to to crush
the virus
because that's the most important thing
and if people don't eat
and if people if people have nothing as
long as we crush this virus
somehow some way
and we're going to get through this
brethren because
we have the word of god it was written
thousands of years ago
for us upon whom the ends of the world
have come
this shall be written for the generation
to come that the people which shall be
created
shall praise the lord so here we are
here we are the the it's like a relay
race
and the saints have passed the baton to
us
and now this is our leg of the race and

as long as we run our leg of the race
properly
and with all our might and then we pass
we pass it on to the next generation
and they too will praise jehovah
this shall be written for the generation
to come so here it is preserved for us
and the people which shall be created
and here we are shall praise jehovah
for he has looked down from the height
of his sanctuary so
no matter how high men think he is they
think
they are god looks down upon them
you know when they were in uh following
nimrod
and building up this tower of bravo
that as high as that tower was god said
let's go down to see what these people
are doing
that's how high god is so he has looked
down from the height of his sanctuary
from the heaven from heaven did yehovah
behold the earth
to hear the groaning of the prisoner
remember isaiah 61
he's coming to set the captives free
to hear the groaning of the prisoner and
so we're free right now
for how long well kind of we're not free
we're sort of under house arrest aren't
we
but as laws change
and as declaring the name of the lord
becomes illegal
some of us are going to be in prison
but he's going to hear the groaning of
the prisoner
to loose those that are appointed to
death
why would we be appointed to death what
why is this here
what kind of hatred would those in power
have

that people who just want to declare
christ's name
be appointed to death to declare
the name of the lord in zion so this and
his praise in jerusalem
whatever this gospel is in matthew 24
that jesus christ says will be preached
throughout the whole earth
but he also says that you will be
hated by all nations because of my name
this controversy over the name of god
is going to come into sharp focus it's
about to come into sharp focus
and christ says if you deny me before
men
then i will deny you before my father
who's in heaven
so we don't want to be among the deniers
who are distracted
we want to just stiffen our backbone
here strengthen our spine
and speak truth speak truth
and the truth is jehovah is king over
all the earth he will build up zion and
he will rule the whole earth from
jerusalem
and all over the earth people will be
begging to hold on to the
the hem of a jew so that that jew can
lead them to jerusalem
that's the future and you might not like
it
it might it might send you as a ruler of
this world
into a satanic frenzy i i can't that's i
can't help that
you have to get your emotions under
control i'm just giving you the word of
god
to declare this so he's going to hear
the groaning of the prisoner from from
his high
throne in heaven he's going to hear the
member when um israel

cried out in in egypt and he heard their
groaning
and he came down and visited them here
in this modern egypt in this modern
babylon
when the people of god are suffering
he's going to hear the groaning of the
prisoner
to loose those that are appointed to
death to declare the name of jehovah
in zion and his praise in jerusalem so
this is what the people will do
when they're released as david said i
will sing of mercy
when the people are gathered together
and the kingdoms
to serve the lord listen to this this is
the future
the people will be gathered together
he's going to gather his people from the
four corners of the earth
and the kingdoms everybody's going to be
on the same page that the veil will be
lifted the deception that satan will be
bound
the deception will be gone and all
kingdoms all over the world
will serve jehovah
he weakened my strength
in the way he shortened my days
i said oh my god take me not away in the
midst of my day so he's
he's on the verge of dying think of the
suffering of job
you know he's at the end of his rope he
hasn't lost his vision of what's going
on
but he's saying like i i can't even eat
i'm wasting away
i said oh my god take me not away in the
midst of my days so
it sounds like he's middle-aged you know
probably younger than me
maybe he's in his early late 40s early

50s he's in the midst of his days
so i'm in the midst of my days take me
not away in the midst of my days
your years are throughout all
generations god you're eternal
i'm just in the midst of my days here i
have please don't allow me to perish
like this
of old have you laid the foundation of
the earth
and the heavens are the works of your
hands
they shall perish but you shall endure
yet all of them shall wax old like a
garment
so we know that the earth is going to be
burned up there's going to be a new
heavens and a new earth
so yeah they shall perish but you shall
endure
yeah all of them shall wax old like a
garment
as a vesture shall you change them and
they shall be changed yes there's going
to be a new heaven and a new earth
he can see this but you are the same
and your years have no end
so this is the part now that i wanted us
to go to hebrews
just as we wrap up the psalm here um
hebrews 1
and verse 10. i believe this is the
apostle paul
quoting the psalmist he says
and you lord in the beginning have laid
the foundation of the earth
and the heavens are the works of your
hands they shall perish
but you remain and they shall all and
they all
shall wax old as does a garment
and as a vesture shall you fold them up
and they shall be changed so again he
sees this

there's going to be a new heaven and a
new earth
they shall be changed but you are the
same
and your years shall not fail so that
comes directly
out of the mouth of the psalmist who is
in deep depression
in deep affliction but didn't lose his
vision
of what god is doing and had such a
great vision of what god is doing
that here we have the apostle
encouraging the hebrews who are on the
verge of giving everything up
and he's quoting from somebody who is in
deep depression who had a grand vision
of what god was doing
so brethren whatever you're going
through whatever suffering you have
you can you can get through it because
god will empower you to get through it
he has not forgotten you as high as he
is
he hears your prayers and so let's
finish the psalm now and i just think
that's amazing that this psalmist was in
such deep depression
and yet was able to articulate something
that here we are thousands of years
later
benefiting from the vision that he had
and here we have the apostle paul
quoting him and millions upon millions
and tens of millions of people
have benefited from the apostle apostle
paul's teaching
who in turn learned from this psalmist
who was in depression
let's finish with psalm 102
and verse
28 he says
the children of your servant of your
servants

shall continue and their seed
shall be established before you
so the psalmist really had a very very
solid understanding
even though he was in this terrible
state of affliction
and despondency and despair
he still had a very strong understanding
of what god was doing
how he was going to be faithful to his
word and that
is what sustained him and even to the
point where he understood yeah the
people of god will be established and
their seed shall be established
so brethren let's stay in the word of
god the world around us is going to be
changing very very rapidly 2020 was a
crazy unprecedented year
it was just an opening act let's get
ready for 2021
2022 and beyond uh the world is going to
change very very quickly on us
but as the psalmist said god is the same
god is the same and his word is the same
his word is established
jesus christ is the solid rock
upon which we stand upon which our faith
is built
so no matter what happens we're good
praise god jesus christ is lord
you
