greetings brethren and apologize for some of the technical difficulties I'm having this evening I'm travelling and I wanted to go ahead with the study tonight because I have no other night this evening and I didn't want to miss another week of our Isaiah study so I'm just gonna hang on a bit and see if in fact I am broadcasting so I'll just wait for confirmation to see if I am in fact broadcasting and you can just grab perhaps let me know if those of you who are on the chat you can let me know if I am coming through on the chat I'll just hang on a bit before we get started just to ensure so if you're on the chat please let me know and I can continue with the study I'm just gonna hang on a bit to ensure that I am in fact broadcasting okay so it does seem like I am coming through so let me open with a word of prayer and then we'll start the study with the Isaiah chapter 44 our Heavenly Father we pause to give you thanks to praise your holy name and to ask for your involvement father in our study that week by week as we study this incredible book of Isaiah there's ancient prophecies that you would deepen our understanding not only of Isaiah but of all of your word and your whole plan we thank you Father we ask this blessing now in Jesus most holy name Amen so we are up to Isaiah chapter 44 and let's just jump right into it and let me just set myself up here just switch this over great so Isaiah

chapter 44 and let me just organize myself that here one second and get the Bible open okay great so um we are just apologize for this just when I'm traveling I don't have everything handy the way I would like it to be but we'll be okay shortly okay so the last time we were in Isaiah chapter 43 now not in the last week book just went back a couple of weeks so before going to chapter 44 I just want to pick up a couple of verses from Isaiah 43 and that is verse 11 he says here he says I in verse 11 even I am the lord and beside me there is no Savior

so the God of Israel wants Judah to know very specifically that there's no other Savior besides him don't look to anybody else except the Lord and then in verse 12 he says I have declared and I have saved

looks like the the internet is not working well I just got a message that it's stopping and starting frequently let me just see who else so it's working well okay so I'm gonna go ahead and proceed I think there's quite a few people because I'm doing this on Monday evening most people will probably pick this up on the archive so hopefully the archive will be a smooth recording and I'll just go ahead and proceed if not we'll go redo this but in verse 12 he says I have declared and have saved so instantly God pronounced this judgment on these people and it is a very severe judgment but embedded in the judgment he also declared

their salvation that that he would not completely wipe them out that he would in fact turn and saved them and so that he's saying there's no God except me I'm the one that's declared this judgment and I'm the one that can save you and I

have showed so he's revealed through his prophets when there was no strange God among you therefore you are my witnesses says the Lord that I am God so there was a time in this relationship when Israel was faithful and they didn't have these strange idols in these strange gods among them and at that time is when this prophecy was made was made by God as to what would happen and we saw that in Deuteronomy 30 that even Moses was reviewed it was revealed to Moses that Israel would in fact go ahead and inherit the promised land but then they would be unfaithful and they would be scattered and taken captive and punished severely but then God would then gather them from all the different points of the earth and bring them back in their land and they would in fact be faithful so at this time when there was no strange God among them God told them what was going to happen he showed it to them and he says therefore you are my witnesses that I am God because there's nobody else that can do this except God to declare the end from the beginning and from ancient times that which is not yet done saying my plans my counsel shall stand so these people that God has designed his whole plan around they are witnesses they are his witnesses that he is God he goes on then to say yes before the day was I am he joso i before anything began i am he and there is none that can deliver out of my hand I will work and who can reverse it so so when God sets out to punish these people nobody can deliver them from him and then in turn when he sets to save them and dill and punish their enemies no one can deliver the because if this is God's doing and and

God needs Judah to learn this very painful lesson that that God means what he says

so that's the context now that we want to come into chapter 44 which begins so we see here that God is doing this strange work Isaiah calls it a strange work

