[Music]

well greetings brethren and welcome to another wednesday night bible study where we study the scriptures line upon line and happy sabbath this is the high holy day of the day of atonement the feast of atonement and so i pray that your fast will go well and certainly zion's god reigns and one day the whole world will be keeping these feast days and we'll be instructed by them so we are the first fruits we want to be edified by these days make sure we understand the plan of god and the the great meaning of this wonderful feast of atonement and hopefully in your sabbath service the meaning of this day will be explained and clarified we are up to isaiah chapter 30 and we'll just pick up uh from the a verse in chapter 29 again we just want the continuity but before we do that let's open with the word of prayer to our great god our heavenly father we pause as is our custom to acknowledge you and to entreat you father that you will bless us especially on this high holy day as we observe the fast and you'll bless us father as we hunger and thirst for your righteousness we hunger and thirst father to understand your word we thank you for the ancient scriptures we thank you for the prophets of old and all those who have contributed to what

we call our bible today  
thank you for the guidance the light  
that it provides  
especially father in a world that's  
darker that's growing increasingly  
perverse  
we thank you so much father for the  
light of your word and the  
the good news  
of this this great great message that's  
in the scripture  
we thank you lord and we pray that as  
our  
understanding deepens  
that our faith and our conviction would  
also deepen  
thank you lord we also  
want to thank you for your blessings  
that we've been reaching out to you  
for our sister lisa  
and just thank you god for the  
incredible gains that she's making  
we thank you for your intervention we  
thank you for your mercy we thank you  
for blessing our brother murray and just  
very happy father as he communicated to  
me that he was able to share a meal with  
her  
before the fast so thank you god for  
your  
ever  
mercies your  
just continual uh kindness toward us  
your loving mercies your loving kindness  
we thank you we ask this blessing in  
jesus name amen  
so we are isaiah 30.  
and as i mentioned i want to just pick  
up  
um  
one verse from chapter 29 which we  
covered last week but i just want to  
pick up this one verse in verse 22  
therefore thus says the lord who

redeemed abraham this is the one who  
redeemed abraham this is what he has to  
say concerning the house of jacob  
jacob shall not now be ashamed  
neither shall his face now  
wax pale  
so as much as we covered all of this the  
horrendous news  
toward jacob and specifically toward  
judah  
uh in the end  
god has a plan for jacob  
god has a plan for israel and for judah  
he he has covenanted to carry out this  
plan and he's he's declared it  
from the beginning  
and and nobody can withstand his plan so  
as much as we're heading into  
the time of jacob's trouble what the  
scripture makes clear  
is the shame of jacob is not forever the  
glory of jacob is forever  
so with that in mind we'll come into  
chapter 30 and you'll see that i have  
side by side  
the complete jewish bible  
and in fact for this chapter i'm going  
to defer  
to the complete jewish bible i just find  
sometimes with these narratives  
um the old english king james although  
it might be an accurate translation  
sometimes it's just a little difficult  
to understand exactly what it's saying  
so for the most part i'm going to defer  
to the complete jewish bible just for  
clarity of the narrative  
chapter 30 and verse 1  
woe to the rebellious children  
says jehovah and again they're very  
careful not to say jehovah but we  
understand the scriptures he says  
woe to the rebellious children so woe is  
cursed it's the the future is dark

this is not good what's coming upon  
these people is not good and although  
now we're speaking specifically  
of judah  
just because of the pattern of the  
relationship between them the covenant  
people and jehovah  
you'll see this applies very much to the  
the nations of israel  
but it is specifically now speaking of  
judah  
whoa cursed uh just  
misfortune  
upon the rebellious children says  
yehovah  
they make plans  
but the plans are not mine  
so so they just feel so powerful so  
independent they're coming up with all  
these ideas and plans they want to  
execute  
they do not  
refer in any way shape or form to the  
scriptures they do not appeal to the  
lord  
they just the arrogance and the pride of  
man  
so they're making these plans  
but the plans are not mine and god says  
that  
his plans are from the beginning he  
declared the end from the beginning  
and from ancient days that which is not  
yet done saying his plans shall stand  
but they don't care about that they have  
their own plans  
they develop alliances  
but not from my spirit  
in order to pile sin upon sin and  
although this is speaking of judah oh we  
look at america today as an example  
developing these alliances and we're  
hearing news of these treachery  
traitors

forming alliances with  
china behind the previous president's  
back if these if these reports are true  
we see this current administration  
developing alliances with of all people  
the taliban  
cooperating with the taliban looking for  
cooperation and in collaboration from  
the taliban  
after you know providing them with 85  
billion dollars in assets  
this  
speaks of future horror woe to the  
rebellious children  
what's what's coming is going to be dire  
because of these plans that they make  
but in no way shape or form are these  
plans informed by god's spirit or by his  
scriptures and why do they do this so  
that they can pile sin  
upon sin so it's just it's just not  
heading to a good place  
they're becoming their rebellious  
children but they're becoming even more  
entrenched in their rebellion verse two  
they go down to egypt but don't consult  
me so this egypt is considered uh from  
jerusalem perspective  
the south  
so they go down they go south to the  
king of the south  
to egypt now  
this is historically true  
but the way the prophecies are written  
they're they're in cycles so there's a  
an original fulfillment  
but it also lays down a pattern so  
there's an end time fulfillment as well  
that sort of duality  
in prophetic fulfillment right now to us  
it really doesn't make a lot of sense  
for judah with the nation we call israel  
today to go down to egypt  
but matthew 24 tells us that nation will

war against nation and kingdom against  
kingdom so there's this reconfiguration  
of the earth  
who could foresee even a month ago  
that afghanistan would be turned over to  
the taliban  
and not just turned over to the taliban  
but we would gift them as well 85  
billion dollars worth of the most  
advanced military equipment on the  
planet  
a month ago we wouldn't have seen that  
and that changes everything  
now this official government is going to  
make its alliances with other  
governments  
and this changes everything  
so  
we don't know the role of egypt right  
now  
in the geopolitical world of the future  
but the prophecy says that judah the  
nation we call israel today is going to  
want to make alliances  
with the south and why because of the  
north so the king of the north  
which is assyria is going to be making  
threats to judah and because of that  
judah is going to run to egypt for help  
the king of the south but they're going  
to be  
impotent they will not be able to help  
them  
but they go down to egypt but don't  
consult me  
seeking refuge in pharaoh's protections  
of pharaoh the king of the south  
seeking shelter in egypt's shadow that's  
that's what they think they can do  
but the lord says  
pharaoh's protection will bring you  
shame  
shelter in egypt's shadow will lead to  
disgrace and again today we might say

