well welcome back everybody to wednesday  
night bible study and tonight we are up  
to isaiah chapter 34 and also god  
willing we'll cover chapter 35 as well  
if i could just get confirmation that i  
am coming through loudly and clearly i  
would appreciate that i will begin with  
the word of prayer oh there we go pastor  
murray video and audio are good thanks  
so much pastor murray let's open with  
the word of prayer and then we can jump  
right into this evening study  
our heavenly father we  
come before you as we always do as our  
custom is  
to ask your blessing upon our study  
father to  
ask your blessing upon our understanding  
that you would deepen our understanding  
that you would deepen our faith and our  
conviction  
especially lord as we live in such a  
dark  
and troublesome time  
that we would be among those fathers who  
have peace  
who have strength  
who have vision  
all of that informed by your word and by  
the ancient prophets and so we just  
thank you god that we can gather  
we  
praise you for how you've intervened  
with our sister lisa  
and just  
continue to give you thanks for the  
progress that she's making  
we have not heard the progress of our  
sister christy romine

whom we come to you father  
seeking your mercy seeking your healing  
mercies upon her and her family  
just thank you god for her faithfulness  
and just how she  
represents you so well when so many have  
displayed  
their lack of faith in the social media  
arena  
we just thank you god for sister  
christie's conviction  
and her faithfulness and we ask your  
healing mercies upon her  
be merciful upon all of us father we  
live in a troublesome time as i said and  
we just thank you god that your word  
stands forever we just pray for a deeper  
understanding and we ask this in jesus  
holy name amen  
so we are  
studying this evening  
chapters 34  
and 35 let me just go ahead and share my  
screen  
so that we can get right into this  
evening study  
and i just wanted to go back to  
isaiah chapter 33 where we were last  
week  
and here you'll see that he says woe to  
you that spoils so he saw the previous  
curses  
upon his people for their faithlessness  
33  
we saw a change  
and this time the curse  
was upon  
the assyrian the antichrist  
uh woe to you that spoils and you were  
not spoiled that deals treacherously and  
they dealt not treacherously with you  
so we saw that  
cursed last week and then we saw in  
verse 10

of chapter 33 where god says the god who  
hides himself  
from jacob he said  
now will i rise  
now  
will i be exalted  
now  
will i lift up myself  
as if to say  
up until this point  
he was absent  
up until this point  
you could take him for granted  
up until this point you could say  
whatever you wanted about the lord  
not anymore that ends now and it's quite  
amazing as i was thinking about this how  
today you can't say anything  
in the western world anyway against the  
transgender  
movement  
or or people that occupy this role these  
are the high priests of our society  
and dare anybody say anything against  
them you will be immediately canceled  
but you can say anything you want about  
christ  
that's the world we live in  
transgenderism is sacred  
christ is blasphemy say whatever you  
want about him but don't you dare  
speak out against the transgender  
even if they are raping children in  
bathrooms you just turn a blind eye  
this is the world we live in  
and god permits it  
he hides himself he hides his face from  
jacob  
not anymore as of verse 10 now he arises  
now he's exalted now he lifts up himself  
and so that's the context with which we  
come into  
chapter 34. chapter 34 and verse 1  
come near

you nations  
now god is addressing the nations  
where a lot of time he's been speaking  
specifically to his people  
now he's speaking to the gentiles  
come near you nations to do what  
to hear and hearken you people  
let the earth hear  
and all that is therein so god is now  
moving in such a way  
and this is how we know that isaiah's  
prophecies  
although there was a near-term  
fulfillment  
that fulfillment was partial  
and as we look at his prophecies it's  
clear  
they were not fully  
fulfilled in the time of isaiah or  
shortly thereafter  
that christ said he came to fill to the  
full  
and this clearly has not happened  
where all the nations come  
and they listen to god and there's no  
back talking  
and there's no blasphemy  
now they're humbled and they must listen  
so all nations must hear and hearken  
let the earth hear  
and all that is therein  
the world  
and all things that come forth of it  
and we see this parallel  
in the psalms and we'll be returning to  
the psalms god willing after this but  
you know the psalms bring to life  
emotional life  
at the collective level at the national  
level but also on the very personal  
level  
the suffering and the redemption of  
god's covenant people and here in psalm  
33 and verse 10 which which is in the

archive he says jehovah brings the  
council of the heathen to nothing  
the councils the plans  
and boy do these heathen have plans  
and and the antichrist has plans to rule  
the whole earth but nobody can stop  
satan's puppet  
but god can  
and he brings the plans of the heath  
into nothing  
he makes the devices of the people of  
none effect  
and these are very very smart people we  
would call them today the technocrats  
very very clever people the the  
kleptocracy  
clever devices  
and god is going to bring all of it to  
nothing so says the psalmist the counsel  
of the lord  
so the wicked have their counsel the  
wicked have their plans but the plans of  
jehovah  
stand forever  
i would advise the nations to figure out  
what the plans of jehovah are because  
they stand forever  
the thoughts of his heart to all  
generations  
it's i think it's a good idea to figure  
out what are the thoughts of god's heart  
because they cannot be stopped what are  
his plans  
because they cannot be undone he speaks  
and it is so  
so this is what we see in the psalms in  
psalm 49 and verse 1 speaking to the  
nations he says hear this all you people  
give ear  
all you inhabitants of the world so we  
sort of hear echoes of isaiah here  
both low and high the psalmist says  
rich and poor together so this is a  
message for everybody to listen to and