Habakkuk refers to it as an unbelievable work a work that you won't believe even if it's told to you this work that God is doing where he's stirring up Israel's enemies or Judas enemies to destroy them and then he's going to save them

it's a strange work and so he says none can deliver out of my hand I will work and who can reverse it so nobody can stop this work and that's why they are his witnesses that everything surrounding them and their their their destiny and their history has been ordained by God and therefore they are his witnesses that he is God yet now here Oh Jacob my servant so even though this punishment has been declared upon them yet now here Oh Jacob my servant and Israel whom I have chosen so these are the people that God has selected to be his servants to be the the priests of the earth and that the whole earth must come to know the God of the universe through these people that have been chosen by God so yet now he so despite this punishment yet now here Oh Jacob my servant and Israel whom I have chosen God has chosen these people thus says the Lord that made you and formed you from the womb so this is something that God is saying look I'm the one who created you and this is what I'm telling you about yourself which will help you I'm the one who's gonna help you fear not

Oh Jacob my servant and just to run whom

I have chosen
so it seems like there's ample reason to
fear that these neighboring countries
and
fires are vicious and they have turned
their sights on Judah and they want to
destroy Judah and yet the god of the
universe is saying to Judah don't be
afraid don't be afraid and they are
the remnant of Israel so he refers to
them as Jacob he refers to them as
Israel but as I mentioned earlier the
northern tribes have been divorced
they've been scattered
they've been there now irrelevant and
Judah is the representative of Israel
and so God refers to Judah now as Jacob
as Israel and then he refers to them as
this strange term just shuuran and what
does that mean so just Sherman means the
the upright one and it's used in
Deuteronomy and when we look at how God
uses it in Deuteronomy what we see here
is that gesture on is a way of referring
to Israel in Israel's glory so Israel
when when Israel comes into its fullness
God refers to them as Jesse run and
let's see that as we review Deuteronomy
32 we'll just take a bit of time with
Deuteronomy 32 to get the full context
of this term gesture run he says when
the Most High divided to the nation's
their inheritance so all the nations
have their inheritance and and God
divided to the nation's their
inheritance when he separated the sons
of Adam he set the boundaries of the
people so so we're living in a time now
where countries can't have boundaries oh
it's a such a terrible thing to build a
wall it's such a horrible thing to have
boundaries
well no God is the one that sets the
boundaries in the first place God is all

about nations and he's all about boundaries and separating and so people want to be more righteous than God nations should have boundaries and so God when he separated the sons of Adam and he set the boundaries of the people and how did he set the boundaries of the people look at this according to the number of the children of Israel so there are twelve tribes of Israel and somehow these nations have been set up according to the tribes of Israel and let's keep that in mind because I a bit later he says for the Lord's portion is his people Jacob is the lot of his inheritance so all of the nations have been divided up in the world according to the 12 tribes of Israel and and so they are going to be assigned to a tribe of Israel why because the Lord's portion is his people and Jacob is the lot of his inheritance so Israel is God's inheritance and therefore he's assigned the whole world to the different tribes of Israel because Israel is his inheritance he's going to marry Israel and and now notice how this is fulfilled at the in the end when we'll read this is revealed to us when we were studying Revelation in Revelation 21 verse 10 he carried me away this is John being carried away in the spirit to a great and a high mountain and he showed me that great city the holy Jerusalem so this is the end now though the New Jerusalem is coming down to earth descending out of heaven from God and it had a wall it had a wall great and high so it has a wall that's boundaries and it had 12 gates so it has 12 gates is gonna be three gates on each side it's a cube structure so it's on a square structure here at the day at the base and three gates on each

side to make the twelve gates and at the gates twelve angels you notice this and the names written thereon the names written on the gates what are the names written on the gates which are the names of the twelve tribes of the children of Israel so Israel is God's inheritance and this New Jerusalem comes down with twelve gates each one assigned to one of the tribes of Israel and the nations so Deuteronomy Moses reveals to us that the nations are divided up according to the tribes of Israel and here we read that the nations of them which are saved shall walk in the light of this new Jerusalem and the kings of the earth do bring their glory and honor in so all these nations that are saved the kings are coming to this New Jerusalem they're bringing their offerings they're bringing their wealth and their glory to it and the gates of it shall not be shut at all by day so there's 12 gates and they're always open for there shall be no night there and they shall bring the glory and honor of the nation's into it so you can see how the nations have to be assigned to one of the gates in order to bring their offerings and their wealth into the New Jerusalem they cannot get into the New Jerusalem unless they come in through one of the tribes of Israel and from the very beginning Moses is showing us that all the nations are assigned according to the tribes of Israel back to Deuteronomy 32:4 the Lord's portion is his people and Jacob is the law of his inheritance so from the beginning to the end God has not changed his mind and he has not forsaken Israel he will be glorified in Israel he says here he found him in a desert land and in the waste howling wilderness he led him about he instructed him he kept