america running to china making  
alliances with china china's protection  
will bring you shame  
the the communist party hates you  
and trying to make arrangements with  
them is going to bring you shame  
so  
this is just a pattern of god's people  
they keep running to gentile powers  
instead of relying on god  
but pharaoh's protection will bring you  
shame shelter in egypt's shadow will  
lead to disgrace  
though his princes are at zone  
and his own voice have reached  
heinous or hennis  
there they all are disappointed with a  
people that doesn't help them so they're  
going deep into egypt looking at going  
to key cities in egypt trying to seek  
this help  
and they all are disappointed with a  
people that doesn't help them who give  
no assistance and no advantage  
only disappointment and disgrace and  
again even though this is speaking  
of judah we see the same pattern  
with the nations of israel  
and again thinking that the taliban are  
going to work with us to help get  
american citizens  
out of afghanistan and therefore we can  
hand over to them a list  
of all the american citizens in  
afghanistan  
with with biometric details of how to  
identify them and we'll give that to the  
taliban and hopefully they'll help us  
get americans out of there it's really  
it's so sad  
in fact when i look at this whole thing  
it seems like a a very public ritual  
of uh shame and loyalty  
it's like when you join a gang

for you to be accepted in the gang you  
have to go and do something extremely  
perverse  
and to demonstrate your loyalty they may  
say go and kill a family member and then  
we'll accept you in the gang and so you  
have to go and do these very perverse  
acts to demonstrate your loyalty and to  
me that that's what this feels like  
that that who who on earth in their  
right mind  
in any any leader  
would say yeah we're going to pull out  
of this hostile territory  
but we'll take our military out first  
and we'll leave all the equipment and  
we'll leave all of our citizens there  
that to me this is unforgivable  
it is uh just it's inexplicable  
except for the fact that i say okay  
it makes sense  
if this administration  
is not loyal to america  
if their loyalties lie elsewhere  
and they're demonstrating publicly  
shaming themselves but demonstrating  
publicly that they are not loyal to  
america and they will hand over and make  
human sacrifices  
of americans  
that's that's what this appears to that  
that's that makes it makes sense to me  
now  
because um  
and that's the thing is you know again  
this um  
the laptop of hunter Biden was all hush  
hush don't say anything about it but  
that mattered  
because that showed that this is a  
compromised leader  
somebody can pull his string somebody  
has control over him and now because of  
that control he's making

decisions  
that clearly are not in  
america's best interest  
so  
these people that they're trying to form  
alliances with uh it's only good it will  
lead to no assistance and no advantage  
only disappointment and disgrace and in  
fact uh judah themselves we're looking  
at the nation of israel today  
doing everything under their own steam  
under their own power  
not by god and it's going to lead to  
disappointment  
but this is pointing to a time when  
the what's coming from the north is such  
a big threat that they're going to seek  
help from the south and we know from the  
prophecies in daniel the king of the  
north is going to crush the king of the  
south so the king of the south will be  
no help at all to daniel verse 6  
a prophecy about the animals in the  
negev and the gap again is south is in  
the southern part of judah heading into  
egypt  
in a land of trouble and anguish  
of lionesses and roaring lions  
of vipers and poisonous flying serpents  
they carry their riches on donkeys backs  
and their treasures on camel's humps to  
a people who will not help them so the  
sense that we get here  
is they're going through  
the most treacherous parts of the desert  
in order to get to egypt  
and they're willing to put their lives  
at risk  
in order to carry these riches to egypt  
to appeal for their help  
and then this prophecy goes on to say  
verse 7  
for egypt's help  
is worthless

pointless  
so i call her arrogance doing nothing i  
think this is i love this translation  
so god's uh so  
from  
man's perspective  
egypt looks really powerful egypt looks  
really glorious so let's go to egypt and  
get help  
but from god's perspective  
he looks at egypt and calls her  
arrogance doing nothing  
and that is a great way i think to  
really describe the whole  
middle eastern gentile nations  
that really flaunt their glory  
and they they are not at all aligned  
with the god of the bible although they  
claim to be they are not at all and so  
all of this arrogance leads to nothing  
it's all vanity  
and now he says this  
i'm just going to read this from the  
king james as i just prefer the poetry  
here  
and then the phrasing now go  
write it before them in a table  
and note it in a book  
why why should the prophet write this  
down and record it permanently  
that it may be for the time to come  
forever and ever  
so god wants this relationship that he  
has  
with the covenant people and their  
rebellion against him  
he wants it recorded  
that it may be for the time to come so  
this prophecy was written thousands of  
years ago but here we are heading into a  
very dark future  
a time of trouble for jacob the likes of  
which the world has never seen that's  
what we're heading into we can see all

the clues and the evidence that we're  
kind of getting to this point of no  
return of the collapse of jacob  
and including in that collapse including  
in that great tribulation is judah in  
fact judah really is the focal point of  
the tribulation  
and god wants this recorded  
he wants it written down  
so that we who understand the good news  
of god's grace  
can preach this good news in the context  
of the rebellion of the covenant people  
that that the the kindness that's going  
to be shown to them has nothing to do  
with their righteousness  
it has everything to do with god's  
righteousness  
that if it was up to  
if it was based on merit  
if it was based on what they deserve  
then the great tribulation should  
completely wipe out and completely  
destroy and completely remove any trace  
of these people from the earth  
if it was based on merit  
but it's not based on merit  
it's based on covenant faithfulness not  
by them but by god so god wants this  
recorded in a book it's here recorded in  
the scroll so that this can never be  
erased this is going to be known as we  
go through this great tribulation  
he explains further  
i'll read from complete jewish bible for  
this is a rebellious people and that's  
how he opened woe to the rebellious  
children woe to the rebellious people he  
says this has to be noted this has to be  
recorded why it's in their dna  
for this is a rebellious people they are  
lying children  
children who refuse to hear the torah of  
jehovah

they just refuse to hear it  
and again although this is speaking of  
judah  
we can look at the nations to modern day  
nations of israel  
i see the same thing they just had to  
we just had to it's so important  
to get prayer out of the schools this is  
just youtube we've got to separate  
church and state it's just so critical  
we don't want to hear this in schools  
so we get rid of prayer out of the  
school  
and now we have pedophilia in the  
schools to replace it we go from prayer  
having children pray  
to praying upon children with pedophilia  
these are rebellious people  
lying children  
they don't want to hear the torah of  
yahuwah  
and and as it is with israel so it is  
with judah  
they say to the seers do not see you  
know we don't want to hear this we don't  
want to see this get  
get this scripture we don't want  
anything to do with jehovah they say to  
the seers do not see  
to those who have visions  
do not tell us the visions you have as  
they really are  
but flatter us  
fabricate illusions and i've got to say  
uh even in  
the church today the covenant community  
with the holy spirit we still like to be  
flattered  
we like the ministers who who make us  
feel good who tell us that we're better  
than the world who are always pointing  
the finger at how horrible the world is  
so that we can feel good about ourselves  
these are the messages we like

