well greetings brethren and welcome to
another wednesday night
bible study where we study the
scriptures line upon line
i'm hoping that i'm coming through
clearly i'm not in the studio
obviously but hopefully my audio is
coming through clearly
maybe you could just confirm that in the
chat while we open
up in prayer and then get into this
evening study
which we are studying tonight uh two
chapters god willing
that's going to be isaiah chapter 24 and
chapter 25 and and this really is the
the good
news of the the prophet isaiah so let's
open the word of prayer and then we can
get into
this evening study loving father we
bow before you just ever so grateful
lord that
in this time of incredible chaos and and
darkness and turmoil
and confusion that you've put it in our
hearts to want to study your word
you're this ancient word these these
scriptures that are thousands of years
old
and yet speak very clearly and
forcefully
into our time and enable us to have
clarity
in terms of what is happening in this
world and what will happen next
we just thank you for this father we
thank you for your word
and we thank you for the confidence that
we can have in your word and we thank

you that we can
be together on this journey this
community of believers
that we can be together on this journey
as we study your word
line up online we praise you father we
thank you for jesus christ and his
sacrifice and
and his constant vigilance and we pray
god for your continued blessing and we
have to just lift up again our sister's
uh
sister lisa we pray god that you just
continue to be with her we're always
encouraged when we get
good news but we know this is a long
journey that she's on
and we just pray for your continued
intervention
and also for our sister mary gradar
who's also on a long journey
of recovery we pray for your mercy on
these two sisters father
we praise you we thank you we ask all of
this in jesus name
amen so um brethren just before i
get into tonight's study what i do want
to do
actually is just share a little bit of
an announcement
and let me do that um
let's see here i want to first of all
just um
share with you what we are doing in
terms
of a new campaign so let me just quickly
share this
so hopefully you should see this uh this
this be an ad that we will uh
show on social media and so we'll
on social media we know that a lot of
brethren or a lot of
members previously found us by searching
for the sabbath

they were convicted of the sabbath so
we're going to be doing something around
the sabbath
and doing some advertising on social
media
around this special report that they can
they can have access to around should
christians keep the sabbath
so that's step one step two then
is once they ask for that we will send
them
uh let me see if i can see this now
basically we'll send them a pdf
let me just see if this will work here
so we're going to send them a pdf
of this booklet uh understanding the
service
and we've just basically the same
booklet that's been out for years we've
just revamped it so that it's a
bit more graphically pleasing but it's
the content that's in our booklet
understanding the sabbath
and we just uh again just treated it so
it's a bit more graphically pleasing
and easier to read so so they will
they will get that um
documents so we'll advertise you want
this they'll get that document
and then once they receive that and we
have their email address
we're then going to invite them to our
bible study
program and i'll just show you quickly
we do have multiple courses now that all
of these bible studies that we've been
doing over the years together
pastor jim french has been phenomenal in
putting a team together some of you in
our virtual
congregation and some in our local
congregation
have been helping us right now we've
just been focused on the gospel of

luke that's the first one we want to
release and then we want to do the book
of acts
next but all of these video all the
video content for all of these books
is covered so far in god despair's life
maybe we'll have all of the
books of the bible covered here what we
would like you to do
if you're willing to help us out here is
um let me just go back here and stop
sharing
oh i didn't share sorry let me just
share this there we go
so um all of these books we've covered
uh in our years together studying the
bible
and what pastor jim french has done is
break all of these books that we've
covered
down to 15 minute modules
and then we're going to have quizzes for
every 15-minute module
just to reinforce the learning and so
far we're complete now with the book of
luke the gospel of luke is ready to
launch
we're working next on the book of acts
but the video for all these books
is there it's ready to go
um we might release it all for for
brethren
but for people who are new who are
coming in we want them just to film the
gospel of luke
and then the book of acts and we think
that if they those two books
they'll have they'll get a great grasp
of the bible
and maybe be able to depart from some of
the traditional
understanding that they've had in the
past so that's
what we're working on i'm going to go

ahead and drop in the chat
um where you can register
for the understanding the sabbath
booklet so once you once you sign up for
that booklet
you'll then also be invited to register
for the bible study course
and what we would love love love is if
you would actually sign up and take the
gospel of luke
and go through the process and just give
us feedback on the whole process
how how was it for you was it easy to
sign up were there any glitches do you
have any feedback for
us that can help us improve uh we would
appreciate that so i'm going to just go
ahead and type this
in the chat and i should have checked
yeah loud and clear thank you so much i
should have checked to make sure that
i'm coming through clearly
so wonderful so i've gone ahead and i've
posted in
the chat um the link
and i guess this is the chat for youtube
and facebook
and maybe i should also try and drop it
in the cgi.online church chat
let me do that as well
and we would just love it if you would
go ahead
and sign up and
just make sure that i can do this
yep so it's there as well so that's our
announcement
uh we're really looking forward to it
again uh uh pastor jim has done such a
wonderful job
of getting all this video content and
the other thing that's really great
about this
is as people are going through these
courses and the video content

they can download the videos locally so we want to have all of this video content on as many hard drives as possible so that it's just out there permanently anyway the ask right now is uh if you could go ahead and sign up in the link for the sabbath booklet and then once you've gotten that booklet you'll also get a request to sign up for our bible study course for the book of luke we would love it if you did actually sign up for that and then i'll go through it with these 15 minute increments you know you you as serious bible students you can listen for an hour sometimes they go a bit longer for an hour but many people they don't have that attention span as we want to just bring it down to 15-minute modules and then give them some opportunity to test their learning and reinforce their learning with a bit of a quiz and then they can continue on to the next 15-minute module we think this is going to be a much more effective way of getting the gospel out there and helping people just come along from previously held beliefs in a gradual way so that's how we would love if you could help us out and participate in this new approach that we're going to have we're going to really do a hard push uh begin we're doing a soft launch right now we'll ramp it up in in august to go live to the public

and then beginning in september god willing will really have a strong push through to the end of the year and then just take stock and see how well how effective was this and then we can really take stock to to continue this next year and and hopefully when people come in they'll have all these different uh bible courses and books and chapters that they can um participate in but we want to start with the gospel of luke and acts to make sure they have the right narrative so give us your feedback on that we greatly appreciate it tonight though we want to um study the gospel according to isaiah and unfortunately i'm not getting my ability to share the scripture this evening when i'm not set up with the right um technology here sometimes it's just not willing to uh work with me so let me just go ahead and read the passages and hopefully you can um follow along so we're going to start in isaiah 23 and verse 8 we'll just pick up a little bit of content uh from last week when god's focus was on the book uh the city of tyre okay maybe it can die it looks like i'm going to get it now there we go i think i can share this there we go wonderful beautiful okay so let's just go back to isaiah 23 and verse 8 uh where the focus was on the city of tyre who has taken who has taken this council