him as the apple of his eye so this is how the relationship began and he brought him from Egypt and brought him into the wilderness and kept him as the apple of his eye as an Eagle stirs up her nest and flutters over her young spreads abroad her wings takes them bares them on her wings so he's just like this the Eagle that looks after her young so the Lord alone did lead him so God had this special relationship with Israel and led him and there was no strange God with him so that's exactly what we read in Isaiah in Isaiah 43 says that he has declared and saved and he showed when there was no strange God among you so that's going back to this time in Deuteronomy when God brought him through the desert and kept him as the apple of his eye and at that time he led him and there was no strange God among them and that's when God showed and he declared and he revealed from from then when there was no string among them the continuing Deuteronomy 32 he made him ride on the high places of the earth that he might eat the increase of the fields and he made him to suck honey out of the rock and oil out of the flinty rocks they come out of Egypt as slaves and then God embellishes them with with wealth butter of kine and milk of sheep with the fat of lambs excuse me and Rams of the bread of Bashan and goats with the fat of kidneys of wheat and you did drink the pure blood of the grape so this is the history of God with Israel when there was no strange God among them and now we come to gesture on in verse 15 God now calls Israel by this name as like a term of endearment but gesture on waxed fat so with all of this blessing the God was just the apple of his eye and just blessing them so

much and giving them everything
unfortunately just shuuran waxed fat so
when Israel was in his glory
they just got fat and happy and arrogant
and kicked you are waxing fat you are a
grown thick you are covered with fatness
then he forsook God which made him and
lightly esteemed the rock of his
salvation and we all need to be careful
of this proclivity in the human
condition that when we're facing
misfortune all we call on God we call on
God but when things are going well we
forget God and this is the nature of man
and this was the nature of Israel so
just to run when Israel comes into its
glory they foresaw God and that's
exactly what God said as the book of
isaiah opened he says hear o heavens and
give ear o earth for the Lord has spoken
I have nourished and brought up children
but they got fat jeshurun got fat
jeshurun waxed fat I have nourished and
brought up children and they rebelled
that's exactly here it says that they
lightly esteemed the rock of their
salvation God saved them but they
lightly esteemed him and they forsook
God so this is gesture on they provoked
him to jealousy with strange God's at
first there was no strange God among
them and then they waxed fat and they
provoked God to jealousy with strange
gods with abominations they provoked him
to anger they sacrificed unto devils
this is what Israel did they sacrificed
unto devils not to God to gods whom they
knew not to new gods that came newly up
whom your fathers feared not of the rock
that begat you you are unmindful and you
have forgotten that God formed you thus
as he's nourished and brought up
children and they they rebelled against
him they forgotten him and when the Lord

saw it he abhorred them when the Lord
saw it he abhorred them these covenant
people this covenant community is in a
special relationship with God they
worship devils and when God saw it he
abhorred them because of the provoking
of his sons and of his daughters there
is none like the god of gesture on
just dropping down to verse 26 now there
is none like the god of gesture on who
rides upon the heaven in your help
and in his excellency on the sky so this
is where gesture one comes from that
eyes eyes calling back will also see it
in Deuteronomy 28 in verse 47 is where
the curses are being pronounced because
you did not serve the Lord your God with
joyfulness so you were brought into this
special very very special privilege and
instead of being joyful and serving God
joyfully they were very reluctant they
were rebellious they actually ended up
worshipping Devils

