

Well greetings and welcome to another Wednesday Night Bible study. Together, we study the scriptures. This evening God willing will miss you as well. So we are just turning the corner on the book of Psalms God willing will do **Psalms 148** tonight and next time do Psalms 149 & 150.

Hello song. Hallelujah. Psalms psalms of praise the five songs that end five books of the song. So we've done it, it's amazing. What a big boy come to the end of song and these songs, the last five songs songs of praise. Every one of them begins with, Hallelujah and ends with Hallelujah. And This one in particular is considered a creation song because it's called the whole creation to praise. The gods will Rumble open here so I can confirm for me in the chat that I'm coming through loudly. And clearly.

Loving Father. Thank you for that. We can have in you and Christ in your Redemption trailer for All Mankind. And we're living in a time of turmoil and chaos and the unraveling and getting worse. So grateful that we have each other. Before I call the children start study. We are brothers in Jesus name so we are alone. Clear.

Thank you so much and thank you so much for joining us for our new social on the Sabbath and also that you got our congregation and everybody was there. But Most of us and we just truly truly appreciate you and thank you for your support. If you don't mind please broadcast you can just hit the like button if you could share them as you know we're now exclusively on Rumble. We're grateful that we haven't lost any subscribers, some talking like broadcast and then there's any suggestions for others who may have similar interest in the Bible.

Psalm 148. It begins with. Hallelujah from the heavens. So this song praise him all his angels, all of you freeze, you him all his host and this this word host, wait for us to think about that in the Fast and the complete Jewish Bible. These aren't exactly sold a good way to think of host is an organized group for vassal, and God is with the Lord of hosts. And sometimes people have difficulty with that, I think. No, no. He's the Prince of Peace while 235 times he's referred to in the scriptures. Army. And so, these hosts are now called to praise him, praise him from the heavens begins. Let's Praise Him from the heavens, Praise Him from the heights, all you Angels, praise him and all his host and in terms of this disorder, or what's going on, but we do get a hint of it in Revelation 19 in verse 1. And after these things, I Heard a Voice How much people is a large crowd in heaven saying hallelujah. Praise Jehovah salvation and glory and honor and power unto the Lord. Our God. So this exuberant phrase is tied to his name Jehovah. And what he has accomplished in his name Jehovah this this salvation and glory and honor and power this, this inspires overwhelming, praise for true and righteous are his

judgments for. He has Judge grade for which did corrupt the Earth with her fornication, and he has Avenged the blood off his servants at her hand. So we're going into very, very difficult time. This is a very difficult No. We're heading into but we know that is all according to God's purpose and it's all according to his Covenant and his will and every word that he has ever spoken. Every promise that he has ever made will be fulfilled in. This is, this is cause for exuberance and great. Praise. The psalm 148. Now, we move to the sun and the moon and stars. Praise him, Sun and Moon. Praise him. All you stars of Lights, we have all the pagans around. We're actually worshipping these objects who helped build whole ideologies and religious systems around these objects. And the truth of the matter is that these objects were created by God by you hold off and they themselves, praise you Jehovah. Praise Him. You haven't of heavens and you Waters that be above the heavens. So this phrase heavens of Heaven, straight from Torah behold, the Heaven. And the heaven of Heavens is the Lord's, your God, the Earth also, and all that therein is, and this will also this phrase hear about the waters that are above the heavens. Takes us back to the creator of creation account in Genesis, where Moses rights and God made the heavens, are the skies and divided the waters, which were under the firmament from the waters, which were above the firmament. And it was so. And then I was setting up this whole cycle where water on the Earth would evaporate and go up into the sky and the clouds and come back down. So they understand that there were Waters above the sky. Would actually produce rain as a result of that division. Back to Psalm 148. Let them. So, all that this disturbance of the heavens, the Angels, the hosts, the sun, moon, and stars of all been summoned to praise Jehovah. Let them praise what the name of Jehovah is a reason for the price. And an Ender specificity in. What's the price? The name of your whole body? As we spoke about this already has great meaning in the name, Jehovah, for he commanded and they were created, so they were from the beginning, came into existence purpose, is it is empty Bodies In The Name Of The Lord He has also established them forever and ever. Oh, that's interesting. They were made forever if they're going to stop last forever and ever, he has made a decree which shall not pass through all this whole creation. This whole creation where he's he's divided, the waters above from the waters below. So as water is on the earth is Waters in the heavens, the heaven of Heavens. All of this, the sun moon and stars all of the Abyss creation. The praise the name of the Lord because he commanded and they were created and he's established them all forever. We shall not pass, what what degree is, Jeremiah says in Jeremiah 31, and 35 bus, which gives the Sun for a Life by day. We see that in the creation account in Genesis, which gives the Sun for a light by day and the ordinances of the Moon and of the stars for a finite, the God has created these heavenly bodies and he set them in their course. Any says, which divides the sea when the waves there or is his name? This is God of armies. This is his name who has done this, this is the creator. The god of Israel as the creature. Then he says this, if those ordinances depart from before me says the Lord, then the seed of it. Real also cease from being an Asian or me forever. All of this sucks climate emergency