but when we get a minister or a pastor  
who points out to us our hypocrisy  
who points out to us the prophecies  
as they are  
who points out to us that jesus christ  
is angry and he's coming in fury  
and that he's not to be taken for  
granted we don't like that we don't want  
to hear that we don't we don't need we  
don't need to hear from that minister  
and if we're online we can just switch  
him off and find someone that find a  
joel osteen who's just so dreamy and has  
such nice such encouraging words for us  
that we're gonna make it and  
everything's gonna be fine and god loves  
us and god loves the world and name it  
and claim it and you know he has just  
wonderful thoughts toward us and  
everything's going to be fine  
meanwhile god's wrath is boiling over  
they don't want to hear that  
flatter us  
tell us how important and special we are  
this is the human  
dysfunction  
fabricate illusions for us just make it  
up and even if we know it's kind of made  
up because it makes us feel good we like  
this  
get out of the way  
leave the path  
rid us  
of the holy one of israel  
wow  
this is  
i'm not i'm not speaking we're not the  
prophet is not quoting gentiles  
who happen  
to come into the path  
of the holy one of israel and as they  
find out  
about the holy one of israel  
they really don't want anything this is

so foreign to them they don't want  
anything to do with them no no no  
this  
is what the covenant people  
the covenant community this is their  
response to their god  
leave the path get out and rid us we  
want take take take them away from us  
completely  
rid us  
of the holy one of israel and you see  
that again today  
in the western nations  
that have really built their glory  
based upon  
judeo-christian  
principles  
that you see this um protestant work  
ethic in these nations that you look at  
say the islamic nations and they don't  
have this  
that had it not been for the discovery  
of oil  
in in saudi arabia these people would  
never see any type of glory  
because they don't have this this work  
ethic that comes from the  
judeo-christian  
principles  
the god of the bible  
now  
having received this prominent position  
in the world  
we see this attitude of we want nothing  
to do with the christian god  
nothing at all we will bring in any  
other worshiper of any other god and we  
will even have human sacrifice  
to these gods  
because we want nothing to do with the  
god of the bible  
okay  
have it your way  
i i i hope it works out for you but how

is it worth since you took prayer  
out of the schools some i don't know 30  
years ago  
how is it going  
what do you are you seeing growth are  
you seeing prosperity or are you seeing  
decline and curses  
so they want they want nothing to do  
with the god of the bible and these are  
god's people  
therefore  
here is what the holy one of israel says  
because you reject this word  
trust in extortion and rely on deceive  
again this is speaking of judah but it  
might as well be speaking of israel  
because we we these uh western nations  
that are based on the judeo-christian  
ethic  
same thing  
you reject this word you trust in  
extortion and rely on deceit and again  
this recent debacle  
in afghanistan  
you just see this relying on deceit  
constant lies  
trusting in extortion  
this sin  
will become for you a crack bulging out  
high on a wall  
showing signs it is ready to fall so  
it's just ready to burst  
then suddenly all at once it breaks  
and this  
my friends is our future in the west  
canada america england australia and new  
zealand all these nations  
that have been built up to this this  
tremendous prominence in the world  
now  
are going backwards  
and they don't see it  
but it's going to come suddenly and all  
at once

and and you know those among us and i've  
heard it  
those among us who are looking forward  
to the collapse of america who are  
participating in bringing down america  
i i hope you're ready for what's coming  
i think those of us who are devoting  
ourselves truly to the word of god and  
who who don't want to say cause the holy  
one of israel to cease from before us i  
think we're just going to take it  
whatever comes comes  
we'll deal with it take one day at a  
time sufficient unto the day is the evil  
thereof but i think those of us those  
among us who are trying to make this  
world a better place and who are  
aligning ourselves with with pagan  
and  
secular movements to make this world a  
better place to make this world more  
just  
i don't know  
how you're going to cope with the  
disappointment that's coming and i pray  
for you i really do  
i really pray for you  
that you will see that these people that  
you're aligning yourselves with  
mean you no good  
they have no good intentions for you and  
i think that's becoming clear as we just  
see the way the these governments  
that some of our people are supporting  
where they're heading  
and what they're doing to their own  
citizens  
and their their hatred  
of the scriptures i i think it's  
becoming clear certainly it's clearer  
now than it was two years ago but maybe  
some of us still  
refuse to see  
because you reject this word trust in

extortion and rely on deceit this sin  
will become for you a crack bulging out  
high on a wall showing signs it is ready  
to fall then suddenly all at once it  
breaks and that is going to be tragic  
that is going to be painful

he says

he will break it

like a clay pot so god is doing this god  
is going to shatter this nation he will  
break it like a clay pot

ruthlessly shattering it into pieces so  
tiny not even a pot shard remains for  
taking fire from the fireplace or  
scooping water from the cistern so you  
think of a big vase let's say and it  
falls and it breaks into pieces well  
it's really useless except for you know  
some of the pieces maybe hey we could  
use that as a sort of a scoop that  
that's still useful no

it's not that the

the voice fell

it's that god took it and threw it down  
and shattered it with such force  
that there are no useful pieces  
that the pieces are now it's shattered  
so thoroughly that the pieces are so  
small none of them are useful  
this is what god is going to do  
personally to judah but he's going to do  
it through the wrought of his anger  
and then that's why judah is running to  
egypt to see if they can get help  
because god is going to use assyria to  
destroy judah

and this tribulation that's going to  
come upon the earth for three and a half  
years it's the time of jacob's trouble  
so we who have lived in the west  
particularly and enjoyed the prosperity  
of the west and he really the whole  
world has benefited from the prosperity  
of the west well that's disappearing

really really fast and it will suddenly  
be all gone  
you can certainly see the decisions  
these  
administrations are making they're not  
leading to a good place  
he says  
verse 15  
for this is what the lord god jehovah  
elohim the holy one of israel says  
here's what he says  
returning and resting  
is what will save you  
so they're making plans  
but not by god  
they're making plans but they're  
collaborating with egypt  
they're collaborating with the gentiles  
and god is saying it really doesn't have  
to be this way  
so  
because this is what you've chosen  
i personally am going to see to it that  
you are shattered  
but even in that shattering  
you can still be saved this is the good  
news this is the gospel according to  
isaiah  
that in returning and resting  
you can still have salvation  
calmness and confidence will make you  
strong  
but you know you don't want this you  
want none of this  
this is your salvation this is your  
strength  
but i for some strange  
dysfunctional reason  
judah wants nothing to do with jehovah  
now when he says  
returning and resting is what will save  
you  
this should bring to mind our go-to  
scripture

from moses from torah  
deuteronomy 30 verses 1 to 3 let's read  
it together again i know i've read it  
many times but once we've got this we  
can go anywhere in the scriptures and it  
all makes sense it kind of brings  
everything together deuteronomy 30 and  
verse 1.