we see this in revelation 6 again this  
is in the archive verse 15 and the kings  
of the earth and the great men and the  
rich men so these are the elites and the  
chief captains and the mighty men  
but also  
every bond man  
and every free man they all hid  
themselves they had their plans  
they thought things were going a certain  
way everybody bowed down to the mark of  
the beast because it looked like hey who  
can make war with the beast might as  
well go along  
and now  
they're hiding themselves god says now  
will i rise the god who hides himself  
from jacob he stops hiding himself  
he reveals himself and now the wicked  
great and and small rich and poor they  
hide themselves they hid themselves in  
the dens in the dens and in the rocks of  
the mountains and said to the mountains  
and the rocks fall on us  
and hide us  
from the face of him  
who sits on the throne  
and from the wrath of the lamb so he  
sits on the throne  
and on the wrath of the  
lamb but he hides himself he hides his  
face from jacob  
now his face is there for all to see  
even the wicked see his face  
and they want to hide they they need  
they need uh  
refuge from him  
and from the wrath of the lamb  
for the great day of his wrath has come  
and who  
shall be able to stand and this is what  
isaiah is going to be talking to us  
about in 34 and 35 the great day of his  
wrath that has arrived and none will be

able to stand none of the wicked will be  
able to stand  
in chapter 26  
of isaiah again this is in the archive  
verse 21 for behold  
jehovah  
comes out of his place  
and and what is he coming out of his  
place to do when he reveals himself when  
he says now will i rise now i'm going to  
exalt myself what is he coming to do  
the lord comes out of his place to  
punish  
the inhabitants of the earth  
for their iniquity  
and you know  
christ warned us that  
iniquity would abound  
and it is certainly abounding  
every day every week every month it's  
getting worse and worse  
every year is worse than the year before  
and we ain't seen nothing yet  
by the time christ is to return  
the iniquity will just be to the full  
remember the days of noah  
that that violence and and blasphemy was  
all over the earth well  
as in the days of noah that's how it's  
going to be when christ returns  
and so  
this does not go unchecked  
so the righteous just have to be patient  
look for true justice that only god can  
deliver  
because he will deliver it and this is  
it he's going to rise and he's going to  
come out of his place now will i rise he  
says now will i exalt myself  
he says he's going to do that and come  
out of his place to punish  
the inhabitants of the earth for their  
iniquity  
the earth also shall disclose her blood

and shall no more cover her slain in  
other words god is coming just to slay  
a lot of human beings  
human life is not his kind of  
paradoxical on the one hand  
human life is way more valuable  
than any of us can imagine  
and on the other human life is worth  
less than an animal  
it just depends on which side of the of  
the line you are  
have you gone over to worship satan to  
accept the mark of the beast  
those that have their life means nothing  
they're going to be wiped out and god is  
going to slay many christ is going to  
slay many this is the christ when we say  
we love his appearing when we're looking  
for his appearance we're looking for  
justice from his hands  
that's what we're looking for  
to end this this iniquitous earth  
and on the other hand  
those who receive the holy spirit  
those who are impregnated by god  
our lives  
are  
way more valuable  
than even the imagination can comprehend  
but here these are the wicked and god is  
coming to that the earth is going to  
disclose her blood so the blood is  
running in people's veins you can't see  
it well blood is going to be everywhere  
when christ says now will i rise now the  
lord comes out of his place and blood is  
everywhere this is this is christ this  
is the true christ  
and the true ministers of god are going  
to preach the true christ the false  
ministers  
the false teachers  
are going to present to christ that  
everything's fine

every christ loves everybody relax it's  
okay nothing to worry about  
the true ministers of god are going to  
present god as he presents himself in  
the bible  
and he is furious  
he is full of wrath and we only need to  
look at the iniquity on this earth and  
and understand  
why he's so angry  
but we're going to understand more here  
so again isaiah 34 and verse 1  
come near you nations to here  
you you nations that have rejected god  
you nations that have  
collaborated with the beast the  
antichrist the assyrian  
now you come in here  
and hearken you people let the earth  
hear  
all the earth that has accepted the mark  
of the beast come now and hear  
and all that is therein  
the world and all things that come forth  
of it  
for the indignation of the lord is upon  
all nations  
this is christ  
is this the christ that you know is this  
the christ that your ministers are  
teaching  
this is the christ  
that is returning the  
indignation  
of jehovah  
is upon all nations come you nations in  
here why because god's indignation is  
upon you  
and his fury  
upon all their armies  
okay now we're getting a bit more detail  
it's not just their iniquity  
his anger is upon their armies so they  
are organized in a sense we we have this