where we need the likes of John Kerry to save the Earth. This is delusion, we don't need them and we're not in a climate emergency business. God has created all of this and there is in the universe. It's a dynamic Universe. Has a dynamic system. Of course, of course there's going to be climate change. And I said, you can see it's pointed out the real climate change that the climate curse. That would be a better term rather than climate emergency. The climate curse is becoming is coming because of the sinfulness of man and rather than pretend they rather play Savior but we don't need them to save the Earth. God has said it is if the birth should disappear Then Israel also will cease from being a nation before him, but he has decreed, that Israel will be before him and he will be glorified in Israel forever and he's holding up the Earth and the Sun. As signs to say that this did this decree that he's put in motion. Means that Israel will be before him forever.

Someone 48 verse 7 now so he summoned the heavens Heaven of Heavens, the sun, moon and stars all the angels, all the hosts. Now, he turns to the Earth. The creation on the Earth. Crazy. The Lord from the earth, not just from the heavens were from the earth. You dragons and all deep sand dragons. Here we could say sea monsters or at least your massive whales. They're all part of the creation that should join in. Praising God, fire and hail He says, he'll know, I'm Vapor stormy wind or Ross. Fulfilling his word. So the wind fulfills, his word. Haha, we seen that you were studying, Psalm 107 we covered. This is the house. Some 107 is referenced or reinforced by Matthew 8, Matthew 18, verse 24 will receive the Lord Jesus when he was on Earth, commending. Do the roar. To show the impact and behold verse 7:36. There arose, a great Tempest in the sea. So much that the ship was covered with the waves, but he was asleep. And his disciples came to him. And I woke up saying, Lord, save us. We perish. This is an urgent. They were, they were in a terrible, terrible state. She was sleep. And it woke him up. And he said unto them. Why are you fearful? I'm I'm with you, then he arose and rebuked. The wind and the sea. And then suddenly there was great calm. Who is this? Who is this, man? Who can review the winds in the sea and suddenly, there was a great calm. This is quoting someone to 7. They that go down to the sea in ships that do business in Great Waters. These see the works of the Lord as I should say. It's an illusion to someone at 7 and his wonders in the Deep. These are the works of the board and his wonders in the Deep or He commands. This is his worth and raises The Rock. The stormy winds spoken of in Psalm 148. Which lifts up the waves thereof, we see these big waves on the earth is because of the wind or on on the Ocean or the sea. So he's calling Lawns or even the rock to praise him. Foxy song 148 in verse 9. All the creation must join in the chorus of praise to God almighty. Psalm 148 verse nine mountains and all Hills, fruitful, trees and Tall Cedars. They're all being recruited into this house of praise. Why? Why this exuberant praise for the lord? Well, Isaiah the prophet gives us an indication. Just as John, the Apostle didn't in Revelation around the Salvation that's associated with the name. Jehovah, Isaiah 44 verse 23, Same thing, recruiting the heavens. And the Earth to praise God. Sing heavens. Why should the heavens join in singing and praising God? For the Lord, Jehovah has done it.