so because you this is the curse if you
do not serve the Lord with God with
joyfulness and with gladness of heart
for the abundance of all things gesture
one was blessed with all this abundance
therefore shall you serve your end
which the Lord shall send against you in
hunger and in thirst and in nakedness
and in wants of all things he shall put
a yoke of iron upon your neck until he
has destroyed you so this is the word of
God and God is faithful to his word so
he's going to absolutely carry all of
this out and this curse that we see here
it's a pattern that God sets down and
it's going to be fulfilled multiple
times

first with Assyria then with Babylon
then with Rome with the with the
Persians the the Greeks so just constant
there's some constant repeating of this

of this cycle until Isaiah shows us that it is ultimately fulfilled right before Jesus Christ returns in the end time that these curses are fully fulfilled and are fully ripe just before Christ returns so this is a pattern that's laid down that that's become cyclical until it's until it's done in its fullness just before the return of Christ and the way Isaiah writes it's clear that he's speaking of if not only the immediate fulfillment as he was prophesying first of Assyria then a Babylon but from his writing we can see very clearly he's speaking of the end fulfillment right before the return of Christ until he has destroyed you the Lord shall bring a nation against you from far from the end of the earth as Swift as the eagle flies a nation whose tongue you shall not understand a nation of fierce countenance which shall not regard the person of the old nor show favor to the young and he shall eat the fruit of your cattle and the fruit of your land and you shall be until you are destroyed which also shall not leave you either corn or wine or oil so this is when we read this here remember we read in Isaiah 6 when Isaiah had his call to ministry and he was told to ensure that these people that they hear but they don't understand that they see what they don't perceive that their heart is so waxed fat lest they should hear and understand and repent and be converted that that cannot happen and the reason that cannot happen is because God is faithful to his word and then Isaiah asked well how long and he says until the cities are desolate because it has to fulfill this agreement that they've entered into with God and so this is the part of because they

rebelled God helped fill this part of the agreement that they want that they'll leave you neither corn or wine or oil or the increase of your flocks until he has destroyed you so this is what God through Isaiah is insuring gets fulfilled so that he is faithful to his word but then despite all of their rebellion he's going to save them so I just says the remnant is left then he's gonna step in and rebuild them and put them back in the land and put his spirit in them and ensure that they ultimately fulfill the promise that he made to his friend Abraham and he shall be seed you in all your gates until you're high and fenced walls come down wherein you trusted throughout all your land so they trust in their fenced walls and God is saying I'm the only one that can save you but they keep looking to their other two alliances into their own strength instead of looking to the Lord and he shall beseech you in all your gates throughout your land which the Lord your God has given you now when God was on earth when Jesus Christ was on earth he gave us Matthew 24 which is going to fulfill Deuteronomy and so let's let's just read this together and again this is a Goa gesture on waxing fat and then having to be punished severely for that but then God stepping in to establish gesture on that Israel will come into its full glory which God refers to as gesture on but just because of their nature when they came into their full glory they forgot God and so in Matthew 24 verse 14 Christ says this gospel of the kingdom shall be preached in all the world for a witness so God says you are my witnesses and so the fact that we can preach this gospel

and show from historically and prophetically everything that God says is going to come to pass around these people they are the witnesses and so we're able to preach this as a witness unto all nations so we're not trying to convert the nations we're just telling them the plan of God and then it's up to them whether they respond to it or not and then shall the end come now which Kingdom says the gospel of the kingdom and so when all of this was said and done and Christ was resurrected and he was then teaching his apostles for forty days when they therefore came together they asked of him this is acts 1 verse 6 remember we studied this when we studied acts saying Lord will you at this time restore again the kingdom to Israel so they fully understood they understood Isaiah they understood Deuteronomy they understood gesture on that that the kingdom is Israel's and when God comes to establish the kingdom it's not just a generic kingdom it is the Kingdom of Israel so the kingdom of God is the Kingdom of Israel because God will be glorified in Israel and all nations will come to acknowledge that God is the God of Israel and so this preaching of the gospel must be tied to the name of Israel that it is the Holy One of Israel who has establishing the kingdom in Israel as the God the Holy One of Israel so that's why they're asking them okay great we would be hearing this gospel that you've been preaching we get it now our work we understand you've taught us today so God opened the scriptures to them showed them from Moses how everything's about him and now they fully understand and now they're being told to stay in Jerusalem to receive the spirit that's