one world government now and the armies  
are all in collusion together under this  
beast who can make war with him  
and  
they have an objective  
and it's not god's objective  
he has utterly destroyed them he is so  
wrathful against these armies that he  
has utterly destroyed them the earth has  
disclosed her blood he has delivered  
them to the slaughter  
what are these armies doing christ tells  
us in luke 21 and verse 20 he says that  
we have to watch  
and when we see jerusalem surrounded  
with armies  
that's when we know that the desolation  
is near so these armies are going to  
surround jerusalem all of the earth army  
are going to agree we have to destroy  
the jews  
these armies are going to surround  
jerusalem and zechariah 14 verses 1 and  
2 they're going to wreak havoc  
upon jerusalem and the cities of judah  
and for that they're going to incur  
god's  
undiluted wrath his indignation against  
these armies for working with satan  
and working against his covenant god has  
a plan he has a council and satan is  
trying to stamp out that council and  
these uh unfortunately  
uh  
gentile nations  
have agreed together  
to work against god's counsel he says in  
isaiah 34 and verse 3  
their slain that is the wicked these  
armies that are against god that are  
against jerusalem  
their slain also  
shall be cast out  
and their stench

shall come up out of their carcasses  
that's pretty graphic  
i should have really said viewer  
discretion or or listeners discretion is  
advised that's pretty graphic  
human beings human bodies  
are going to be strewn all over the  
place  
and and there's going to be so many  
there's no burial  
they're just there  
rotting  
and their stench  
shall come up out of their carcasses  
and the mountains shall be melted with  
their blood  
god means business this is jesus christ  
doing  
this is the christ we serve this is the  
christ we are looking for his appearing  
is this the christ your ministers are  
acquainting you with  
joel  
sees the same thing  
he says in joel 2  
that then  
will jehovah  
be jealous for his land  
and pity his people  
this is the prophecy  
this is the future this is the sure word  
of god  
this is how we have to understand the  
world that the world is turning to  
darkness  
and this darkness ultimately because  
it's uh governed by satan  
this darkness ultimately will result in  
the destruction of jerusalem that is the  
high priority item on satan's mind so  
the human beings  
who who give themselves over to satan  
they're just puppets  
they're just pawns they don't really

understand the high-stakes chess game  
that they're involved in because they're  
just going to allow themselves to be  
pawns and to be used not all are pawns  
some are a bit higher chess pieces but  
they're still being  
managed and manipulated and orchestrated  
by satan because they've given  
themselves over to him  
and it's all about the land  
and the people remember he said  
that he will be like the most high  
really he wants to be the most high he  
will replace the most high and he wants  
all the world to worship him and he he  
needs he's so insecure he needs this  
adoration and to show god that he's  
better  
but now god has had enough  
and he's jealous for his land that means  
the wrong people are in the land  
he has covenanted with israel  
that this land is promised to israel  
that's part of the covenant  
and israel has been removed from the  
land  
and the wicked the canaanites are in the  
land and now god is jealous for his land  
now will he rise now will he exalt  
himself and now he's going to make  
himself known  
and he's jealous for the land that he  
promised to his people and he's going to  
have pity upon his people  
yes  
yehovah will answer and say unto his  
people  
behold  
is people who are in famine is people  
who are enslaved his people who are  
denigrated and being destroyed  
behold  
i will send you corn  
and wine

and oil  
and you shall be satisfied there with  
again just think of the images of the  
holocaust  
of the communists  
how how destructive  
these governments were  
this this was just a foretaste this was  
sort of a dress rehearsal  
of what is to come and so that will come  
according to the covenant but then so  
will god and he'll put an end to this  
and so these people  
will be satisfied  
with the provisions that god  
will provide for them and nobody can  
take them away nobody can take this  
provision away  
and i will no more make you a reproach  
among the heathen this is the the  
immediate future  
that the jews  
and israel  
specifically the jews but also israel  
the northern tribes descendants of the  
northern tribes modern day israel  
will also be a reproach  
that that's the the heathen are going to  
have the upper hand  
and their narrative is going to be the  
dominant narrative  
and the people of the covenant are going  
to be  
vile  
the people of the covenant are going to  
be cursed  
and a reproach  
and then god will rise  
god will exalt himself and that will be  
the end of the covenant people being a  
reproach and the heathen being in the  
dominant position  
i will no more make you a reproach among  
the heathen

but i will remove far from far off from  
you  
the northern army  
so yes the armies are going to surround  
jerusalem  
but there's one army in particular that  
is the dominant force  
and it's the army of the king of the  
north  
it's the army of the antichrist  
and through joel we can understand here  
that only god this this force will be so  
great who can make war with him  
god can  
jesus christ can  
the messiah he can  
but i will remove i will  
remove far off from you the northern  
army  
and will drive him into a land barren  
and desolate  
this is what joel sees  
this is what isaiah saw  
and both of them are just  
bringing into high definition and focus  
what mooses saw  
in a sense mooses you might say gave us  
kind of a low resolution  
understanding of the future and along  
comes joel and isaiah and the other  
prophets to give us high resolution or  
higher resolution  
but i will remove  
far off from you the northern army and  
will drive him god will do this the way  
he did with pharaoh i will drive him  
into a land barren and desolate  
so there he is in the promised land  
benefiting from the the abundance of the  
promised land and god's saying i'm going  
to drive him into a barren and desolate  
land  
with his face toward the east sea and  
his hindu part toward the utmost sea