and i'll read it from king james  
and it shall come to pass when all these  
things are come upon you all what things  
we just we should have just read  
deuteronomy 28 and 29 where there is a  
whole itemization  
of all of the blessings for obeying  
torah and all of the curses for  
disobeying torah and so moses before the  
children of israel go into the promised  
land he reads out to them all the  
blessings for obedience and the curses  
for disobedience and then immediately  
after saying the blessings and the  
curses he says and this shall come to  
pass this is your future  
when all these things  
come upon you the blessing and the curse  
it's not that you're going to have one  
but not the other you're going to have  
both  
which i have set before you  
and you shall call them to mind among  
all the nations  
where the lord your god has driven you  
he's going to drive you into these  
nations because you are cursed you will  
be cursed  
and then you shall return you shall  
repent  
when you're suffering  
serving these strange gods and these  
strange in these strange gentile nations  
and you're completely humiliated and  
destitute  
that then you're going to bring this to

mind

and you shall return to the lord your  
god and shall obey his voice according  
to all that i command you this day so  
you're going to be blessed and then  
you're going to be cursed

but this curse

is not to destroy you completely  
these curses are designed according to  
the covenant relationship and if you're  
in this covenant relationship you can't  
get out

there's no escape from the covenant  
relationship so you're in this covenant  
relationship you're going to be blessed  
because of the covenant that you've  
entered into and then you're going to  
stray from it and that doesn't absolve  
you of the covenant you are still in  
covenant and the curses that you will  
incur

demonstrate god's loyalty and  
faithfulness to the covenant but these  
curses are not to wipe you out because  
god is in an eternal covenant with you  
so these curses are to mend you  
to have you mend your ways so that  
ultimately you can be blessed forever as  
the covenant people and this peculiar  
people above all the other people on the  
earth that all the people of the earth  
are going to come to you and see god  
glorified in you so you shall return to  
the lord your god and shall obey his  
voice according to all that i command  
you this day so you will comply  
ultimately with torah

you and your children with all your  
heart and with all your soul  
so so something's going to happen  
that you will ultimately have your whole  
heart and soul in the torah and in your  
relationship with jehovah  
that then the lord your god will end

your captivity so he's going to drive  
you into captivity you're going to be  
severely punished  
but this great tribulation that befalls  
you  
is going to turn you  
and you're going to finally  
embrace this covenant relationship you  
have wholeheartedly  
god will get the fruit that he's been  
working for he's declared the end from  
the beginning  
that then the lord your god will end  
your captivity and have compassion upon  
you and we'll return and gather you from  
all the nations  
where the lord your god has scattered  
you that is the the original prophecy  
laid down  
by mooses and prophesied over the 12  
tribes of israel  
so israel now  
is being stubborn they don't want this  
relationship with god so god is going to  
have them cursed according to torah but  
that's not going to end the covenant  
relationship  
he says here verse  
but you said no  
for we will flee upon horses  
therefore shall you flee so yeah there  
might be trouble but we're going to flee  
from it and we'll be okay  
god says okay yeah you can flee  
you will you will certainly flee and you  
said  
we will ride upon the swift  
therefore  
shall they that pursue you be swift so  
you're making all these plans but not by  
god  
and god is saying okay do what you think  
is right but trust me when i say i'm  
going to destroy you when i say i'm

going to curse you that's what i'm going  
to do why because god is saying i'm  
faithful to my word  
i've laid down  
if you do this i will do this but if you  
do this then i will do this  
and so they have activated the covenant  
curses and god is demonstrating his  
loyalty to the covenant by by fulfilling  
the covenant curses  
so here here's a curse right here so he  
says they say oh we'll flee upon horses  
no problem we'll just flee upon horses  
god says yeah indeed you will flee oh  
we'll ride upon the swift god says yeah  
well those that pursue you they shall be  
swift  
so here in dude in  
isaiah 30  
this you're going to hear the  
deuteronomic curse  
he says here in verse 17  
1000 shall flee at the rebuke of one  
so you know you see the cowardice  
in in  
these western nations today these  
nations that were so powerful that sort  
of rugged individualism that our  
ancestors had it's gone  
it's gone  
now we're afraid of anything somebody  
sneezes and we're just so terrified  
we're afraid to die we're afraid to get  
sick we're just we must have constant  
comfort non-stop  
well  
now you have somebody let's say the  
taliban  
who we are just  
wholesale bringing over we don't know  
who's coming over  
so we give them 85 billion dollars in  
the most advanced military equipment the  
world has ever seen 85 billion dollars

worth  
and at the same time as equipping them  
over there  
we start to bring them wholesale  
into the west we don't know who they are  
we just oh yeah you're afghanis you're  
afghani come on in  
and meanwhile we leave the american  
citizens there  
this this is this is as i say it makes  
no sense unless it's part of a  
humiliation ritual  
where the elite have to demonstrate  
their loyalty to their overlords  
so  
you can see now when a terrorist comes  
in to the west  
and doesn't even do anything they just  
make a threat  
uh that we're gonna drop a bomb  
at this location pure panic  
no courage at all where are the men  
where's the backbone not zero cowardice  
one thousand shall flee at the rebuke of  
one  
the and this is speaking of israel  
who under solomon  
became the most powerful nation  
on the planet  
but this is their future one thousand  
shall flee at the rebuke of one at the  
rebuke of five shall you flee  
till you be left as a beacon upon the  
top of a mountain and as an ensign on a  
hill so you're just people just look and  
just see this is what becomes of a  
nation that betrays their god now this  
should have an echo of torah in  
deuteronomy 28 one of the curses of  
disobedience verse 25 the lord shall  
cause you to be smitten before your  
enemies you shall go out one way against  
them and flee seven ways before them  
so

you see today  
america no the world has never seen  
a military force like america's never  
this is this is power beyond imagination  
and it's it's kind of it's it's full of  
cowardice  
it's afraid it can't even a tiny little  
nation it can't fight with anymore so  
you go out one way against them and flee  
seven ways before them and shall be  
removed into all the kingdoms of the  
earth unfortunately that's the future of  
israel and  
that judah  
curse was upon all israel  
in deuteronomy 32 and verse 20 and he  
said this is god speaking i will hide my  
face from them  
god is known by isaiah as the god who  
hides his face from jacob  
and he said well i don't believe in god  
there's no god why would god let this  
happen  
because he's hiding his face from you  
so that you can incur all the evil that  
your deeds deserve  
and he said i will hide my face from  
them i will see what their end shall be  
well okay let's see how this works out  
for them all the decisions they're  
making are disastrous  
let them and they don't want nothing to  
do with me okay ron you go your way  
let's see how it ends up  
for they are a very froward perverse  
generation  
children in whom is no faith this is  
like this was written thousands of years  
ago  
this is written by by moises  
and what a perfect description  
of our society today  
children in whom is no faith a perverse  
generation