okay we'll stay here is this the time
now that you're going to restore the
kingdom to Israel
and he said unto them it's not for you
to know the times or the seasons so in
other words I am going to restore the
kingdom to Israel you just just not for
you to know when which the father has
put in his own power instead you shall
receive power after the Holy Spirit
comes upon you and you shall be
witnesses so in other words you will
preach this gospel to - to the world but
in a particular order so you shall be
witnesses with power of the Holy Spirit
unto me both in Jerusalem that's all
it's all about the focus of God's
attention is Jerusalem so start there
and in all Judea so the cities of Judah
and in Samaria Israel they the
Israelites and unto the uttermost part
of the earth so the gospel has to be
preached to the four corners of the
earth and God is going to gather his
people from all over the earth
but both Jew and Gentile need to
understand this glorious plan of God and
how precise God is with his word so he
says when you therefore shall see the
abomination of desolation spoken of by
Daniel the prophet stand in the Holy
Place
that is that the Temple in Jerusalem
that so that it needs to be this Temple
in Jerusalem for this to be fulfilled
whoso reads let him understand and we
need to understand that this goes all
the way back to Deuteronomy and that
every word of God is going to be
fulfilled and because of the rebellion
of these people they have to suffer this
incredible desolation which we've seen
already with with Antiochus and and
Antiochus Epiphanes and we've seen all

of this again with them with Rome it's just a constant cycle that's being repeated but it's a pattern that's being repeated but it's going to come to its fullness in just before Christ returns then let them which be in Judea flee into the mountains because these these people are vicious and these are the only people that are told they can flee the people that are in Judea everyone else we have to have this boldness to preach the and not run but for those those Jews now who are listening to Christ in this endtime who we are preaching this gospel to and opening the Word of God to and they believe in theirs their Messiah that that at this time in Judea get out of there it's like it's just wholesale slaughter let him which is on the housetop not come down to take anything out of his house and that's again this is just specifically in Judea it's not if you're you know if you're in Canada or Australia or New Zealand no this is specifically this specific piece of real estate neither let him which is in the field return back to take his clothes and woe unto them that are with child and to them that give suck in those days so even the small children and though though that the women the mothers are there's such AI hate and a homicidal hatred for the Jew that there's just no mercy at all that these people just want to slaughter this is anti-semitism to the extreme and these people are just gonna be slaughtered just because they're Jews and they're in this land of Judea and even the women now this this is a fulfillment of what God said in Deuteronomy that your sons and your daughters shall be given to another people and your eyes shall look and fail

with longing for them all the day long
and there shall be no might in your
hands so you're gonna have no power
Judea you're gonna have no power to
protect your children even your babies
that these people are coming in to
slaughter and you're this is this is the
curse this is this is the the Covenant
agreement that they entered into with
God and if they did the right things
these are the blessings they would enjoy
but if they rebelled these are the
curses and they rebelled and so God is
righteous and because of God's
righteousness he has to fulfill his word
and so this is his word that he's
fulfilling in in verse 41 he says you'll
beget sons and daughters but you'll not
enjoy them
for they shall go into captivity and
it's gonna be brutal a nation of fierce
countenance which shall not regard the
person of the old nor show favor to the
young they just don't care you're you're
not a human being to them so they
believe they're human but they believe
that you're you're you're less than an
animal you're less than the feces of an
animal they have no regard for you for
the Jew at all and so they're just going
in and wiping out young and old and they
just have no regard at all and they're
taking them slaves so back to Matthew
says but pray you that your flight be
not in the winter neither on the Sabbath
day so these are sabbath keeping people
and they're there to pray this is the
instruction to them now that they pray
that it's not given when this happens
that it's not gonna be in winter and
it's not gonna be on the sabbath because
it's gonna require all of the effort and
full exertion of energy run for your
life to the extreme for then shall be