and listen same thing that isaiah saw  
and his stench  
shall come up  
and his ill-server or smell shall come  
up  
because he has done great things  
meaning he has done great blasphemy  
he has done great things great blasphemy  
and this is why he's going to be  
slaughtered by god and his armies  
fear not  
o land  
that is the promised land  
as much as satan is motivating  
this end-time satanic leader  
to pollute the land  
and to bring his idolatry into the  
promised land so that satan can be god  
and and and do the things that he knows  
god wants to do he wants to do these  
things to show himself as the most high  
so he wants to take over the promised  
land with his  
idolatry and have the people worshiping  
him there  
but god says through joel fear not hold  
land  
be glad and rejoice and isaiah is going  
to say the same thing to the land  
be glad and rejoice  
for jehovah will do great things he has  
done great things but god is going to do  
great things and the council of the  
heathen will come to nothing and god's  
counsel shall stand back to isaiah 34  
and all the host of heaven shall be  
dissolved  
again isaiah sees this  
all the host of heaven shall be  
dissolved these are the stars  
and the heavens shall be rolled together  
as a scroll  
and all their host shall fall down  
and the leaf falls off from the vine

and as a falling fig from the fig tree  
so when the fig tree is ripe  
the fig falls from the tree  
so he says here  
that the heavens are going to be rolled  
together as a scroll and the stars are  
going to fall from heaven  
this is exactly so christ was actually  
repeating  
isaiah's prophecy and christ we know was  
very familiar with the prophecies in  
fact when he began his ministry he  
quoted from the prophet isaiah so here  
he is quoting from the prophet isaiah  
immediately after the tribulation of  
those days  
shall the sun be darkened so there there  
is a sequence here  
that first there's tribulation upon the  
covenant people  
then there's these signs in the heavens  
and then god shows himself  
immediately after the tribulation of  
those days shall the sun be darkened and  
the moon shall not give her light and  
listen  
and the stars shall fall from heaven  
and the powers of the heaven  
shall be shaken  
he says in matthew  
in verse 35 of matthew 24 heaven and  
earth shall pass away  
but my words  
shall not pass away and this brethren  
is why we can have such confidence  
we walk by faith  
not by sight  
and the faith that we walk in is in the  
word of god  
this word can never pass away christ  
said so  
in fact this word is so supreme  
that even the heavens and the earth  
shall pass away meaning they will give

way and there will be a new heaven  
and a new this heaven and earth this  
configuration as we understand it today  
it's going to yield and give way  
to a new earth and a new heaven  
but god's word once he's spoken it it  
will never pass away  
it will never leave it it's it's it's  
and this is why it's solid this is why  
islam is such a blasphemy  
in these islamic countries that are  
ruled by sharia  
the bible  
god's word is illegal  
if you get caught with a bible  
you will be destroyed in fact that's  
what's happening right now the  
biden administration has left american  
citizens behind turned their back on  
them  
betrayed them  
any christians that are in afghanistan  
they don't care  
this is this current administration  
they're going out of their way to bring  
muslims to america and to roll out the  
red carpet for them and make sure that  
they're looked after but christians  
they've left them behind it's private  
groups that are trying to get in there  
to get the christians out not the  
government  
so  
his word  
will never pass away  
these  
taliban  
are going from house to house give me  
your cell phone oh unlock the phone  
and if they see the bible  
on your phone you're going to be  
tortured probably killed  
because the bible is illegal  
well satan can do what he wants

but the word of god will never pass away  
and the god of islam is not the god of  
the bible i've even heard christians say  
oh it's the same god allah just means  
god in arabic no it does not  
how dare you say that  
this is this is how dare you  
allah is the opposite  
of god  
allah is the opposite of jehovah  
and that's why he wants to stamp out the  
word of god but you cannot  
the word of god is forever  
he says here and this is what he meant  
as well when he says now learn a parable  
of the fig tree  
when his branch is yet tender and puts  
forth leaves you know that summer is  
near and eventually the fig will ripen  
and it will fall to the earth meaning  
this prophecy that all the hosts of  
heaven shall be dissolved and the  
heavens roll together as a scroll and  
all their hosts fall down as the leaf  
falls off from the vine and as the  
falling fig from the fig tree there's a  
time  
there's a time when all of this will  
ripen  
and come to pass  
back to isaiah 34 and verse 5  
for my sword  
shall be bathed in heaven this is  
this is jesus christ  
this is the christ we worship  
he's no pushover  
he just hides his face from jacob  
but we know him  
and we love his appearing  
and we understand his appearing  
and we understand the extent of the  
wickedness  
the apostasy the rebellion the iniquity  
that that is on the earth and will be on