He has done Against All Odds. He has done it, done watch you lower parts of the Earth again, similar to the psalmist from the Heavens to the Earth creation, join, and praising you all by the lower parts of the earth bring forth into singing. You mountains. Oh, forest and every tree there in. So there we see the same pattern, the heavens and the Earth all creation the mountains, the Trees, Everybody all creation, come together and sing and praise the Lord Break Forth into singing You Mountain, do forest and every tree there in what what has the Lord done? What why does exuberant phrase for the Lord? That is your Hova and the meaning of Jehovah for your whole bar has redeemed, Jacob. And glorify himself in Israel. And for this reason, The entire creation should join an exuberant. Praise. Beginning with the heavens. And all the angels, and all the host. Sun, moon, and stars. The Earth, Steve Melton two trees. Everything must come and join in this chorus of praise for your whole body. Why? Because The thing that he has a purpose that embedded in his name, despite all the opposition for yours and the kings of the earth and those in authority. Despite all of them opposition, despite the destruction of his people, he has done it, done? What? He has redeemed Jacob. Glorify himself in Israel and because of this Redemption, now the whole earth can be a piece because of this Redemption. Now the whole earth can rejoice and the whole earth and all mankind to have access to Salvation through. Israel, got to Psalm 148 again this this recruiting all creation beat and you just get the sense of being the exuberance, the overwhelming Joy. The the incredible sense of purpose to bring all creation together at the whatever. This is this purposes, it is so great. God is he is so great. Unreservedly we are recruiting creation. Tracer beast and all Castle. Creeping things and flying fowl. Everything and improving sayings. And the Beast of the earth and the creepy crawlies on the earth and the Flying Saucer flying birds from there. He pitted to the kings of the Earth. What does the unisex? But you Kings of the earth, you men in authority. Men and women we should send us 40 today, leaders of the earth and all people, all your subjects, regardless of what your will is all your subjects me to join in this place and all the judges of the earth, doesn't matter what your purpose is, it doesn't matter what your agenda is. It is. It is fruitless keep it up and join us in this Praise of your over. The Hova is the true king. What about an illusion back to the beginning of the psaltery song, 2? Be wise now. Therefore OU Kings. Allow yourself to be instructed and nobody's. We have the scriptures. We might be nobody, but we have to And you need to be instructed by the scriptures. Be wise. Now, therefore OU Kings, be instructed this word and I'll send this word and I'll be broke. If you have a modicum of intelligence, listen to the scriptures and allow yourself to be instructed and end and move away from the Dark Side into the light. You princess, you judges of the Earth, And rejoice with trembling. It's a big tent come, come inside, come in, from the cold and join us in the phrase of your over. That your power is coming to nothing and we can see it come to nothing in Revelation. The end of the Revelation, 18 verse 9, if they do not allow themselves to be instructed, Their Enterprise Inns in nothing but destruction and the kings of the earth, Revelation, 18 and verse 9. And the chiefs of the earth who have

committed fornication, that's what they're doing or seeing the whole scene Scandal debacle that we're seeing. It's all about money, money billions and hundreds of billions of dollars that's being traded back and forth. This distance to Goshen of the trade with other. One of the merchants are tied into the Babylonian system committed fornication and live tooling. They shall bewail her. I meant for her when they shall see the smoke of her burning, so the whole system is built around the score And they're going to see the seat cover for me. Spending a far-off for the fear of her torment, saying alas alas. They can't believe it. The whole Enterprise was built on this Foundation alas alas that great City Babylon, Mighty City. Just seemed invincible. They are locked in behind this Mighty city, which seemed so invincible. But in one hour, it's all over. Old Kings of the earth b w, Psalm 148 verse 12. Both young men and maidens old man and children. All the creation. You going to the most powerful men on the planet? And now, we're even turning to the young man that young ladies. The old frail man, the frail children, everybody come together and we know in Joel those of Judah. Prophesied the young man and handmaidens of Israel. Power of the Holy Spirit. Prophecies. God is going to use them with the spirit, but even the Gentiles, the young men and maidens old men, and children should come under the tent and praise God for what he has done. Let them everybody was the prince's the judges, the young men, the maidens the old man that everybody. Let everyone let them praise what you think, price. Name of the Lord is a level of Education. Not just Call feel good. Let's sing happy songs about God and and just work ourselves up into a state of euphoria. That's not involved. It's, it's come under the tent of God and be instructed. Understand the purpose of God understand the will of God understands how this purpose and will and Council was established from creation. And from ancient times before anything happened, how the whole thing was set forth in Scripture, Come with your understand. And then with that understanding and and how all of that plan of God is embedded in his name, then come and praise all you Gentiles and praise the name of the Lord, his name. Alone is excellent. The name of another God, I don't want to hear about Allah. Work or Krishna or any other God? Only the name of your Hova. Is excellent. His name alone. This is what the scriptures. His name alone is excellent to all these Gentiles. What is the scripture say that? They will say, our fathers have insurance and lies Our fathers have inherited lies, all these Gentiles are going to come out of their delusion. And they're going to try to understand the name of the Lord is going to agree. Only his name is Glory is above Fierce and it's not just about the Yaris. It's about the seven. Above all creation. It's name of the Lord which alone is excellent. We understand which is embedded in Our Gospel. We don't say any gospel. Doesn't gospel. What is it is? Good news. And this good news is we're seeing here in Psalm 148. The good news is in the gospel. In. What we're seeing in Psalm 148 is the conclusion of the matter. If that's what we're seeing in these final Psalms these. Hallelujah. Psalms is the conclusion of the matter. That God has done it. He's fulfilled his purpose to everything has come to a conclusion and now the whole creative should join us and praising the name of the Lord. Now we