Great Tribulation such as was not since the beginning of the world to this time no nor ever shall be so we can see this pattern has been laid down and it's been repeated over and over but this is the fulfillment this is a today this is the ultimate fulfillment just before Christ returns and then he says this and except those days should be shortened so God is going to cut cut it short he says I believe it's in Romans that is going to cut short the work in righteousness so this is a short work that he's gonna do but then he's gonna stop it and and from Habakkuk we know that this is his work this is his strange work we call we know from our eyes I it's a strange work from Habakkuk it's an unbelievable work and from Romans we know he's gonna cut it short so here he sees that except these days of this strange work should be shortened there should be there should no flesh be saved and and this no flesh means no Jewish flesh no people of the Covenant flesh that the whole focus is on Judea is surrounded by army so first the the people from around the world as much as possible they're going to Judah there deserve this calling to come back to Judah so they're all there for the nations they they're all there but many of them are there Jerusalem is then surrounded by armies these people move in with wholesale slaughter which implies by the way that America must collapse because as long as America is strong there's no way that any harm can come to Judah because they're allies and America is the superpower and nobody would dare touch Judah as long as America is a superpower but once America collapses in it was Abraham Lincoln that said the only way America can collapse is such a powerful nation is not from

any enemy outside but from within so clearly we're seeing America has been infiltrated by Muslims by our Muslim Brotherhood as well as by communists and others and then there's just all this unrest within America this wonderful magnificent civilization in my opinion it's the greatest civilization this side of God's kingdom it's just remarkable remarkable what what America that was just just remarkable Empire and and yet this remarkable country an empire is collapsing and it's collapsing it's rotting from within and when it collapses then it's open season in the Middle East and except those days should be shortened there should no flesh be saved but for the elects sake that is the covenant people so God is gonna wipe them out

punish them but not completely there will be a remnant and because they are left so Satan thinks he's having his way Satan's agenda is to wipe these people out that's always been his agenda because he wants to frustrate the plan of God and he wants to establish his own people but God is gonna use Satan and allow Satan to deceive the nations to do this strange work but then he's gonna stop it

because of their because of the elect though because of the elect those days shall be shortened and who is the elect Isaiah tells us before Jacob my servants say and Israel

I have called you so Israel is God's elect so because of these covenant people God is not going to allow the nations to completely wipe them out he's gonna raise up these nations about the says he sees during the strange it's unbelievable work of raising of the Chaldeans they're gonna come in they're

gonna wipe out these people Isaiah says
it's going to the Assyrian is the one
who's ultimately going to do it so the
Assyrian gets control over Babylon and
moves in to wipe these people out and
God allows it and then he stops it so
that there is a remnant to be saved and
then from Zechariah 12 we know that he's
going to empower this remnant to fight
back and to overcome their enemies and
that's us as he returns to establish the
kingdom and restore it to Israel and
that is the tribe of Judah as well as
the tribe the house of Judah as well as
the house of Israel so that was as I
just to say who the elect is continuing
in Matthew 24 then If any man shall say
unto you lo here is Christ or there do
not believe it so there's a way that
Christ is returning that we should not
be fooled and so we have to explain all
of this don't believe it for there shall
arise false Christ's so we can expect
now in this end time with all this
turmoil that false Christ's are going to
appear and false prophets the false
prophets will be most likely proclaiming
the false Christ's and they shall show
great signs and wonders so expect this
gonna be a time of miracles in so much
that if it were possible they shall
deceive the very elect so there's the
elect and then there's the very elect
so the elect are the Covenant people the
very elect are the covenant people with
the Holy Spirit so there's only one cup
there's only one covenant people God
does not have a relationship with
Gentiles he only has a relationship with
with Israel which is represented in
Judah and then within this relationship
into of Judt with Judah as Christ Cain
he called us called us set aside called
out a few and gay

his holy spirit to them and that became the church which is Judah and then the door opened for Gentiles to be grafted in to Judah and so though those of us with the Holy Spirit we are the very elect