against tyre so we just see this
complete destruction of tyre
and then the prophet is asking who is
who's done this who's
who has this plan to bring down this
glorious city of tyre the crowning city
whose merchants are princes whose
traffickers are the honorable of the
earth
so this is all about commerce babylon
was all about mystery religion
tyre is all about commerce and the
mystery religion spreads all over the
world
but so does this commerce and through
this global commerce in this global
traffic
between babylon and tyre they engulf or
they ensnare
the whole world in satan's system
and you know who who has brought down
tyre the lord of
hosts has purposed it that we saw that
god has a purpose
and this is this is what makes god god
then this is why we can go into these
ancient
texts the texts that are thousands of
years old
that people think all the bibles you
know i tried reading it doesn't make any
sense
well you have to be given permission by
god to understand it
but this text is thousands of years old
why does it make sense
to our day here 2021 why is it making
perfect sense that
the world seems to make no sense until
you read the ancient scriptures
because god has a purpose he has a
council and in his purpose
he has designed that these gentile
nations

would become very powerful almost
unstoppable
and then they would be brought down by
him and jerusalem would be established
this is his council this is his plan
so who's behind the destruction of tyre
and this global commerce his global
traffic
goddess the lord of hosts has purposed
it
to stain the pride of all glory
and we we just saw throughout isaiah
this constant refrain
of the destruction of pride and that
pride is really the root cause
of the the the problems in the earth
and the corruption in the earth and the
the alienation from god
in the earth it's all down to human
pride whether it's gentile nations
the most powerful nations or it's
jerusalem herself
it's always coming back to pride and
tyre is no
exception that god has purpose to
disdain the pride of all glory
and to bring into contempt all the
honorable of the earth so
we're an upside down world all those
nations and all those movements and all
those people
that are in great honor today when the
world is set right side up
they're going to be in humiliation and
god's people
who are being humiliated today and being
humbled and and
desecrated when christ returns we are
going to put
in positions of exaltation so the world
is upside down
at the moment and tyre is no exception
it's in this glorious position but god
wants to bring it down along with all

those who have benefited
from her traffic he says in verse 18 of
chapter 23
and her merchandise and her higher
shall be holiness to jehovah
so this is interesting that all of this
wealth from all of this
traffic and global commerce ultimately
where is it all heading it's heading to
become
holiness to the lord that that all of
this will be
to contribute to the glorification of
god
it shall not be treasured nor laid up
for her merchandise shall be for them
that dwell before jehovah to eat
sufficiently
and for durable clothing so all of this
wealth is going to be transferred
to god's people and that's where now we
lead into
chapters 24 25 and 26. we won't cover 26
um we'll discover the first part of 26
tonight god willing but next week
god willing will do chapter 26 but this
is now a new section so we've come
through
chapters 13 to 23
which are all about these judgments on
these nations including jerusalem
all of these nations fall under god's
judgment and now we come to the
culmination of this judgment
as well as the introduction now of the
rule of god
this is the moment we've all been
waiting for the moment we've all been
looking for so we need to go through
this
uh global judgment now in order to set
up
the kingdom of god chapter 24 in verse 1
behold the lord makes the earth empty

and makes it waste god is going to do
this
god is going to do this this the you
know the the whole movement now is about
oh overpopulation
and these elite want to control the
population of the earth and
and really remove a lot of the
population of the earth well god has a a
overpopulation plan he's going to make
the earth empty
and he's going to make it waste and turn
it upside down which is going to really
be right side up
and scatter abroad and scatters abroad
the inhabitants thereof this is
horrible this is horrendous
this is human beings being thrown all
over the place
we're going to see skulls broken in
pieces bones
limbs torn apart when when god scatters
the inhabitants of the earth and shakes
the earth mightily
this is horrible this is horrendous
and it should put us in mind and we've
studied hebrew hebrews is in
the archive and it will be available in
in the lineup online academy
but in chapter 12 and verse 25 he
mentions this
he says see that you refuse not him that
speaks
and this is our message to our brethren
today
do not refuse christ do not get
caught up in false concepts and
conceptions
of christ submit to the christ of the
bible
and do not refuse him that speaks
for if they that is the children of
israel escaped not
who refused him that spoke on earth

which was moles
much more shall not we escape if we turn
away from him
that speaks from heaven and he's not
here on earth
with us now but he is inspiring
and has inspired the scriptures
he's inspired the scriptures through the
prophets and through the apostles and
now he's inspiring teachers
to unlock the scriptures for us and he's
doing this from heaven
and so we cannot afford to get
caught up with earthly philosophies
we have to be caught up and completely
enraptured and engulfed and
immersed in the word of god and this is
it
this this is all we are focused on and
not getting caught up in other
ideologies
so if they didn't escape who
refused him that spoke on earth what's
going to happen to the church this is
speaking specifically of the church
who turns away from him that is christ
who speaks from heaven well don't
just because we're in the church we
should not have this oh
i'm in the church everything's going to
be great i'll just kind of waltz into
the kingdom
no there's going to be a bit of a test
and we have to endure and get through
that test
but obviously there's going to be some
and the hebrew
christians were at risk of this of
refusing christ
and so there's going to be somewhere
going to do this maybe many
whose voice then shook the earth
so back then he shook the earth with his
voice but now

he has promised saying yet once more
i shake not the earth only but also
heaven
this period of time that's just ahead of
us
is going to be climactic catastrophic
it's going to be something that our
minds cannot even get our heads around
so we should not be caught up in the
affairs of this life
because mankind has to get through this
and mankind includes the church and
includes
judah we all have to get through with
this when god not only shakes the earth
but he's going to shake heaven also and
this word
yet once more signifies
the removing of those things that are
shaken
so this this this shaking this yet once
more
is to see what really is going to stick
and remain
so it signifies the removing of those
things that are shaken
the purpose is to remove those things
that are not established
as of things that are made that those
things which cannot be shaken
may remain so the only way we can not be
shaken
is if we hold on to the word of god and
i was doing actually just a quick search
in um isaiah and i i
just left it off here here it is that i
was just doing this quick search in
isaiah
of how many times that does isaiah say
the lord has spoken
the lord has spoken thus has the lord
spoken and just a very quick search here
uh 11 times in the book just constantly
repeating

and this is that i could go into further
when it says you know the counsel of the
lord
uh who can who can withstand it that's
another way of saying the lord has
spoken
but there are many ways that throughout
the book that i almost want another
theme
in the book of isaiah is that when god
speaks
that's it that's it that that is it
and so those that cannot be shaken
are those who acknowledge this who
recognize this
that what we have to hold on to is god's
word
and that's it and as mentioned on the
sabbath a brother
sharing with me that his observation of
the church and the brethren that he's
interacting with
is that the brethren have opinions they
don't have
convictions and i thought that is just
amazing
so we can sit down with brethren and any
anybody can
pontificate and anybody can give you
their
angle and their you know i think it
means this and i think it means that
but then something as simple as a
pandemic
suddenly you see the panic in brethren
and and their whole ability to think in
a loving way about other brethren is out
the window
now they're terrified now they might get
sick and so they don't want anything to
do with any brethren
and so this is what he means that you
know we have opinions
about the bible but we don't have