understand this the name of the Lord is embedded in Our Gospel preacher, but not everybody understands eventually they will. But right now they don't. And so what we read here, As we look at this passage, he says to love them. All these peoples, praise the name of the Lord, to come to be instructed to come to this understanding that his name alone is excellent and His glory is above the Earth and they haven't now, what does that mean for us before we get here? What does it mean for us? Matthew 24, verse 9. That in this final chapter of man's history. Then, shall they deliver you up to be afflicted? So Law & Order is out the window or in a state of chaos, a state of great iniquity. That is the founding, and in the state of Texas. Law & Order has been destroyed. Then, shall they deliver you up to be afflicted? And she'll kill you. And you shall be hated of all Nations. For my namesake. This is why they need instruction to see. They are alluded to in the state of Illusion. And understand God's name. The reason we are hated of all Nations is because we are preaching the true gospel antenna for preaching. The gospel that does not have the meaning of God's name. We're not preaching the truth. When will not being hated by All Nations. People of God, somehow. Some of us. I figured out he can play nice with Baba, we can cooperate with us. We can be, we can find an honorable position. Help you remind you of Pastor, Maurice. Sermon and offensive guard. It's an offensive. Why? Because it's centered on his name that his name, alone is excellent. And it is antithetical to the agenda of the powerful of the service that we were calling about. We're sitting your Enterprises or anything, it's going to come to nothing. The name of the Lord is greater than everything. It's so going to the people of God, who are preaching the true gospel, many will be killed. The Beast will have will prevail against the Saints will not Will not compromise the Saints are not going to play nice with the Beast or just going to preach the truth without compromise and pricing starts at 1 to you when all men shall speak well of you. So we're not offending anybody. If we somehow approved by the Beast Powers, the Auntie Kristen Powers were approved by them think we have their stamp of approval. That's good. That's fine. Isis woman to you when all men shall speak. Well of you. If we are condemned, falsely accused persecuted. Those are probably pretty good indicators that were preaching. so, This name in the end time is a cause of consternation. This name of God in the end time is a cause of offence to All Nations and yes. Thomas told us through the prophetic nature of the. Psalms all mankind is going to eventually come on down and pray. This very same name, but they hated it so much they put to death. The Messengers, the trip messengers of the Gospel who carried the praise of the name of the Lord, they put them to death. And now they come to a state of repentance and understanding and instruction of the Lord is excellent. But it's okay. Okay, cuz we're taking the Long View. We're playing the long game here, and we understand that in the short-term, there's going to be some issues, serious, serious issues. And if that's the whole, yes, it's very discouraging. Praise be to God, we have the scriptures. Aldi's. if you were but God forbid you don't say you were in prison and they said, like we don't want to give you the Bible, but cuz you have no idea the prosthetic nature of these arms and how much rice when he was on