corrupt  
look what we do to our children i i  
that's something i will never understand  
who would harm a child  
and they do it wholesale  
wholesale  
with both hands gladly  
pervert the children  
destroy the children  
they have moved me to jealousy with that  
which is not god  
so there have the human sacrifice  
sacrificing these babies continually  
non-stop feeding molech  
and god is saying you have moved me to  
jealousy  
with that which is not god  
they have provoked me to anger with  
their vanities  
and i will move them to jealousy with  
those which are not a people so again  
you look at again this what's going on  
in afghanistan we would say for the past  
20 years these are not a people  
these are some primitive cave dwellers  
they're not to be taken seriously  
they're totally backward they have no  
power and suddenly  
i think by god's orchestration god  
allows it they have the most advanced  
military equipment the world has ever  
seen  
and god is going to he says i'm going to  
provoke them to anger with a foolish  
nation  
so this what the developments in  
afghanistan  
in iran  
in turkey  
all of this spells  
coming  
disaster for judah  
for the nation that we call israel that  
is surrounded by these islamic nations

they are now emboldened  
and people from all over the world or  
muslims from all over the world are  
going to go to afghanistan  
to train for jihad for the takedown of  
judah primarily and america secondarily  
that's what's happening now  
so these are people that are not a  
people and suddenly god is going to  
provoke  
them to jealousy  
they're going to see like how are these  
people doing these things they're not a  
people oh yes they are now they are  
i will provoke them to anger with a  
foolish nation  
or a backward nation  
for they are a nation void of council  
that's what isaiah says they're making  
plans but but not by me not by my spirit  
so god says they're a nation void of  
counsel they don't have any counsel  
neither is there any understanding in  
them again this was written thousands of  
years ago  
perfect description  
of our societies today  
there's just the leaders talk gibberish  
and nonsense and there's there's no  
common sense  
you you listen to them and you think is  
this real  
i have to pinch myself is  
is this reality  
is this how these people think  
can they not see the fruit of their past  
decisions that can they can't they say  
okay this isn't going anywhere or this  
is heading to a terrible place we need  
to change no they don't change course  
they double down in the in the in the  
stupidity  
[Music]  
there is there is neither is there any

understanding in them  
oh that they were wise  
that they understood this  
that they would consider their latter  
end if only they would think about where  
this is heading  
instead of being bribed and taking money  
now  
if you could think about your ultimate  
end where this is going what what you're  
doing to your your heritage  
but they won't  
how should one chase a thousand  
and two put ten thousand to flight again  
these are god's people like under  
solomon you think of how powerful uh  
that the tribe of judah was and and the  
nations of uh israel combined were most  
powerful glorious nation on the planet  
people all over the world came to  
jerusalem to see this glory and to see  
this to understand this great god that  
was behind the glory  
in the latter end one  
one  
will chase a thousand  
and you can see it today  
one taliban will chase a thousand  
americans we'll say a thousand canadians  
a thousand australians a thousand  
britons  
we have no strength  
how should one chase a thousand  
or two put ten thousand to flight  
except their rock had sold them  
and the lord had shut them up  
so people think oh you know think of  
again black lives matter their purpose  
was to get joe biden in power  
raise tens of millions of dollars  
who knows maybe billions  
hundreds of millions  
to get joe biden in office  
now that he's in office please if you're

black and you are part of this movement  
to get him in office write to me  
and tell me how you have benefited  
because from what i can see the whole  
nation is cursed and god is saying that  
he is behind this cursing  
because it's the people that don't want  
to hear the word of god  
and so he's behind them and he sold them  
he wants nothing to do with them  
and this is why you see 85 billion  
dollars worth of the most advanced  
military equipment gifted  
to cave dwellers to a foolish people  
who who are now becoming a powerful  
nation

[Music]

back to isaiah 30

and verse 18

and i will read again from the complete  
jewish bible

yet

jehovah

is just waiting to show you favor he's  
still in covenant with you he's just  
waiting speaking of judah to show you  
favor

he will have pity on you from on high  
for jehovah is a god of justice

happy are all who wait for him this is  
the true justice

this is the justice we wait for those  
who are premature running after social  
justice okay

you have your justice don't come to god  
now looking for his justice because you  
show you've chosen demonic justice so  
have that

and god is going to give you that full  
undiluted

you are going to get the fruit of  
undiluted social justice

but god is saying

blessed are they

who wait for him  
meaning we're not running after social  
justice we're not getting behind  
manipulators  
we're saying no we want nothing to do  
with these people  
we want god's justice he is a god of  
justice and we'll wait for him and we  
read in isaiah 25 when god does return  
and he's going to have this feast for  
all peoples  
on that day  
they will say  
see this is our god  
we waited for him to save us so among  
judah  
there will be people  
who get it  
because the gospel will be preached the  
gospel according to isaiah that's what  
christ preached the same gospel that's  
what paul preached they all preached the  
same gospel which is what moses preached  
this is the true good news  
and and there will be people who  
understand this and who are comforting  
judah who are informing judah of what  
the scriptures really mean  
and there will be then a faithful  
remnant  
and that faithful remnant when christ  
returns they'll be looking for him  
waiting for him and when he returns to  
save them they will say see  
this is our god  
and they're going to say this to their  
enemies we waited for him to save us  
this is jehovah  
we put our hope in him  
we are full of joy so glad he saved us  
people in zion who live in yerushalayim  
jerusalem  
you will weep no more so jerusalem is  
the focal point it's it's like the most

intense place of suffering  
future  
and it will be the most intense  
suffering the world has ever seen  
focused on jerusalem and then from there  
it'll ripple out and all of jacob will  
suffer but the intent the most intense  
suffering will be aimed at jerusalem but  
the prophet the good news the gospel  
truth  
is in jerusalem  
the people of zion will weep no more  
zion is a place  
that god is going to rule from it's a  
physical geography  
that christ is going to rule from the  
player  
they will weep no more  
at the sound of your cry  
he will show you his grace and this is  
this corresponds with matthew 24  
when he says  
unless those days should be shortened  
no flesh should be saved alive and i  
know a lot of people just sort of  
generalize this to say well there's so  
much nuclear  
power in the earth that the earth could  
be killed all the people on the earth  
could be killed a hundred times over and  
if christ didn't come  
then all the earth would be destroyed  
but that in context if you begin in  
matthew 23 and read matthew 23 and 24  
line by line carefully in context that's  
not at all what christ is saying  
in context the focus is on jerusalem  
and the intense suffering on jerusalem  
and the the abomination  
that will make jerusalem desolate  
and how if you're a jew at this time you  
better run for your life  
because  
there's going to be a devouring and a