convictions
so when this happens when god arises to
shake not the earth only but the heavens
also there's going to be a thorough
shaking
that if all we have is opinions we're
going to be removed
we need conviction and that conviction
needs to come from an understanding
of what it means when the lord has
spoken
so he says yet once more this word yet
once more
signifies the removing of those things
that are shaken
as of things that are made that those
things which cannot be shaken
may remain so after this terrible
shaking
what will be left are those things that
cannot be shaken
therefore we receiving a kingdom
which cannot be moved this is the word
of god
the kingdom of god will be established
and that's thus has the lord spoken so
we receiving this kingdom which cannot
be removed
let us have grace whereby we may serve
god acceptably
with reverence and godly fear
meaning it's possible for us our
brethren
to serve god in a way that's not
acceptable it's possible for us
or brethren to serve god without
reverence
it's possible for us our brethren to
serve god
without godly fear and so when things
are pointed out to us when the scripture
is pointing out to us
we don't care we have this false concept
of christ as this

you know this big teddy bear that just
wants to hug everybody
he says for our god is a consuming fire
this is who we worship this is who we're
waiting for this
is the appearance that we're waiting for
a god
that is a consuming a destroying fire is
this the christ that you're being taught
or are you being taught christ as a big
teddy bear that just wants to hug
everybody
so let us make sure we serve god
acceptably
with reverence and godly fear
because he's coming to destroy he's
coming to shake terribly the earth
and we want all of that wrath to pass
over us and then in all of that he says
this this next verse remember there's no
chapter breaks in the scripture
let brotherly love continue and this
is in the imperative in the greek this
is a command so
you better let brotherly love continue
don't interrupt brotherly love and so
we've just seen in the past 18 months
or past two years let's say how easily
brethren gets seduced by odd ideologies
that divide us in in carnal ways
instead of responding to this command
you better let
brotherly love continue you better not
mess with brotherly love
we're messing with it and we're bringing
things into the church to divide us
among racial lines among
all kinds of marxist lines this
our god is a consuming fire and he's
coming to destroy this in fact look at
verse 2 of isaiah 24 fascinating verse
again this is written thousands of years
ago
but it applies to our day

when today comes to shake terribly the
earth and it shall be
as with the people so with the priest
as with the servant so with his master
as with the maid so with her mistress as
with the buyer
so with the seller as with the lender so
with the borrower
as with the taker of usury so with the
giver of usury
to him fascinating fascinating
fascinating because today
we're being taught about white privilege
and and the rich and and you know they
they're just terrible and we need to
take their wealth away from them
and we need to distribute it to the poor
who are primarily
people of color and and you know if
you're white
you're a racist because only black
people
are the real righteous people and and
this is this ideology that's creeping
into the church
and causing us to divide among racial
lines
this verse 2 completely destroys
marxist ideology cultural marxism
this concept privilege white privilege
and
and and you know anybody who's white is
horrible
and then if you're black you're okay
this destroys this
because karl marx wants us to believe
that the upper class are terrible that
the priest is horrible
but the people are fine the master is
horrible
but the servant is fine the mistress is
terrible
but we need we need social justice for
the maid

and it's the seller that's horrible and
it's the buyer that's disadvantaged
and on and on we go and all of these
lines
that karl marx sought to use to destroy
civilization and destroy religion in
particular christianity in particular
and bring down civilization so that he
could implement
this sort of um social justice system
which has never worked which is only
brought
oppression all all of these divisions
isaiah shows us they're false and and
our foolish brethren
who are getting behind these movements
to fight for the people
to fight for the servant to fight for
the maid to fight for the buyer
to fight for the lender and to fight for
the giver of usury
all of this when christ comes to shape
terribly the earth
he doesn't recognize any of this social
justice garbage
trash and poison he says you're all the
same social justice this is about
justice this is about god's justice and
woe unto those brethren
who are falling into this ideology here
we are two years after this thing has
really really launched and brethren are
still stuck in it
oh well oh well we've tried
we've tried our best to say don't get
stuck in these false
carnal ideologies immerse yourself in
the word of god
and here in one verse isaiah completely
destroys
cultural marxism which is only designed
to introduce satanic practices
into society that's all it does that's
all karl marx was a child of the devil

and he hated god and he sold his soul to
the devil
and and to have brethren get into these
it's horrible even you know family
members getting caught up in all of this
um conflict theory and critical race
theory
and and all kinds of critical theory
here's critical theory completely
demolished by the prophet isaiah all
that matters is righteousness
and god's justice none of this critical
theory
in fact we did cover this before in
leviticus 19 and verse 15
he says you shall do no unrighteousness
injustice this
this is what god is coming to correct
when unrighteousness
is injured that you're judging you know
in a bizarre way
we even see today our society where laws
are not
executed impartially it's like if you
have a certain political ideology
then you get a pass but if you have
another ideology
you're persecuted settlement you know if
you're a christian
you're persecuted to the limit if you're
a muslim
you get a pass so so we're seeing this
sort of
biased judgment and god says you shall
do no unrighteousness in judgment
you shall not respect the person of the
poor
oh i thought the poor were righteous
and and the rich were evil that the
black man is righteous and the white man
is evil i thought
that's what i'm being taught today
critical race theory critical theory
social justice

god says don't do this you shall not
respect the person of the poor
nor honor the person of the mighty don't
get caught up into their economic status
but in righteousness you shall judge
your neighbor
and unfortunately brethren because they
don't study torah
they're getting swept up in social
justice and god is coming to destroy all
of that
and shake terribly the earth that only
those things that
cannot be shaken will remain
and the only way we can not be shaken
the only way we can endure to the end
is if we stick to god's word back to
isaiah 24 and verse 3
he says the land
shall be utterly emptied this is how do
we how do we
put our imagination on this how do we
get our heads around this
that this earth that we go up and down
every day we take it for granted you
know i'm gonna
get up tomorrow god willing and go about
my business and see people going about
their business
god is saying yeah that's all fine now
right through isaiah he's telling us
the land shall be utterly emptied
what do we have some eight billion
people on the planet today
the land shall be utterly emptied
and utterly spoiled for jehovah
has spoken this word there it is again
the lord has spoken
this is what we have to hold on to that
will
remain people are confused people have
no idea people take things for granted
this is what the prophet sees
and he's enabling us to see a horrible