the earth  
just as christ returns  
but he's bathing his sword in heaven  
he's a warrior  
he's a warrior king  
and he's coming to do slaughter this is  
jesus christ  
yeshua  
hamas the messiah  
for my sword shall be bathed in heaven  
behold  
it shall come down listen to this  
this is isaiah this is end time  
my sword  
shall be bathed in heaven behold it  
shall come down upon i do mia  
that is edom  
and upon the people of my curse  
to judgment  
okay  
it seems to me  
that when jesus christ returns  
he has a specific controversy  
with the people of edom  
these are arabs  
these people are south of the promised  
land they're arabs  
the area that we call jordan today not  
necessarily jordanians but the area that  
we call jordan the arabs that were there  
were and they've mixed with  
people and spread out and and no doubt  
they've mixed up into assyria as well  
as esau mixed himself  
and his wrath  
is with the  
now  
tell me  
this is end time prophecy  
what is the religion  
of the arabs in the middle east  
is there a religion in the middle east  
an ideology a way of thinking that hates  
the jews

that sees it as their sacred duty to  
eliminate the jews  
because god is saying he's going to  
rescue his people and he's going to  
destroy those armies that are going to  
try to destroy  
his covenant people  
so it seems to me that islam  
is featured in prophecy  
in the end time and people try to say no  
no this is germany god is going to come  
in he has a controversy with germany and  
he's going to destroy germany i don't  
see that in the prophecies  
yes germany caused two world wars  
but that doesn't mean that they're going  
to cause the third  
that doesn't mean that germany has this  
fixation on jerusalem  
you know hitler didn't care about  
jerusalem  
it was the the  
imam of jerusalem that cared about  
jerusalem it was the muslims that took  
over jerusalem  
so here we see  
a conflict over jerusalem  
and god bathing his sword in heaven to  
deal with the muslims  
the muslim armies  
who are destroying his people  
this is just the prophecy i didn't write  
the bible i'm just reading it  
upon a people of my curse to judgment  
ezekiel says this regarding the sword  
son of man prophecy prophesy and say  
thus says yehovah say  
a sword  
a sword is sharpened  
god has a whetstone and he's sharpening  
his stored for slaughter  
a sword a sword is sharpened and also  
polished  
verse 11

and he has given it to be polished this  
he means business it's gonna come and  
it's shining  
that it may be handled  
this sword is sharpened  
and it is polished  
to give it into the hand of the slayer  
the earth is going to disclose her blood  
the people who have decided  
to destroy the covenant people they have  
no idea  
the trouble that they are in god takes  
this personally  
and he's going to deal with them  
personally  
verse six  
the sword of the lord  
this is jesus christ  
this is not god the father  
this is jesus christ  
the sword of jehovah is filled with  
blood now why would it be filled with  
blood did somebody fill it with blood  
and then hand it over to him or did he  
fill it with blood  
is he the lord of hosts the god of  
armies  
and is he the protector and redeemer of  
israel and judah the sword of the lord  
is filled with blood it is made fat with  
fatness and with the blood of lambs and  
goats  
with the fat of kidneys of rams  
for the lord has a sacrifice in basra  
and a great slaughter  
in the land of idumea  
this is prophecy  
this is end-time prophecy  
god is coming  
against the arabs  
that  
many arabs are repenting  
many arabs are turning in fact what's  
happening now in afghanistan

they are creating just as iran  
they are creating more christians as a  
result of the naked violence of islam  
that people are seeing this the same  
thing with uh isis  
people see this and then see them  
quoting scriptures that they didn't know  
that this is all coming out of the quran  
this is all coming out of hadith and  
common sense tells them this can't be  
god  
this this isn't right  
and then they turn  
to christ  
we need to make sure that they turn to  
the right christ that they turn to the  
right gospel the true gospel  
nevertheless they are turning from islam  
to christ so when we say the arabs we  
don't mean you know generally speaking  
all arabs are cursed but those that  
engage  
in cursing the descendants the covenant  
descendants of abraham god says if you  
curse abraham you're cursed you bless  
abraham you're blessed  
so it's the covenant descendants even  
the quran acknowledges that israel has  
the covenant  
the sword of jehovah is filled with  
blood so it goes only has a sacrifice in  
basra  
basra and a great slaughter in the land  
of idomia  
back to ezekiel  
son of man  
end time prophecy  
set your face against mount sir  
seir is in edom  
mount sir belongs to esau  
son of man  
set your face against esau  
and prophesy against mount sir and say  
unto it