destruction and a consumption of judah  
now  
the devil's agenda is to completely wipe  
every jew  
off the planet  
and once he's done with every jew of the  
planet he'll want to wipe all israelites  
off the planet  
this focus this this pathological hatred  
this murderous hatred of the jews  
god is not going to allow it to run  
object  
he is going to intervene  
because he's in covenant with them and  
he's going to stop it  
and unless he intervened no jewish flesh  
would be saved alive the devil would  
have his way and completely destroy  
every jew  
but at the sound of their cry he's going  
to show them grace that's why he said  
when he left or just before he was  
crucified you will not see me again  
matthew 23  
until you shall say  
blessed is he who comes in the name of  
the lord  
that's when he comes  
just before they're completely destroyed  
at the sound of your cry he will show  
you his grace on hearing it  
he will answer you  
and so this is why  
when the second isaiah which is in the  
archive this is the message to those who  
understand the gospel  
the good news is not this generic  
jesus loves everybody he's coming to  
save the world  
that's not the gospel  
the gospel is what isaiah teaches which  
is what moises taught  
which is what christ and the apostles  
taught

it's all the same gospel in fact we saw  
that in in hebrews  
that  
paul says and believes the apostle paul  
he says that  
the gospel  
didn't benefit  
our our forefathers  
and they heard the same gospel that the  
difference is we believe it they didn't  
believe it  
but he says it's the same gospel  
so we have to begin in torah and say  
what is the gospel what is the good news  
of torah and we just read it there in  
deuteronomy 30. that's the good news  
that although you you're on merit you  
should be completely destroyed that's  
not going to be your end  
on covenant you will be saved because of  
god's faithfulness that's the gospel  
message  
and all the prophets say this teach the  
same gospel and somebody understands it  
in this end time when it becomes vital  
and it's preached all over the earth and  
those who preach it are hated by all  
nations  
for his name's sake he's the holy one of  
israel he's the god of jacob forever and  
the gospel is intricately associated  
with his name  
with his identity and the nations hate  
it they don't want to hear this  
and so second isaiah begins with comfort  
and keep comforting my people says your  
god  
tell jerusalem to take heart  
proclaim to her that she has completed  
her time of service  
that her guilt has been paid off  
that she has received at the hand of  
yehovah  
double for all her sins so there is a

good news message here in isaiah  
specifically for jerusalem  
and somebody needs to be telling her the  
good news hey judah your god reigns  
and you should wait for him and so god  
says blessed are they who wait for him  
back to isaiah 30  
and verse 20  
and though jehovah  
may give you  
oh sorry this is a i don't know and  
though adonai may give you but bread and  
water  
and not very much of that  
your teacher will no longer hide himself  
the king james says yet shall not thy  
teachers they pluralize it be removed  
into a corner any more  
but your eyes shall see your teachers  
so  
from the hebrew to the english it's a  
judgment call is this plural or is it  
singular it could go either way  
i tend to lean to pluralizing it based  
on how this this word has been  
translated in similar contexts  
where it's plural and the teachers give  
the sense of of arrows  
arrows pointing at a target which is  
what the torah torah is the way and  
torah is like an arrow heading to the  
target bullseye  
that's what the teachers are doing  
they're teaching torah and they're  
enabling judah to live the right way and  
again because we understand the broader  
narrative of the bible  
teachers would make sense to us so those  
who are translating here in the complete  
jewish bible they might not understand  
it this way but it's the same it's the  
same sense  
that judah will not will no longer stray  
that there will be a resource if you're

a jew you'll have a resource there with  
you that's going to enable you to always  
make the right choice  
to be wise  
to to walk in council  
that is the future  
and we understand that that very much  
is the role that god is calling out  
first fruits today  
that when he returns we are going to  
participate in this role  
and that's really this  
feast that we're observing right now the  
feast of at one minute the feast of  
atonement is about god gathering in one  
israel and judah and israel and judah  
finally being at one with their god  
and and we as the teachers enabling this  
whole process to be fulfilled  
so then immediately after that then we  
can have the feast of ingathering where  
the gentile nations can now be invited  
to participate in this blessing from god  
and  
verse 21 then so explaining um what  
happens now that these teachers are in  
place  
and your ears  
shall hear a word behind you saying  
this is the way  
walk you in it this is the way walk you  
in it  
when you turn to the right hand and when  
you turn to the left now  
this is really interesting because what  
should come to mind here  
that finally remember judah is deaf  
deaf dumb and blind with respect to god  
but now they can actually hear  
so the curse has been lifted  
and in isaiah 6 remember isaiah 6 and  
verse 10  
make the heart of this people fat  
and make their ears heavy and shut their

eyes

lest they see with their ears and hear  
with their ear see with their eyes and  
hear with their ears and understand with  
their heart and convert and be healed  
and it's like that's the last thing we  
would want for these people to convert  
and be healed

well when we read in context of torah we  
understand that god doesn't want a  
superficial conversion he doesn't want a  
superficial repentance

he wants deep wholesale repentance he's  
going to be patient

and he's going to allow destruction upon  
destruction upon destruction until  
finally with that remnant he gets the  
wholehearted repentance

but isaiah in hearing this curse and  
understanding the destruction that's  
going to come upon these people because  
they will not hear the torah he asks in  
verse 11

then said i lord

how long

and he answered until the cities be  
without inhabitant

and the houses without man

and the land be utterly desolate so it's  
in that setting up of the abomination of  
desolation

that that's when finally this curse of  
blindness and deafness

and arrogance is lifted

and and from that point forward they can  
actually be at one with god

and and hear him and see him and

understand him and so now when the

teachers are there they're actually

listening

so continuing in isaiah 30 verse 22 i'll

go back to complete jewish bible

you will treat as unclean

your silver covered idols

and your cast metal images plated with  
gold you will throw them away  
like a menstrual cloths or like  
menstrual cloths  
you will say to them get out of here  
praise god they'll just there's this  
real sense of  
awareness now of the filth of this  
idolatry  
then he will give you rain for the seed  
you use to sow your land  
and  
the food that comes from the ground will  
be rich and abundant you can just see  
this is what we celebrated the feast of  
tabernacles this this vision of  
abundance well here it is for judah  
when that day comes  
your cat will graze in spacious pastures  
this is the good news this is the gospel  
according to isaiah  
the oxen and donkeys that work the land  
will eat a tasty mixture winnowed free  
of chaff  
spread by pitchfork and shovel  
on every high mountain and lofty hill  
will be streams of flowing brooks  
on a great slaughter  
when the towers fall  
so this blessing on judah  
will be in a day of great slaughter so  
who's being slaughtered well deuteronomy  
30 let's go back to torah i'll read from  
the king james  
and the lord your god  
will put all these curses that we just  
read in deuteronomy 28 and 29 coming  
into deuteronomy 30.  
you'll put all these curses upon your  
enemies and on them that hate you  
which persecuted you  
so as he comes and some people have this  
view and i've even heard it among  
minister in the church oh jesus is just