time is ahead
that all of this chaos by man
is going to culminate in god shaking
terribly the earth people are not going
to know which way is up
the whole thing is going to be shattered
and human life
is going to be it's like worthless
anybody who survives this is going to be
so
shattered and traumatized that they're
going to need the utmost of care
to come back out of this out of this
shock
and be in a position where they can now
function and acknowledge the god of
israel
this is what he's doing the earth mourns
and fades away the world languishes
and fades away the haughty people of the
earth
do languish so this is what we hold on
to
we're seeing that the the marxists the
globalist
extremely haughty we're seeing the
islamists
extremely haughty the the east and the
west
extremely hearty and what can we do
they pass whatever laws they want to do
they do whatever they whatever they want
to do that nobody seems to be able to
stop them
but god is going to change things
and they're going to languish and this
is what we hold on to
the earth also is defiled under the
inhabitants thereof oh yes it is
oh yes it is oh yes it is
words fail me i can't i can't articulate
the depth of the defilement that that's
just passing now is like this is just
normal activity this is this is just

what humans do
the earth is defiled under the
inhabitants there we can't even
understand
that there's male and female anymore
that that children should be innocent
all of this is gone we've lost our
christian norms
the earth also is defiled under the
inhabitants thereof
because they have transgressed the laws
changed the ordinance broken the
everlasting covenant again that's what
marxism is all about it's about
striking at the heart of god's laws and
destroying them and destroying the
family
and and islam is about destroying the
covenant of judah
but but this is really speaking of the
whole earth so yes
you know the everlasting covenant and we
can we could search the scriptures where
the covenant with abraham is referred to
as the everlasting covenant
but there's a covenant with adam there's
a covenant with noah
these these covenants these laws were
known before
the covenant with abraham and and
mankind is completely
but by the time we get to verse 5 being
fulfilled
mankind is completely rejected
the way of god completely the earth
becomes unrecognizable the whole earth
is worshiping satan
and this is why god has to shake
terribly the earth
that the earth this is why it's so
defiled
you've got mothers now bringing their
children
to pedophiles this is like child

sacrifice

this is a whole religious system that
that satan is setting up
where he is being worshipped and the
family is being destroyed which is the
reflection
of god whole earth is defiled by the
inhabitants thereof
because they've transgressed the laws
and again when we're chasing after
social
justice we're not realizing that we're
participating
in changing the ordinance i remember a
couple of years ago i told the brethren
i actually showed them on the website
this organization that you're supporting
they're destroying the family and it's
like we don't care
they they want to promote homosexuality
we don't care
we just we just know that black lives
matter but they're destroying god's law
no
black lives matter oh so you've made
your skin your idol
and as a result you're contributing now
to pedophilia
you have supported the pedophiles you
you've
helped them get into positions of power
by supporting this movement
and now they're going to come for your
children and your grandchildren
and then what are you going to do the
whole earth is now defiled
because they've transgressed the laws
changed the ordinance
and broken the everlasting covenant
therefore
has the curse devoured the earth the god
doesn't say
oh because social justice i have to come
because of social justice

i have to come because of environmental
environmentalism
all of this is paganism and god is
coming to destroy all
this therefore has the curse devoured
the earth
and they that dwell therein are desolate
and god is coming to protect the earth
this is the true environmentalist god is
the true environmentalist
he created the earth for man he created
animals for man
and now what the the pagans want to do
is put men down
and then have the the animals are sacred
and man is nothing
man is pollution man is corrupt man is
garbage
don't interact with people hide yourself
from people social distance from people
and don't touch animals and you're
nothing and you need to be destroyed
even though you're made in the image of
god so the whole world is upside down
and this is why the the curse has
devoured the earth
and this is why we can't be involved in
these movements and they that dwell
therein are desolate god has had it with
the earth
therefore the inhabitants of the earth
are burned
and few men left this is going to be
horrendous brethren
but this is leading to the good news
this is the purge
that has to occur and the correction
that has to occur
before jesus christ returns this has to
happen
the pride of man has gone too far
and his allegiance to satan is just
it's untenable and so this is how god
has to prepare

for the ushering in of the kingdom
the new wine mourns divine languishes
all the merry hearted do sigh so hey
pagans knock yourself out
but this is coming and you want to be on
the right side of the law when christ
returns
so whatever joy you have now if it's not
in christ
it's up all the merry hearts are due
sigh
the mirth of tabarets ceases the noise
of them
that rejoices ends
the joy of the harp ceases so i wouldn't
be
joining in any sort of celebrations that
are not rooted in christ
because it's all coming to an abrupt end
they shall not drink wine with a song
strong drink shall be bitter to them
that drink it
the city of confusion is broken down
every house is shut up
that no man may come in there is a
crying for wine in the streets
all joy is darkened the mirth of the
land
is gone in the city
is left desolation and the gate is
smitten
with destruction when thus it shall be
in the midst of the land among the
people
there shall be the shaking of an olive
tree
and as the gleaning grapes when the
vintage is done
so it's just like nothing's left they
shall lift up their voice
they shall sing for the majesty of the
lord
they shall cry aloud from the sea so he
doesn't the prophet doesn't say who that

they are
but again hebrews tells us that
god is going to shake terribly not only
the earth but the heaven also
so that only those things that cannot be
shaken
will remain and i think what we're
seeing here
is the remnant that remains so after all
of this destruction
those that anchored themselves in the
word of god
and not in social justice but in in
god's justice
they shall lift up their voice they
shall sing for the majesty of the lord
they shall cry aloud from the sea so god
is going to preserve a remnant of
judah and a remnant of spiritual judah
to introduce christ
and here they are these are the ones
that could not be shaken wherefore
glorify you the lord in the fires
even the name of the lord god of israel
in the isles of the sea so the whole
earth is going to be burned people is
going to be horrible
it's going to be horrendous but there
are going to be those who know
what all of this is happening and who
are able to preach the true gospel
especially to judah but to all nations
and and we will be hated by all nations
for his name's sake
but we will continue to glorify him even
in the fires
as as horrendous as all of this is going
to be because we understand it's all
leading up to the kingdom and the
return of christ we are glorifying him
because people are getting burned up
they're becoming ashes and we are
glorifying the lord
because we knew that this evil this

horrendous wickedness
could not continue there is no way you
could build your still build
a lasting empire on this kind of
wickedness
and so as god burns up the earth we are
glorifying him
even the name of the lord god of israel
that this is the they don't want to hear
about israel
they don't want to hear about the god of
israel but we won't stop preaching this
because this is the truth that we're
going to glory we're going to be hated
because of the name of the god of
god of israel but we're going to preach
it in the eyes of the sea
from the uttermost parts of the earth
have we heard
songs and he's going to gather his elect
from all four corners of the earth
but from the uttermost parts of the
earth have we heard songs
even glory to the righteous
but then the prophet says okay this is
wonderful
but i said my leanness my leanness
woe unto me so even though this future
picture that he sees is wonderful
he's got to get through the present and
this is the position we find ourselves
in
we understand the glory of christ that
is coming
we understand the eternal kingdom that's
going to be established
we understand the victory of god over
wicked men
but we have to get through the present
the immediate present
and so the prophet says my leanness my
leanness
i've got nothing woe to me
the treacherous dealers have dealt