Earth, the meaning of giving us something superficial prophecies in the Psalms of the closure of the prophetic prophetic. If we see it right here, in Psalm 14, what is the conclusion of the matter? He says he also exhaust for none of his people. The strength of his people, praise of all his Saints, the exhaust exhaust people near. So there's a people called Israel there near to him and then there's a Come to him through the priesthood of Israel. and so the song than ends with began hallelu, Hallelujah, praise the Lord begins, strong prophetic picture of songs, that Israel is a conclusion of the matter. They conclude the matter. Smashburger in Clute, that all creation. Having a pet rabbit. All the Angels, the sun, moon, and stars, all the hosts. And everything on Earth, all the kings, and princes and touches old man in children. Young men and maidens even insects in the castle. Everything, even though the sea monsters, everything must come together and the name of the Lord is, it's just people of Israel of people. You're part of the Covenant. Your price, the center of the bathroom. so we see here, in terms of insulting the horn for people, the prophecy laid down in Luke, 1 verse 64, he has visited stop a horn of salvation for us in the house of his And this Horn of Salvation that will be above every me. He has raised up a horn of salvation for us in the house of his servant, David as he spoke by the most of his holy Prophets. We serve a god, whose word is everything. unlike Allah who says it permissible to lie that he himself lies, this God that we serve is word call April. Troy all lights truth. The truth of the matter is that by the property is shared in Chamblee. Ancient times. This is what's going to happen. The end from the beginning. that's what we see here that he spoke this by the mouth of his holy prophets, which have been You can't have a prophet that teaches any other Doctrine, any other teaching and the meaning of the name, Jehovah. Which has been since the world began. What is this Prophecy from the world began from? From ancient times that we that is Israel should be safe from our enemies. and from the hand of all, and we the holy spirit first fruits, people who have the burden and the high privilege and responsibility of preaching. And the true gospel reflected in the middle that we will be hated of all next. because of the understanding that we teach, we can't expect to be endorsed improved by these antique systems we should be safe or call me back. That we should be safe from our enemies and from the hand of all that, hate us to perform the mercy. Hebrew scriptures that said. The Covenant, Mercy promise to your father. Call Brooklyn. From the mercy, promise to our fathers and to remember His Holy Covenant and so what we see here the conclusion of the matter in Psalm 148 and he's going to insult to his people and the praise of all his Saints and not truly is Christ. So fine point on this, go to the prophet, Isaiah to see how God will glorify himself. And this is we have to understand all of the world's development through the lens of the top or not, not every single day, for some new Ice Cube news coming up, and we just getting swept up in this Marxist ideology. We're not of the Holy work. Which of the ancient species Darkness light? Essentially, the people of God Arise & Shine. These people that have been hated persecuted that have been humiliated and raided and destroyed. I saw his message to them with his understanding of the prophetic will of God. His message to them is a rise shine.

For your light has come. And the glory of Jehovah has risen upon you. This is this. The glory of Jehovah is not at all mankind. It's a pain pill For All Mankind. Kings of the earth will not like this because they believe they are Glorious Mysteries and their Destinies and their, their ideal. We don't believe any This is what we believe that your whole body has done it. And the glory of God has risen upon. Behold, Darkness shall cover the Earth. Heading. Now, to speech, evil and death is sweeping over the Earth. And the Earth will be in great Darkness. Before picture. Behold The Darkness shall cover the Earth. That's a given. God is going to do it over to Satan. Spiritual Darkness. All of them worshipping the Beast. All of them taking on the name of the Beast. Whose number is Mark? Great Darkness. Spiritual Darkness on the people. But the Lord. Jehovah LOL. Mesa. The first fruits of all of the spreader. But the Lord Jehovah shall rise upon you. And His glory shall Feast upon you seen by who, by these people and darkness by these Gentiles. Why these people who are persecuted Us in hated us, we will see his glory upon us and it's going to be levels of glory to glory of the firstfruits of the same levels of brightness in advance. So this is a wonderful wonderful where is 149 + 150? Just read through the chat. So glad to have you breastfeed for. We'll be talking about that that we hope to do more of these men here like a reference and experience, just checking here, brother, Jeff Square. Rosebud. Read for the wreck RDP today. Evening, while brother. Teaching first wonderful to have food and cool but 007 names to faces that are sisters and thought. Great wonderful. Thank you so much. Is Psalms profound amazing. Seeing these five. Hallelujah songs is the conclusion of the matter that we should be waiting fridge. When I know it's easy to get overwhelmed. Why, what's going on fire creation? Praise almighty God. Jesus Christ is Lord. Thank you so much for asking for being with us. Hopefully, you can join us on Sabbath. God bless you all.