coming to save everybody that's not what  
the bible  
says the bible says if we read zechariah  
12 uh zechariah 12 carefully the bible  
says he's coming to save judah  
and as he saves judah and gathers israel  
he's going to curse  
those who persecuted her so there's  
going to be this this  
uh  
this  
great war  
in the valley of decision here  
where god is going to show these gentile  
nations how deceived and how wrong they  
are even though he's using them to drive  
judah and israel to repentance  
so all these curses are going to be on  
the enemy so  
you can see here in verse 25 this  
blessing and curse dynamic or this  
contrast  
the people of judah  
are enjoying these streams and flowing  
brooks and this blessing of  
fresh water on a day of great slaughter  
because he's coming to save judah while  
he slaughters revelation  
1 i believe is verse 7  
says all the tribes of the earth are  
going to mourn when christ returns  
because he's not returning to bless them  
he's returning to curse them  
verse  
26 of isaiah 30  
moreover  
the light of the moon  
will be as bright  
as the light of the sun  
and the light of the sun will be seven  
times stronger and when we read i think  
it's in isaiah 60  
i might be mistaken there but there's a  
place where he says that

jerusalem is going to get an upgrade  
that brass will be turned to  
silver and silver will be turned to gold  
and everything all the beauty is going  
to be upgraded but here now he says the  
moon is going to be as bright as the sun  
and the sun will be seven times stronger  
and then what we know in the temple and  
when christ comes  
the rest of the world will benefit from  
the sun and the moon jerusalem won't  
even need it  
like the light of seven days in one  
on the day jehovah binds up the wounds  
of his people and heals the bruise  
caused by the blow  
so again he's returning to save his  
people that matthew 24 unless he  
intervened  
none of his people  
would be left alive  
but he intervenes to save his people and  
when he does that he's going to destroy  
her enemies  
here comes the name of jehovah from afar  
so it seemed like he was so distant  
and here he comes  
his anger burning what did i say earlier  
christ is angry  
and we have to tell the brethren  
christ is returning in fury  
we cannot take him for granted  
we give we cannot have this view  
that oh god just loves everybody he's  
coming in sandals to give the world a  
hug  
this is not the god of the bible  
when we read the scriptures and we see  
how far  
his people have strayed from the  
scriptures and how evil this world is  
and how god's people are excelling even  
the gentiles in evil  
then we know christ is coming in fury

and so says the bible  
here comes the name of yahuwah from afar  
his anger burning  
in thick rising smoke  
his lips are full to the brim with fury  
his tongue a consuming fire this  
brethren is the god we serve  
this is the god we serve this is the god  
we preach  
because he is a god of love  
and because these people are destroying  
children's lives  
that's why he's coming in anger  
this is his creation made in his image  
and likeness this is why he's coming in  
anger  
now he says  
his tongue a consuming fire  
this brought to mind  
um hebrews 12  
and verse 27  
which i'll read from king james  
and this word yet once more  
signifies the removing of those things  
that are shaken  
as of things that are made  
that oh sorry this is not the scripture  
that i wanted  
um  
probably it's just a little bit up  
beyond this analysis  
let me just go back here  
i was i say uh  
sorry brother let me just see here  
what's going on  
i wanted hebrews 12 where am i  
just give me a moment we'll get back  
here  
hebrews 12.  
okay  
yes we were here we got here  
blessing  
and then we come down to right here he  
was 12 27 give me a moment

hebrews

12 27

yeah i should have gone to 29 so um

hebrews 12 27 let's just take it a

little bit further

he says shaking those things are

remaining wherefore we receiving a

kingdom which cannot be moved let us

have grace

whereby we may serve god acceptably

implying

there there's a way

and there can be a people

who serve god

unacceptably so just because we're

serving god just because we keep the

feast days

doesn't make it acceptable

just because we bring offerings

doesn't make it acceptable

so the apostle is warning here we are

receiving a kingdom which cannot be

moved

let us have grace

whereby we may serve god acceptably with

reverence and godly fear

and maybe that's something that

in the church of god we're beginning to

lack

reverence

we feel we can just show up we're coming

to the the great god

on the high day

don't come in a t-shirt

well it's just god

you know we participate in

immoral acts that's just god he's

forgiving he loves everybody

that sounds like a way of serving god

that's not acceptable he's a great king

we come with our offerings before a

great king

with reverence

and godly fear

so again sometimes our ministers perhaps  
are giving the impression now god loves  
everybody and everything is acceptable  
no it's not  
and everything is not acceptable we  
serve a great king  
let us that we may serve god acceptable  
acceptably with reverence and godly fear  
why  
for our god is a consuming fire  
that's our god  
you see like a fire that when you see  
these wildfires  
and they just move so quickly and just  
consume everything in their path  
that's our god that's an excuse that's  
an image  
of our god  
so isaiah says here  
his lips are full to the brim with fury  
his tongue  
a consuming fire  
that's the god we serve  
verse 28 his breath is like a racing  
torrent that rises up to the neck  
to sift the nations with the sieve of  
destruction remember the gospel is being  
preached at this time  
by those who understand the name of god  
and as it's being preached  
all nations hate them  
they hate this truth that's being  
preached  
and all nations then agree together to  
surround jerusalem and to destroy the  
jews and to remove them from the land  
now when god comes he's coming to sift  
the nations  
because this gospel message is being  
preached and in all the nations there's  
going to be repentance  
so he's coming to sift the sheep from  
the goats  
and these nations that do not get on

board with the gospel that are so  
entrenched in their bizarre ideology  
that they cannot repent well he's coming  
to sift them  
to destruction  
and put a bridle in the people's mouths  
to lead them astray  
so this is um like god is saying it's  
like with pharaoh  
you want this i'm going to let you just  
go a full full uh full intensity in the  
direction that you want  
so the the phrasing in the scriptures he  
hardened pharaoh's heart meaning he  
allowed pharaoh to have his way  
and then that just emboldened pharaoh  
further in that way  
well today the enemies of judah are  
going to be emboldened in this way  
and they're going to have an ideology  
that that they just get totally oh this  
is so true and they think this is the  
right way to go and god is going to  
allow it have your way it's going to  
completely lead them astray  
but he says while these people  
are going to be destroyed  
he says to judah  
your song  
will be like one that is sung on a night  
when a holy feast is kept  
meaning  
when the feast is kept they're singing  
and again the the nations today  
are doing everything they can they want  
nothing to do with the god of israel and  
so singing is illegal you cannot sing  
churches can cannot assemble and they  
certainly cannot sing hymns  
because that's the devil's agenda  
god's agenda he wants to he wants  
singing  
he's a god that loves music  
loves praise with music