but the elect is anybody in the Covenant in with the DNA of Judah the house of Judah and so he says here that if it were possible they would even deceive the church this is how powerful this deception is going to be which means that many in the eleven a of the elect will be deceived but the very elect cannot be deceived we have to be preaching the gospel and comforting God's people and pointing them the way but it sounds like for some of us it's gonna be like 'ooh old maybe this is true so God is telling us look at look what he says here behold I have told you before so we have to we cannot forget the Word of God and unfortunately for people who are not studying they're going to forget the Word of God and then that's why they can be deceived but we have to stay immersed in the Word of God and so that way we can say no God told us this would happen taystee he warns us like look I'm telling you beforehand therefore if they shall say unto you behold he is in the desert and I keep repeating this that there's got to be an ideology in the end time that all the nations that surround Judea share and it's got to be an ideology that has homicidal hatred for the Jew that believes that the Jew must be slaughtered every single one of them so all of these nations have to share this ideology and now what we see here is that their Center their base their religious centre has to be in the desert so that they're making the claim because

crisis there's going to be false
Christ's so they're making the claim
that Christ has come to the desert but
don't go forth and they say behold he's
in the secret chamber so they have some
sort of a religious structure there that
they claim that Christ is there leading
the prayers and all these miracles
associated with it and so this is what
we're looking for in ideology in the end
time
that is headquartered and centered in
the desert that has a homicidal hatred
for the Jew that is shared by all the
nations that surround Judea but were not
to believe it these things and so John
now tells us this is the other part of
it as well John in John 16 Christ says
these things I've told you I've spoken
to you that you won't be offended we've
just got to be like our Lord told us
this is the way it's gonna go down
we love our Lord we trust our Lord this
is the way it's gonna go down whereas
others are gonna be like I didn't sign
up for this and they're gonna be
freaking out and panicking and betraying
one another and God says that I'm
telling you this so you won't be
offended and then notice what he says so
this ideology they shall put you out of
the synagogue so we're gonna be
excommunicated we're gonna be pushed out
yes the time comes that whoever kills
you will think that he does God service
so so it's very important that whoever
is killing us actually believes that
they're doing God doing God a favor that
this is this is what God would expect of
them would expect them to do and so let
me just quickly grab something here I
just wanna I just want to show you
something that I should just set up here
very quickly so just keep that in mind

that whoever does this believes that he
does God's service and let me see if I
can do this
yes so look at this we'll see this is
our Jews news so if you go to Jews news
code il and this article here says that
a major Muslim leader makes this message
to all Christians if you refuse to
convert to Islam then the only thing
between you and us is the sword and so
it goes on to say that a major Muslim
leader in Trinidad Abu Saud at Trinidad
II made this message to all Christians
if you refuse then the only thing
between you and us is the sword here is
the full statement from Alves Trinidad
II to the Christians I say you know that
you have strayed far away from the true
teachings of Abraham Moses and Jesus
your book was corrupted long ago by your
leaders I call on you to remember the
first two Commandments for they are what
led me to Islam so this is a former
Christian who's been who is converted to
Islam and so he's calling all Christians
to remember the first two Commandments
for they are what led me to Islam and to
the true teachings of all the prophets
submit to the one who created you and do
not differentiate between the prophets
for they all came with the same message
follow the final Messenger Muhammad for
in doing so you will be following all of
the prophets if you refuse then we offer
you the option to pay jizya and live
under the authority of Islam in
humiliation so that's one option
so you either become a Muslim or you pay
the jizya and live in humiliation and
it's a 50% tax season buried so
impoverished you and there's all kinds
of stipulations to humiliate you to show
that you're serving a false god and if
you refuse that then the only thing

between you and us is the sword and and
and so it goes on so this is this major
Muslim leader
from Trinidad making this call to all
Christians and this is what many people
just fail to understand is that this is
Islam this man isn't just making these
things up he's not just have a vivid
imagination he's following the text the
Quran the hadith the Sarah this is the
he could hear this guy could yeah he's a
human being he could be dead tomorrow
but there'll be other human beings who
either convert to Islam or they born
into it and they're gonna read these
texts and they're gonna come to the very
same conclusion this has been going on
for 1400 years and Christians are fooled
because in Christian nations where Islam
is not very prevalent we don't think
anything of it but Islam is very
prevalent in Trinidad and Tobago now and
so once they get to a certain density
then they then the real Islam comes out
and so Christians are defending Islam in
Western nations and they don't realize
that the leftist governments you don't
realize how much the left governments
hate the Communists the Socialists how
much they hate Christ and so this is a
very intelligent people they can read
these texts they understand these things
but this is how much they hate Christ
and hate Christians that they're happy
to collude with this ideology knowing
that once they just have to keep us
quiet and going along and accepting
things until that the density is there
and then all of a sudden it switches
from mekin Islam to Medina Islam and
this is this is the call to all
Christians and so the real
understandings are to understand like
well how how the Muslims and Christians