thus says the lord god  
behold o mount seir this is what  
ezekiel is saying  
ezekiel is not making this up off of his  
head  
he was instructed to tell esau the  
descendants of esau edom  
mount seir tell them what god has to say  
what does god have to say i am against  
you  
i am against you  
and i will stretch out my hand against  
you and i will make the most desolate  
this is reality this is not just an  
ancient reality this is the future  
that unless we acknowledge  
that the world is governed by this  
dynamic  
that god has a covenant with jacob  
that esau had the covenant he rejected  
it he despised it  
and the covenant passed from esau and  
the birthright passed from esau to jacob  
and god despised esau because he  
despised the covenant  
and he blessed jacob with the covenant  
and that dynamic is reality  
that dynamic is reality and esau or edom  
or adam  
mankind without covenant  
they are the enemies of god  
that's reality  
that's the reality and so god says  
through the prophet i'm against edom  
god is angry with edom and he has not  
fully unleashed his wrath upon edom but  
it's coming i'm against you and i will  
stretch out my hand against you and i  
will make you most desolate that's just  
what joel said  
joel said these people will be made  
desolate isaiah says these people will  
be made desolate ezekiel says these  
people will be made desolate jeremiah

says these people will be made desolate  
all of this comes from mooses who said  
this curse of desolation that's upon you  
when you repent god will take it from  
you and you'll put it on your enemies  
that hate you

here it is i will make you most desolate  
i will lay your city's way so edom and  
and

assyria and all of these surrounding  
armies have been laying the cities of  
judah way so much so that christ had to  
say if you find yourself in judah at  
this time and in jerusalem at this time  
run for your life

these people will show no mercy  
get out run for your life and don't turn  
back

now after all of that desolation god  
says okay now i'm going to protect my  
people and i will lay your city's waste  
and you shall be desolate and you shall  
know that i am yehovah do the muslims  
today know who god is  
no they don't but at this time they will  
know

because you have why will they finally  
know and why will they be desolate  
why will god act to treat them this way  
because you have had

a perpetual hatred  
this is it this is the reason why this  
dynamic

between esau and jacob

it's perpetual

it's perpetual

and you you you people

have hated

my people

perpetually

this is what's going on in the earth

today

this is what god when when god returns

this is the dynamic he's addressing

so people want to make things up that  
are not in the bible this is what's in  
the bible  
because you  
have had a perpetual hatred  
and have shed the blood of the children  
of israel by the force of the sword  
have you seen the flag of arabia  
with a sword on it  
to shed the blood of the jews  
have you seen how they always are  
chanting khaibar khaibar reminding the  
jews of what happened at khaibar  
they are obsessed with the destruction  
of the jews  
and this obsession what what islam has  
done  
is it has sort of formalized the hatred  
and it has organized all the arab tribes  
into one collective tribe with a  
perpetual hatred a formalized hatred and  
and religious justification for this  
hatred the hatred was always there it's  
perpetual it was there from the  
beginning  
what islam did was kind of bring all the  
tribes together under one umbrella with  
a formalized religious hatred  
that was already there let's just let's  
just give it uh justification  
religiously  
well you've had this perpetual hatred  
and you've shed the blood of the  
children of israel how  
by islam  
by the force of the sword in the time of  
their calamity  
in the time that their iniquity had an  
end so they they were driven to this  
point of repentance but you kept going  
therefore  
as i live  
this is god's swearing as i live  
says the lord god

i will prepare you unto blood  
and blood shall pursue you  
since  
you have not hated blood  
even blood  
shall pursue you who says today  
we love death  
more than you love life who says that  
today  
god says okay what you're saying today  
thousands of years ago god recorded it  
but this is how god says it that you  
have not hated blood  
yeah you love death it's the same thing  
by saying you've not hated blood it's  
actually saying you love death  
and blowing yourself up and killing  
killing killing and suicide bombing you  
just have this this covenant with death  
but since you say you you you've not  
hated blood then blood shall pursue you  
god has bathed his sword  
and here back to isaiah 34 all the  
prophets agree  
isaiah 34 and verse 7 and the unicorns  
shall come down with them and the  
bullocks with the bulls  
and their land shall be soaked with  
blood and their dust made fat with  
fatness so unicorn is not some imaginary  
animal it just means that these are wild  
bees so think rhinoceros you know  
there's wild beasts with big horn  
these are just wild beasts  
that  
everything god is going to have such  
destruction  
that all these wild animals are going to  
go down at the same time that god acts  
against edom and and blood will be  
everywhere it's going to be such  
destruction not just human blood but all  
the animals as well are going to be uh  
slaughtered as well

for it is the day this is why  
it's the day  
of jehovah's vengeance  
he  
is  
furious  
it's his it's like he's been holding  
back holding back holding back really  
just waiting  
for the remnant to appear  
waiting for all of this to result  
in the remnants repentance according to  
the prophecy of moses  
deuteronomy  
and and he's holding back holding back  
holding back now will i rise he says now  
will i exalt myself  
and now he's going to act and unleash  
his anger and this is the day finally  
this is the day of the lord's vengeance  
and the year of recompense for the  
controversy of zion oh  
there's a controversy over zion  
hitler didn't have a controversy over  
zion who has a controversy over zion  
who is saying that jerusalem belongs to  
them who is saying that they must have  
jerusalem and that the mosque must be  
established in jerusalem and the jews  
must be removed out of jerusalem because  
it's theirs who has this controversy  
over zion in the end time  
just before christ returns  
well this is it this is the time this  
this this controversy over zion  
causes god  
god's wrath and indignation  
in this this year of the the day of  
vengeance in the year of recompense this  
is how christ began his ministry to  
proclaim the acceptable year of the lord  
and then he stopped  
he didn't continue  
but the rest of it is and the day of