treacherously
that's what they do they've given
themselves over to the devil
and that's what they do yeah the
treacherous dealers
have dealt very treacherously and so
this
we can sort of for us today see this on
two levels
on level one isaiah is a jew he's
speaking of the jewish
the whole theme of isaiah is judah and
jerusalem
and so the treacherous ones the dealers
are dealing treacherously with judah and
with jerusalem
and we see that in daniel daniel 11 and
verse 21 and the beast here his estate
and in his estate shall stand up a vile
person a treacherous person
to whom they shall not give the honor of
the kingdom but he shall come in
peaceably
and obtain the kingdom by flatteries so
he's going to be treacherous
to judah so that's one level of
treachery
but spiritual judah we also face
treachery christ tells us and then shall
many
brethren be scandalized
offended and they shall betray one
another
and shall hate one another and this is
where we're going to be like the wrong
my leanness my leanest i can't count on
anybody
woe is me because the treacherous ones
have dealt treacherously
and so they're going to be there's going
to be treacherous ones within
the the spiritual judah covenant
community and christ tells us in the
same way isaiah

even though he saw this vision of this
beautiful
outcome and we're about to get into it
in chapter 25
even though he sees this he is in sorrow
and christ even though he gave us this
great vision
of what's coming he also tells us we
will be in sorrow
he says truly truly truly truly i say
unto you
that you shall weep and lament
but the world shall rejoice so this is
what we're seeing now where isaiah says
that rejoicing
is going to come to an end but the
reality is there will be rejoicing
and in their period of rejoicing you
shall be sorrowful
but your sorrow shall be turned into joy
and their joy will be turned into
lamentation
so god is going to shake terribly the
earth but before he does that
the treacherous ones will deal
treacherously
and the church brethren in the church
are going to get caught up
in it as well we see how easily that can
happen
back to isaiah 24 and verse 17
fear and the pit
and the snare are upon you oh
inhabitants of the earth
calm down don't be so arrogant
there is a god and this is his earth
and you can't treat his creation any way
you feel
he is coming to redeem his people and
establish himself and establish
jerusalem
and so all of this arrogance all of this
pride
is going to end up in the pit and it

shall come to pass
that he who flees from the noise of the
fear
shall fall into the pit and he that
comes
up out of the midst of the pit shall be
taken in the snare
for the windows from on high are open
and the foundations of the earth do
shake so this is heaven and earth
and god is opening the windows and it's
not to pour out a blessing
it's to pour out curses on the earth and
even the foundations of the earth are
going to shake
this is a climactic time that we have
immediately in front of us but first
the wicked have to have their way the
earth
is utterly broken down the earth is
clean dissolved
the earth has moved exceedingly this
is you know i've never been in an
earthquake i've seen
uh shows about tsunamis and earthquakes
it's horrendous you see bodies
everywhere broken
arm there it's horrible this is the
future
this is the future of the of the earth
of wicked men who think that they can
have their way
but there's a power that's greater than
all and he's going to shake terribly the
earth
the earth shall reel to and fro like a
drunkard
can you imagine this i i have i can't
imagine it
it's too big for me to grasp
that the whole earth will reel to and
fro like a drunkard
and shall be removed like a cottage now
you're seeing

arrogance tumbled now you're seeing
arrogant powerful glorified man
panicking because they can't control any
of this
the earth shall reel to and fro like a
drunkard and shall be removed like a
cottage
and the transgression thereof shall be
heavy upon it
you brought this upon yourself all of
this wickedness
you brought it upon yourself the
transgression thereof shall be heavy
upon it
and it shall fall and not rise again and
you know how did how do people how do
human beings
with brains think that they can do this
this this level of wickedness and again
as we speak
all pedophilia has become a massive
industry the trafficking of children
massive industry now that the american
border is open
by this wicked administration that this
is a wicked administration
do you think you can peddle children
and and god not react to this
the earth shall reel to and fro
like a and shall be removed like a
cottage
and the transgression thereof shall be
heavy upon it
and it shall fall and not rise again
and this this global empire this
anti-christic empire in the end
will fall and not rise again and it
shall come to pass
in that day this is the isaiah's
pointing ahead this is eschatological
this is the end time that the lord shall
punish the host of the high ones that
are on high
and the kings of the earth upon the

earth
so all this glory of man is going to be
brought down
and they shall be gathered together as
prisoners are gathered in the pit
and shall be shut up in the prison and
after many days
shall they be visited so the kings are
going to be humiliated
they're going to be brought before god
the
god judah is going to be there to to
speak the truth of the bible and they're
going to have to give give their answer
why did they think they could do these
things these powerful men
then the moon shall be confounded and
the sun is shamed again we know this
from prophecy
that the sun will be dark and the moon
will be will be
turned to blood when the lord of hosts
shall reign in mount zion and
in jerusalem and before his ancients
gloriously so the ancients are going to
be resurrected
they're going to be brought back to life
and there is god
in jerusalem establishing the kingdom of
god
and there's mooses and there's isaiah and
there's abraham and there's jacob and
there's isaac
and there's joseph and there's daniel
and all these ancients are there with
him
and all the brethren that today we know
and love that have died
they're all of us are going to be
together and jerusalem
is going to be known as holiness
throughout the entire earth that's
what's happening but god has to shake
terribly the earth

because of these false ideologies that
all globally have been accepted
and the whole earth is of the the same
mind
which is anti-christic and god is going
to have to shake it out of them
and when all these human beings are dead
and there's a
remnant that's going to live over into
the kingdom god is going to resurrect
the ancients
and he's going to rule from jerusalem
and the whole earth is going to
acknowledge jerusalem
that brings us now into chapter 25
which now after all of that we're now
going to come into the establishment of
the kingdom
and i do love this chapter and i love to
read this chapter during the feast of
tabernacles
but here he says in verse 1 o lord you
are my god i will exalt you so the whole
earth is worshiping
who knows what but ultimately they're
worshiping satan
but the god of israel you are my god
i will exalt you i will praise your name
there it is again his name
for you have done wonderful things your
counsels of old are faithfulness
and truth remember that
that's why we cannot be shaken because
we understand god's plan
and god's plan goes back thousands of
years
from from the beginning he declared the
end
so his counsels of old are faithfulness
and truth for you have what are what is
this counsellous plan of god
for you have made of a city a heap
of a defense city a ruin
a palace of strangers to be no city it

shall never be built
so whatever gets established on the
earth
so right now we're in this period of
transition
you know we the world that we've known
has been a world that primarily has been
dominated by britain and by america
and fundamentally as a result as no
argument that these people are wicked
but as a result of this because they did
adopt judeo-christian
principles the fundamental values
of hugh the fundamental value of human
life of the the value of the individual
and the right of the individual
beginning with the magna carta
all of this is rooted in judeo-christian
principles
the human being has a right and then the
constitution of the united states
that this these these rights are given
by god and cannot be conferred by a
government and not be taken away by
government
all this is what we've known all of this
is going away
all of this is disappearing fast it's no
longer the individual
it's now the collective and as a result
of this worship of the collective
human life means nothing and human
beings will be wiped out and destroyed
but whatever this transition period is
that we're going through where america
is cloud
britain has already collapsed america is
collapsing
and something is going to replace it
well nature hates a vacuum
so we see china on the rise we see the
ottoman empire
on the rise whatever this future is
it is not friendly to god's people and