and so the song of judah will be like  
one that is sung on a night when the  
holy feast is kept and your hearts will  
be happy  
as if walking to the sound of the flute  
to the mountain of jehovah  
to the rock of israel  
jehovah  
will make his glorious voice heard  
and he will reveal his arm descending  
with furious anger in a flaming  
firestorm there it is again he's coming  
with furious anger in a flaming  
firestorm with cloudbursts tempests and  
hailstones and this should just bring us  
to mind of what we studied together in  
the book of revelation which is in the  
archives just quickly revelation 6 12  
then i watched as he broke the sixth  
seal and there was a great earthquake  
the sun turned black as sackcloth born  
in hornay  
worn in mourning and the full moon  
became blood red and the stars fell to  
the earth just as a fig tree drops its  
figs when shaken by a strong wind  
the sky receded like a scroll being  
rolled up and every mountain and island  
was moved from its place and the then  
the earth's kings the rulers the  
generals the rich and the mighty indeed  
everyone slave and free hid himself in  
the caves  
and among the rocks in the mountains and  
said to the mountains and the rocks  
fall on us  
and hide us  
from the face of the one sitting on the  
throne  
and from the fury of the lamb the bible  
is consistent  
and the god we preach for preaching the  
true god we're preaching a god of fury  
that this god that's returning is

returning in fury and he's a consuming  
fire and hide yourself  
and those of us in covenant let's serve  
him acceptably  
with reverence  
and godly fear how is your reverence and  
godly fear as we gather together  
for this feast of atonement how is our  
reverence  
and godly fear  
so everybody flees from the fury of the  
lamb for the great day of their fury has  
come  
and who can stand we'll just finish off  
here in isaiah 30 verse 31 for jehovah's  
voice will terrify  
this is interesting  
in in  
the king james he's called the assyrian  
here in  
the complete jewish bible asher  
we were talking about egypt  
and judah's faithlessness  
and running to egypt  
now we're talking about god's return  
and suddenly we're talking about assyria  
and specifically the assyrian  
the assyrian is the antichrist  
and last week i may have made a comment  
that the assyrian is in the middle east  
that today  
what we anciently called assyria would  
be turkey syria iran part of iraq  
all of that those nations  
are  
anciently assyria  
and descendants from assyria this is the  
statement i made last week descendants  
from assyria have made their way into  
afghanistan so afghanistan is made with  
many many tribes many different  
different tribes and they they are  
different factions in the war against  
each other but certainly a syrian

descendants  
are in afghanistan today and then i  
believe one of the brethren posted to  
say well i thought the assyrians were  
german  
well why  
when i came into the church i was  
certainly told that that assyria is  
germany  
but that really if we're talking  
genetically that doesn't make sense  
you look at these germans blonde hair  
blue-eyed  
they don't come from the middle east  
they come from northern europe  
you look at their language which is a  
proto indo language indo-european  
language  
the assyrians spoke a semitic language  
and there's no trace of semitic language  
in the german language  
it's a  
proto-indo-european language  
so the you know the reason we say i  
believe the reason we say  
assyria is germany  
is because in the 1950s 60s 70s coming  
out of two world wars  
where germany led the the or initiated  
the wars global wars and showed a level  
of brutality which was  
really unprecedented and specifically  
against the jews that that all seemed to  
match  
what we were looking for and if we  
believe that this was the end we  
wouldn't think there's yet another  
kingdom to arise  
so we look at that and we think oh this  
must be the fourth beast of daniel  
and therefore it's germany and germany  
has the the assyrian has traits of real  
ruthlessness therefore germany is  
assyria

but there is no genetic argument  
for germany being assyria  
and here we are in 1972 and we're  
through well by my watch it's 2021  
and we're not through  
a lot of time has passed coming up some  
50 years since 1972 and we're through  
and a lot has happened  
and we're seeing now the resurrection of  
the ottoman empire

so

these ottomans again turkey this is  
ancient assyria

and then we see the hatred of judah and  
judas being surrounded by these islamic  
nations in my opinion this is just my  
opinion

it makes a lot more sense for us to look  
to the middle east and also i think what  
happened was in understanding israel  
and the the identity of israel  
coming to understand that okay the bible  
has a lot to say about israel and  
america being the most powerful nation  
the world has ever seen britain being  
the most expansive  
empire of the world has seen

we

then saw that oh this is about israel  
and we basically forgot about judah and  
we made the bible a book about modern  
israel

and therefore the whole geographic focus  
shifted from the middle east to america  
when we can't do that

we've been reading the bible is very  
specific and this is why the pub was  
very puzzling why why does the bible  
talk about little nations like like moab  
you know why does it talk about these  
small nations

with the descendants of lot

what what did it talk about them and it  
doesn't talk about america

therefore we have to find oh america is  
israel that's why well yes that's why  
but more specifically  
because the bible is focused on judah  
and specifically jerusalem  
and we have to locate jerusalem  
geographically on the map and once we've  
done that we look north for the king of  
the north and we look south for the king  
of the south  
and and geography plays a part in these  
prophecies  
so i'll just say that again this is  
my opinion  
and i'm advocating for us to look to the  
middle east to watch jerusalem and watch  
what is happening with the nations that  
surround jerusalem  
so in the end the antichrist is assyrian  
and when christ returns he's going to  
crush the assyrian  
and so he says here  
reading from  
the complete jewish bible for adonai's  
voice will terrify the assyrian  
as with his scepter he strikes them down  
every sweep of the punishing rod that  
jehovah imposes on him will be to  
tambourines and liars  
as he brandishes his arm against them in  
battle so there's going to be music and  
singing and celebration as christ  
crushes the assyrian  
for the tophit fire pit  
has long been ready  
prepared for the king made large and  
deep and so this is just a part  
of the middle east i believe it's in  
egypt that  
oh actually it's in judah  
that  
just was constantly burning the concept  
of the the henna fire and thus saying  
this this fire pit has long been ready

prepared for the king made large and  
deep with plenty of wood and blazing  
with fire  
like a stream of sulfur jehovah's breath  
sets it aflame he's a consuming fire and  
he's coming to destroy the wicked and  
those who are faithful and wait for him  
are going to be truly truly blessed so  
that brings us up to isaiah 30.  
god willing will continue in a couple of  
weeks with isaiah 31  
as i mentioned a couple of weeks because  
next week  
is the feast of tabernacles  
and i will not be doing the wednesday  
night bible study during the feast of  
tabernacles but god willing i will be  
doing a daily study  
during the feast of tabernacles and i'll  
probably broadcast at 9 00 a.m eastern  
time  
during the feast at least  
six or seven days  
during the feast  
we'll see i'm going i think i know which  
book i want to cover  
i will do a daily study during the feast  
if you're unable to see it live it will  
be in the archive brethren thanks so  
much for being with us this evening  
may god bless you may he bless your fast  
and your observance of this high holy  
day of the feast of atonement have a  
wonderful feast of tabernacles and god  
willing we'll gather back on wednesday  
night in a couple of weeks god bless you  
brethren  
good night  
you