vengeance of our god to comfort all that  
mourn  
this vengeance is against idomia  
this vengeance is against assyria it's  
against these armies  
and his his redemption  
is toward his people  
to comfort those that are there why are  
they mourning  
because armies surround them and are  
slaughtering them  
zechariah 14 1-2  
and now god is coming to comfort them  
that's how christ began his ministry  
verse 9 isaiah 34  
and the streams thereof  
shall be turned into pitch  
there's gonna be so much fire  
that that now you see asphalt  
and the dust thereof  
into brimstone  
and the land thereof shall become a  
burning pitch i wouldn't want to be in  
edom at this time  
i wouldn't want to collude with or have  
any alignment with the beast at this  
time i wouldn't want to be have i  
wouldn't want the mark of the beast at  
this time  
this is the time of god's wrath and it  
is going to be so thorough god is going  
to unleash this wrath  
undiluted  
it shall not be quenched this this fire  
that god's going to unleash it shall not  
be quenched night nor day the smoke  
thereof shall go up forever from  
generation to generation it shall lie  
waste  
none shall pass through it forever and  
ever  
that's what and just remember this is  
these are great palaces great wealth  
i've been to the middle east i've seen

how they uh put these mosques they're  
just  
fabulous you walk into these mosques and  
they're so beautiful  
they put churches to shame  
you walk into some churches and they're  
dirty they're grimy these mosques are  
spotless you get the sense that  
something great must be going on here so  
these are now this is like that  
times a thousand  
this is extreme they're establishing  
their dominance and the greatness of  
their god and and there's luxury and  
gold and silver and these palaces  
everywhere and god says  
that  
he's going to burn all of it up  
and from generation to generation it  
shall lie waste how dare you basically  
god is saying how dare you  
how dare you usurp the covenant from my  
people  
it from generation to generation god is  
putting this down it shall lie waste  
none shall pass through it forever and  
ever god is like i'm done with this this  
is never happening again malachi  
saw the same thing  
malachi 1 and verse 4 he says whereas  
edom says  
we are impoverished so god is working  
against edom and they're going to  
acknowledge their impoverished  
but after this impoverishment  
they're going to say  
we are so great we are such great people  
allahu akbar  
we will return and build the desolate  
places they just they won't give up  
they just won't let this thing go  
we will return and build the desolate  
places thus says jehovah of hosts it's a  
vote

they shall build okay they're going to  
try  
but i personally this is what god is  
saying this is the end time prophecy  
they will build okay they're going to do  
that  
but i personally will see to it that  
whatever they build i will throw it down  
i will destroy it  
and they shall call them  
this this is what they'll be known as  
the border of wickedness  
and the people against whom  
jehovah has indignation forever  
we've got to warn these people  
we've got to preach the gospel because  
the many will hear this  
many know this can't what they're  
involved in can't be right  
and they've got to hear the true gospel  
and they've got to hear these prophecies  
and god says that this conflict  
this is the focal point of his attention  
this is the focal point of his attention  
what happens to jerusalem and how these  
people behave so presumptuously  
that because of this they will be known  
as the border of wickedness  
and they will be known as the people  
against whom the lord has indignation  
forever  
that's edom  
and it has to do with this conflict  
between esau and jacob  
and your eyes israel  
shall see  
you will see this  
and you shall say  
this is like christ saying in  
matthew 23 you won't see me again  
until you shall say blessed is he who  
comes in the name of the lord here he  
says to israel  
when all of this goes down

your eyes shall see and you shall say  
jehovah will be magnified from the  
border of israel so whatever this  
conflict is  
that is perpetual it's a perpetual  
hatred and a perpetual competition  
god is going to put an end to it  
and those people who have the perpetual  
hatred will be known as the people  
against whom the lord has indignation  
forever  
and they'll be known as the border of  
wickedness  
but israel will say that yoho will be  
magnified from the border of israel the  
land of israel will be glorified  
back to isaiah 34 and verse 11.  
but the cormorant  
some kind of bird believe it's a pelican  
and the bittern probably an owl or sorry  
this is a  
this is more like a ground animal like a  
badger or a beaver or something like  
that so the pelican and the beaver say  
shall possess it  
wow so this land  
will be so destroyed and and edom will  
think that they'll rebuild and god says  
no i'm going to make sure it remains in  
utter ruin and because it's in utter  
ruin  
that the wild animals  
they're the ones that are going to  
possess it  
the owl also and the raven shall dwell  
in it so so there will be no  
civilization  
and he  
that is god shall stretch out upon it  
the line of confusion  
and the stones of emptiness this is  
interesting in genesis 1 and verse 2  
after this conflict  
with god and with satan trying to