it's going to be established
it's going to be glorious and isaiah's
just
profoundly amazed how god has brought
all of this down
the glory of man has been brought to
nothing you've made of a city a heap
it's like it's nothing of a defense city
or ruin
a palace of foreigners of gentiles
to be no city and it shall never be
built and this is the council of the god
of god of the god of israel
and this is where he says later in
isaiah which we studied in
second isaiah 46 10 that god declares
the
end from the beginning that's who he is
that's what makes this god unique and
and this is the proof that god uses
against all false gods that only
in the scripture do you see the end
being declared from the beginning no
other scripture does this
and no other god even claims this and
from ancient times
things that are not yet done saying my
counsel
shall stand and i will do all my
pleasure
and from reading isaiah what we
understand his pleasure is in his
counsel is
is deuteronomy 30 that because his
people have turned his back on them and
that was foretold
moses even before they went to the
promised land he says you're going to be
cursed
but they're in covenant god has made a
covenant with them
and so as a result of that they're going
to be punished according to that
covenant

but they're also going to be restored
and god is going to establish them as
the priest class of the earth
that the whole earth is going to come to
judah the whole earth is going to come
to jerusalem
and this was declared anciently and
nobody can stop it
even if they hate jerusalem and in fact
i should just show you something quickly
here
if i can share this passage here
so i'll see if i can share this again
i'm just not
working in my normal circumstance
but i think i'm doing that now let's see
so this uh you can see this on jihad
watch
if you're able to get to jihad watch
turkish webinar wages anti-israel
jihad part one so this is a four-hour
uh so if you just go to jihad watch and
just search for this headline
this is a four-hour conference virtual
conference
and they have a catholic priest and an
arabic
arab arab speaking catholic priest
presenting
in this conference and this is what he
says
so this is he says this
all arabs all muslims
come to jerusalem come as conquerors
this is a catholic priest
so this is where we see there's two
beast powers there's a political beast
and there's a religious base and the
religious beast tells the people to
worship
the political beast so here we have the
catholic church catholic uh
priest saying this all arabs
all muslims come to jerusalem come as

conquerors like prophet muhammad
conquered jerusalem on the night of
al-israh
this is this palestinian catholic priest
manuel musa
from beirut and this is justice
last month this took place and again
this is a four-hour webinar his piece is
about 10 minutes
and he goes on i just want to read
something else that he said it's about
10 minutes but just the key
of what he says here he says uh
so this uh priest muslim in his address
emphasized pan-arab solidarity
in which arab christians contrary to the
reality of incessant persecution by a
muslim arab majority
lived as brothers with their muslim
neighbors and so this is what he says
he doesn't quote scripture we quote
scripture he doesn't quote scripture
dear jerusalem resistance
steadfast jerusalem he proclaimed i
and the muslims love this i once see you
ascending to the heavens holding a quran
in your right arm
and a bible in your left arm he doesn't
quote scripture but he's getting the
muslims excited
and inspired because he had this vision
of jerusalem
ascending to heaven and in her right arm
was the quran and in her left arm was
the bible well the muslims love this
because they hate the bible and anything
that's despicable
you handle with your left hand and when
they use the toilet
they wash themselves with their left
hand and they never shake each shake
each other's hands with their left hand
because the left hand is for anything
despicable and the right hand is the

honorable hand
so this catholic priest is saying in his
vision what he saw
was jerusalem rising to heaven
with quran quran in her right arm and
a bible in her left namely the hand
muslims traditionally considered to be
dirty exactly
he says this is what jerusalem does we
are arabs
who are fighting and struggling for the
arab islamic
christian civilization which is my
identity
and my people and my national root
so he goes on he says i'm the jerusalem
of arabs this is his vision this is what
jerusalem is saying
that i'm the jerusalem of arabs and
muslims and whoever
calls me the jerusalem of israel shall
be
ashamed so if you say he doesn't quote
scripture
yeah he's getting all these muslims
fully excited
that this catholic priest is telling
them that
jerusalem is for the muslims and it's
not the jerusalem of israel
so again if you go to jihad watch and
you just uh search for that
that headline uh you should be able to
find that no problem and it's
it's a four hour conference uh and it's
just amazing to see
how they are just stirring up globally
the muslim sentiment to come everybody
come to jerusalem
it's time to take back jerusalem and
then the marxists are all supporting
this as well
and anybody who calls jerusalem to
jerusalem of israel

shall be ashamed because it's the
jerusalem of the muslims
so this is quite interesting to see how
this is all unfolding
but god is saying that nobody can
withstand his counsel
and jerusalem is the jerusalem of israel
and israel will be established
in jerusalem and god is the god of
israel and we will be hated by all
nations for his name's sake
and he is the lord of hosts the god of
israel
so he's saying my plan will stand it
doesn't matter what these men do
and i will do all my pleasure and it's
his pleasure to establish
jerusalem and here when he says you know
they're going to try to build but it
won't it won't last
god speaks of esau so he says here
it shall be so the defense cities are
ruined a palace of foreigners to be no
city
so they're saying it's not the jerusalem
of israel it's the jerusalem of arabs
but he's going to bring it down and it
shall never be built and the arabs shall
never
pitch their tent there and in malachi
god says that he hated esau and we know
that esau
has joined themselves to the muslim
that that's part of the islamic world i
hated esau and he joined himself to uh
ishmael and laid his mountains in his
heritage waste
for the dragons of the wilderness
whereas edom that is esau says we are
impoverished okay we've been brought
down
but we will return and build the
desolate places we just read about those
desolate places to isiah but they're oh

we're going to rebuild
thus says the lord of hosts they shall
build
but i will throw down and they shall
call them the border of wickedness
and the people against whom the lord has
indignation
forever i didn't write the bible
i assure you i did not put this verse in
the bible
all i'm doing is reading the bible and
showing you this is the council of god
and his council shall stand and so
jerusalem will not be known as the
jerusalem of muslims
it will be known as the jerusalem of
israel and god will be known as the god
of israel
forever which means that israel is
forever
back to isaiah 25 and verse 3
therefore shall the strong people
glorify you
the city of terrible nations shall fear
you
that they they really got drunk on their
power and really believe these things
that they were being told
you have this catholic priest precinct i
saw this vision of jerusalem going to
heaven with a quran in her right hand
and a
bible in her left because the bible is
nothing the
bible is despicable and the quran is the
thing and then jerusalem went to heaven
and said i'm the jerusalem of the arabs
and
come all muslims from all over the world
and come and fight for jerusalem
these are going to be very powerful
people but when god
arises to shake terribly the earth this
this deception is going to be broken