actually coexist is not to look at the West where they're just making traction but rather go to Africa go to the Middle East and see when Islam is dominant what is the fate of Christians because Islam grows and continues to grow all over the world and that's that's basically so they believe that they are doing God's service and God this is exactly what Jesus Christ predicted that whoever kills you

so the sort whoever kills you will think that he's doing God's service and so that's a taste of the the you know the future and we don't blame Muslims they're they're faithful to their texts it's the text it's not the Muslim it's not the man it's the text and so we have to look at the text read the text and people don't read that when we read the text and we read the Bible ah now we see how this is going to unfold

he says they shall put you out of the sweetness he feeds on ashes a deceived heart has turned him aside that he cannot deliver his soul nor say is there any is there not a lie in my right hand so the don't they realize that this is all falsehood remember these Oh Jacob in Israel for you are my servant I have formed you you are my servant Oh Israel you shall not be forgotten of me so despite the fact that Israel is surrounded by these hostile nations who mean it to be destroyed God is saying just remember I've chosen you and you're my servant I have blotted out as a thick cloud your transgressions so we saw all the sinfulness of Israel and God is saying because of this everlasting covenant that I've made with my friend Abraham I'm gonna fulfill it in Ezra I'm gonna be glorified in Israel and so all of this sinfulness of Israel God is

going to blot it out because he's just
he's the one that's chosen these people
I have blotted out as a thick cloud your
transgressions very opposite all the
prophets are not saying the same thing
so Muhammad teaches that because of
their transgressions they've been turned
into Apes and pigs
that's what the Quran teaches God says
because of their transgressions Israel
the northern the house of Israel was
divorced and then he says the house of
Judah they saw the transgressions of
Israel they saw that Israel was divorced
by God and they were worse than Israel
the house of Judah was more sinful than
the house of Israel but God did not
divorce them he sent them into captive
but he did not forget them he remained
married to Judah and then he established
a new covenant in Judah and promises
that new covenant will not just be in
Judah it will also be in Israel he's
going to restore Israel so so this is a
very different message from the prophets
of the Bible that he's blotted out as a
thick cloud your transgressions and as a
cloud your sins return unto me for I
have redeemed you and this is the good
news that we have to preach to these
people sing oh you heavens same heaven
this is God is saying this is a
wonderful thing
single you heavens for the Lord has done
it shout you lower parts of the earth
break forth into singing you mountains
or forests and every tree there and this
is a remarkable thing that God has done
and all the creation can rejoice for the
Lord has redeemed Jacob and glorified
himself in Israel the only place that
God wants to be glorified is in Israel
and there's no way he'll be glorified in
Gentiles

no absolutely not God is not unfaithful
so he will only be glorified in Israel
his name is attached to Israel he is the
Holy One of Israel
so unless Israel is restored God is not
glorified and that unless let me say
that again unless Israel is restored
God is not glorified in fact if Israel
is not restored God is not God because
of all these prophecies that he says
prove me this is proof that I am God
that this is what's gonna happen to you
here's how it's gonna go down and then
ultimately I'm going to be glorified in
Israel so if this does not happen then
God is not God so he must be glorified
in Israel thus says the Lord your
Redeemer and he that formed you from the
wound I am the Lord that makes all
things that stretches forth the heavens
alone that spreads abroad the earth by
myself so this is the god of the
universe talking that frustrates the
tokens of the liars
so these false gods these false
worshippers these these nations they're
liars and they know their lives their
ideology authorizes them to lie but God
is going to frustrate their signs of God
says Matthew 24