and they're going to realize who the
true god who the creator
is and therefore the strong people shall
glorify you
the city of terrible nations shall fear
you for you have been a strength to the
poor
a strength to the needy in his distress
and again when we read this you know
strength to the poor it's not the poor
necessarily today
it's the poor at the time of christ's
return and there could be people who are
very wealthy today
but because they will not go along with
the mark of the beast
they're going to be impoverished and
there could be people that are poor
today but because they'll give their
soul to the devil
with all of the future traffic and
buying and selling and commerce
they may be very wealthy when christ
returns
so this is this is the poor at the
return of
christ and you have been a strength to
the poor
a strength the needy in his distress a
refuge from the storm
a shadow from the heat and again when
when god burns up the earth
there are a people that are glorifying
his name that are preaching the true
gospel
and he's going to be a shadow from the
heat when the blast of the terrible ones
is as a storm against the wall so these
are terrorists these are terrible people
these are people that live by violence
and treachery and yet god is going to
protect
his remnant you shall bring down the
noise of strangers or foreigners of

gentiles
as the heat in a dry place even the heat
with the shadow of a cloud the branch of
the terrible ones
shall be brought low and then god says
and in this mountain and this is the
verse i love to read during the feast
and in this mountain shall the lord of
hosts
make unto all people a feast of fat
things
so this is the feast of the gathering
now the whole world
acknowledges god but first there has to
be the atonement
the atonement the the the atoning that
the coming together of his people
physical judah and israel as well as
spiritual judah
all need to be at one with god that
happens before
happens after trumpets but before the
feast of the gathering
trumpets atonements in gathering so now
the gentiles can come in
to worship after atonement
and this is the mind in this mountain
shall jehovah's
the lord the lord of armies the one who
fights powerfully for his people
he's going to make unto all people
a feast of fat things is going to be
such delicacies
such wonderful food such flavor a feast
of wines on the leaves the best wine
of fat things full of marrow it's where
all the taste is
and why of wines on the leaves well we
find and again
you know i did this debate with the
muslim community as you know is allah
the god of the bible clearly not
allah is afraid of alcohol wants nothing
to do with alcohol

the god of the bible is going to put on
this fantastic feast
and serve the best wine and this should
also put us in mind of
the passover ceremony when christ
said to the to the disciples as they
took wine he says this is my blood of
the new covenant
which is shed for many for the remission
of sins
but i say unto you i will not drink
henceforth of this fruit of the vine
until that day when i drink it new with
you
in my father's kingdom and i think he
was alluding to and pointing to
this feast that we see in isaiah 25 and
verse 6
when he brings out the best wine and
invites all peoples of the earth
those that remain to come and celebrate
the establishment of the kingdom and
even the people who are hostile against
them
they they now see clearly and everybody
now worships the god of israel
and he's bringing out the best wine and
his disciples are right there with him
verse 7 and he will destroy
in this mountain the face of the
covering
cast over all people this is the problem
this is this is why people are listening
to this catholic priest
with no scriptures telling them what
they want to hear
that jerusalem he saw jerusalem go to
heaven with the quran in her right hand
and the bible in her left
and came down to say come muslims from
all over the world and fight for
jerusalem
that jerusalem anybody who says that
jerusalem is of israel will be ashamed

they want to hear this and they love it
but when christ returns he's going to
destroy this deception
and he will destroy in this mountain the
face of covering the face
of the covering cast over all people and
the veil
that is spread over all nations so
babylon has this mystery religion
that spread over the all over the
nations where now again we're seeing
pedophilia becoming normalized
as a form of pagan worship uh we're
seeing abortion
as a form of human sacrifice we're
actually we're seeing human sacrifice
we're seeing this not even acknowledging
the genders anymore
we're seeing this wholehearted push
towards socialism and communism
and we're seeing the islamization the
strength of the ottoman empire coming
back over the middle east
all of this is deception and when god
comes
after shaking terribly the earth is
going to remove this deception
and everybody's going to realize who the
creator is and what his agenda is
he will swallow up death in victory
so all of this death has been everywhere
it's going to be gone
and this notion that you know one dies
eventually this will become history and
we will live in a world
this is amazing we're going to live in a
world
where there'll be no such thing as death
that you and i will be talking
knowing that we live forever and that
people just don't die anymore
that was a thing of the past so he will
destroy
in this mountainous this deception and

he will swallow up death in victory
and the lord god will wipe away tears
from off all faces
it's going to be just so much
destruction so much pain and sorrow
and he's going to re-resolve this
and not only will he wipe away sorrow
from all faces
and the rebuke of his people shall he
take away
from off all the earth so this this
strange
pathological murderous hatred
that the earth has for the jew
specifically the jew but all
israel god god is going to take this
away instead of this
envy there's going to be appreciation
there's going to be gratitude that god
has chosen a people
through whom the whole earth can be
saved
the finally the the deception is lifted
and people can understand
why god chose this nation and how it's
to their benefit
so the rebuke of his people this whole
idea of the final solution
got to get rid of the jew that's all
gone now the rebuke of his people shall
he take away
from off all the earth there it is again
for the lord has spoken it these are the
things that we look for what has god
said
because it's his counsel that shall
always stand
the lord has spoken and this of course
the apostle paul
was alluding to isaiah in first
corinthians 15 when he was trying to
teach them about the resurrection he
went back to isaiah
to say the last enemy that shall be

destroyed is death
and then there's going to be this
wonderful feast
isaiah 25 and verse 9
and it shall be said in that day lo
this is our god we have waited for him
and he will save us this is the lord
we have waited for him we will be glad
and rejoice
in his salvation now when you read this
naturally we think the this is you know
the christian voice
these are christians speaking this is
our god but again if we read isaiah line
by line
and we stay within the context of what
isaiah is saying
then these are jews these are jews who
have been
horribly persecuted jerusalem has been
surrounded by armies
they're doing everything they can to
remove the jew from the land
to subjugate and humiliate the jew and
somebody
isaiah 40 has been preaching to the jew
to say you cannot rely on anybody
except christ christ is your messiah
and there's this wholehearted repentance
because this is what moises prophesied in
deuteronomy specifically in deuteronomy
30
verses one to six that because of their
unfaithfulness
they have to be destroyed isaiah 6
the prophet isaiah realizes this has to
happen until
until not not forever until
the abomination that makes desolate when
the abomination that makes desolate
is set up and for the jew the scales are
lifted
the deception is lifted and then they
acknowledge

wholeheartedly with all their heart that
christ is their messiah
zechariah 12 shows us that christ is
going to return
and fight mightily for the jew for judah
and it's judah now saying this
in that day lo this is that's why isaiah
40 tells
comfort my people somebody speak peace
to jerusalem
and tell her tell judah your god reigns
well somebody's hearing this message
this gospel being preached to them
and they've acknowledged it and now
finally when christ returns
they're saying lord this is our god we
have waited for him
because somebody was telling them wait
don't do do not turn your back
on god and he will save us he's coming
zechariah 12. he's coming to save judah
and israel this is the lord we have
waited for him
we will be glad and rejoice in his
salvation
and it is a salvation god is coming to
save judah
and israel and through them he'll save
the world as we're just reading this
feast
is going to be for all peoples and the
gentiles are going to come to the light
of judah isaiah 60. and so
we see here in revelation 1 and verse 7
that when he comes with the clouds
the whole earth is going to see him and
they also would trust him
that this is a separate category of
people who pierced him
and they're going to acknowledge him and
all the tribes of the earth the gentiles
shall wail because of him so it's not a
good day for them he's coming to save
his people

it's not a good day for the gentiles
even so
amen and this is where we see in matthew
23 and 24. the curse on jerusalem
and the salvation verily i send you all
these things shall come upon this
generation
o jerusalem jerusalem this is what he
says watch jerusalem
so that's what this whole
reconfiguration of the earth's powers
america just giving everything up and
collapsing
so that jerusalem can be destroyed o
jerusalem jerusalem you that kill the
prophets
and stone them which are sent to you how
often would i have gathered your
children together even as a hen gathers
her chickens under her wings
but you wouldn't have it behold your
house has left you desolate
the abomination that makes desolate is
coming for your house
and only when that happens will you wake
up
for i say unto you you shall not see me
again
on you jerusalem you won't see me again
until you judah shall say blessed is he
that comes in the name of the lord so
christ is telling us as much as you hate
me
as much as you're going to put me to
death the time is coming when you'll
after the abomination that makes
desolate when you'll finally acknowledge
me
and when i return you will say this is
our god
we've waited for him here he is now
blessed is he who comes in the name of
the lord
back to isaiah 27 verse 10 for in this

mountain
shall the hand of the lord rest and moab
shall be trodden down under him even as
straw
is trodden down for the dunghill so
again babylon tyre
and now moab are called out specifically
and all of these are muslim
nations all of them and moab is islamic
and i think moab is just a symbol of
this
pride of islam against jerusalem and so
moab shall be trodden down under him
you know jerusalem with the quran in her
right hand
and the bible and what's dirty in her
left and
muslims getting so excited about this
well moab shall be trotted down under
him
even a straw is trodden down for the
dung hill
and he shall spread forth his hands in
the midst
as he that swims spreads forth his hands
to swim
so he's just going to have his way with
these people and he shall bring down
what their pride together
with the spoils of their hands and all
those spoils are going to be transferred
to god's people and they'll be known as
holiness to the lord
so all this wealth that they're amassing
is ultimately going to transfer to god's
people
so he's going to bring down their pride
and this is this is the thing
they're so proud and this is why they're
so easily seduced because they want to
be
the best and muhammad told them they
were the best
the best of mankind and this feeds the

pride and then you look at other human beings like they're nothing and they're despicable god doesn't want this

you know when he comes he's going to hold this feast for all peoples and he wants us to have this compassion for all peoples that's how god thinks and the fortress of the fort of your walls

shall he bring down lay low and bring to the ground even to the dust so this this is a very powerful action by god to destroy this pride

and again the focus of the bible yes he's going to deal with all peoples he's dealing with the whole earth but his focus is the middle east and more specifically

jerusalem and so yeah we need to look at the whole earth and what's happening over the whole earth

but our focus needs to be the middle east and specifically jerusalem and then just we'll just pick up next week god willing john chapter 26 but it's going to continue this theme but again just so that we're clear that the theme

i'm sorry i should have been sharing my scripture just so that was clear that the theme is around judah and jerusalem

the book opens the scroll opens saying this is about judah and jerusalem and we've got to be careful when we're reading that we don't just hijack the passages and make it about christians isaiah was a jew he was dealing with jewish people

he's dealing with the covenant with judah and so let's be careful sir to read this in context that christ is

returning
to save judah and judah is going to say
blessed is he who comes in the name of
the lord jude is going to say
lo this is our god we waited for him but
somebody has been educating them
and telling them look this is the gospel
this is the good news
this is the counsel of god and so
chapter 26 and verse 1
in that day shall this psalm
be sung where will the song be sung
in the land of judah that when he
returns
its great joy in the land of judah
the tribes of the earth are going to
wail
because of him this is a horrible day
for them it's a wonderful day in the
land of judah
we have a strong city salvation this is
what this is the salvation so again
when we read earlier that he says
in verse 9 it shall be said in that day
law this is our god
these are jews speaking we jews
have waited for him our messiah he will
save us
this is the lord we have waited for him
and we will be glad
and rejoice in his salvation so we who
are the firstfruits
we're the ones who are telling judah god
is coming to save you
that's why he's coming zechariah 12. and
now
when we stay this is all one passage
there's no chapter break
in in the scroll in that day
when christ returns shall this song be
sung
in the land of judah we have a strong
city
zion is a strong city this is our city

salvation will god a point for walls and
bulwarks
they cannot they cannot put down the
council of god this is his plan
open you the gates that the righteous
nation nation
which keeps the truth may enter in and
we'll continue god willing
with this passage chapter 26
uh next week as we cover isaiah
uh continuing this this wonderful good
news uh tonight we just went through
isaiah's chapter 24 and 25.
thank you so much for being with us and
again i did put in the chat
the link to uh this new bible academy
that we're going to be launching all
these studies that we've been doing over
the years
uh we're putting them in this bible
academy where people can come in and
just study
in a very gradual way on their own time
all of these
with these scriptures in 15 minute
increments
with with small quizzes to reinforce
their learning i know when i first came
into the church i did the bible
correspondence course
and as much as the scriptures were
important what was
what really got me with the questions
that were asked that i would read over a
scripture
but when the course asked me certain
questions i'd go back and read the
scripture
and see things that i never saw before
because of the question
and so we think this combination of
breaking down the bible
studies into 15 minute increments and
then

putting these questionnaires or these
surveys or quizzes
in between to make sure that people are
really hearing what then seeing what the
bible is actually saying
we think this is going to be very
powerful so we're going to launch this
social media campaign to bring people
into the academy
and we're hoping that you'll help us go
through this process with us
and share with us your feedback how we
can make it better because we want to
serve all people
when christ returns he's going to hold a
feast for all people
and so we have this love for all mankind
and we want everybody to to share with
us
in this great truth thank you so much
brethren for spending this time with us
this evening
uh god we pray what a mighty god we say
we serve
it's gonna be uh chapter 24 is very very
difficult and it's hard for me
to get my head around just how
powerfully he's going to shape the earth
and what that's going to mean for human
beings but at the same time
chapter 25 shows us just how glorious
his brain is going to be
it's going to be a rain for all peoples
but there's a special place
that god is going to put israel and
judah in the earth
because he is the god of israel and he's
in an everlasting covenant
so let's let's be sure we're preaching
the gospel
accurately and acknowledge that our god
is god praise god brethren thank you so
much
for joining us god bless you all you