overthrow god it says the earth  
became  
tohu vavohu  
tohuvavohu  
which means without form and void that  
tohu vivohu is what we see here in  
ezekiel 34. the line of tofu  
and the stones of vohu tohuva-vohu  
so so  
it's like what satan inflicted upon  
creation  
god is now going to inflict on satan's  
empire  
back to isaiah 34 and verse 12  
they shall call the nobles thereof to  
the kingdom  
but none shall be there  
and all her princes shall be nothing  
this is why we walk by faith and not by  
sight  
because by sight  
these people are going to be glorious  
these people are going to seem so  
spectacular think of pharaoh in the time  
of ancient egypt  
these people are going to be spectacular  
and if you walk by sight there's no hope  
this is it these people seem so  
permanent they're so established  
but if we walk by faith  
all of that is passing away all of it  
and they're going to call the nobles the  
leaders of their kingdom  
and then none will be there  
and the princes will be nothing they'll  
be reduced to nothing  
and thorns shall come up in her palaces  
nettles and brambles in the fortress  
thereof we walk by faith not by sight  
the word of the lord is the word of the  
lord  
so as spectacular as these buildings and  
palaces and this kingdom is going to be  
we don't care

we don't care it's passing away it's all  
temporary it's going to be destroyed and  
never to be rebuilt  
and thorn shall come up in her palaces  
nettles and brambles you sort of have to  
see through the present day to see the  
future  
now what's real god's word is real  
what's permanent god's word is permanent  
what's passing away man's designs man's  
plans  
and thorn shall come up in her palaces  
nettles and brambles in the fortresses  
thereof  
and it shall be a habitation of dragons  
and a court for owls like god is just  
giving us this vivid through isaiah this  
vivid high definition  
vision  
of the future  
the promised land will be established  
and it will be glorious  
the land of idumea  
the muslim empire the islamic empire  
will be destroyed  
and wild animals will inhabit it all the  
glory the glorious princes and  
everything that we'll see  
it will be inhabited by wild animals  
the wild beast he just really emphasizes  
this the wild beasts of the desert  
shall also meet with the wild beasts of  
the island  
and the satter shall cry to his fellow  
the screech owl shall rest there and  
find for herself a place of rest so it's  
just this wilderness  
all of this glorious empire  
and all the gold and the glory of it  
will be reduced to rubble and nothing  
and never will be rebuilt and it's just  
going to be overtaken  
by really wild beasts and animals  
there shall the great owl make her nest

and lay and hatch  
and gather under her shadow  
there shall the vultures also be  
gathered everyone with her mate so  
they're just gonna just live their life  
unhindered  
seek you out this is really interesting  
now isaiah says  
seek you out the book of jehovah  
and read  
that's what we're doing  
we we've sought out the scriptures and  
we're reading why because the word of  
god is here and the understanding of how  
the world is going to unfold it's all  
here so isaiah is telling his people  
seek you out the the scroll of the lord  
and read it study it  
study to show yourself a workman that's  
approved  
seek you out the book of the lord and  
read  
no one of these shall fail  
so through isaiah he's given incredible  
detail of what is going to happen  
and now isaiah is saying not a single  
word that i have prophesied will fail it  
shall all come to pass exactly as i have  
prophesied it this is why we walk by  
faith and not by sight  
no one of thee shall fail  
none shall want her mate so he talked  
about the vultures and the owls and  
these wild beasts  
all just living living life in what used  
to be a glorious empire  
none of these wild beasts shall want her  
mate they they won't they will just be  
living unhindered  
why  
isaiah says for my mouth it has  
commanded  
and his spirit  
it has gathered them so i've spoken the

prophecy and the spirit of god is going  
to make sure that it's fulfilled  
and he has cast the lot for them  
and his hand has divided it unto them by  
line so in other words god is  
orchestrating this  
and he's the one that decides by lot who  
gets what  
and all of this  
destruction and wilderness god has  
assigned to edom  
and the fact that the the wild beasts  
will now live in this land  
god has assigned that  
his hand has divided it onto them by  
it's a very precise measurement god god  
isn't joking  
he has precisely measured out the  
promised land  
this is for israel the 12 tribes of  
israel and it's all measured out  
and this destroyed empire  
this this massive destruction  
that that will never be rebuilt this has  
been measured out very precisely and  
carefully by god and it's for edom  
they shall possess it forever this is  
these wild beasts possess this forever  
from generation to generation shall they  
dwell therein just this uninhabited land  
they'll just reproduce do whatever  
they'll live unhindered there isaiah 35  
the wilderness  
that now by contrast  
the wilderness and the solitary place  
shall be glad so this we look at the  
complete jewish bible there's no for  
them is a strange translation just the  
wilderness  
and the solitary place shall be glad  
so there's been a lot of destruction  
around the promised land and it's turned  
into a wilderness god is reversing  
things

the the the destruction and the  
wilderness  
the destruction of god's land  
that's now just wilderness and the  
exaltation  
of uh the  
god is going to reverse it he's going to  
bring down edom make that wilderness and  
then they destroyed promised land that's  
turned into desert and wilderness he's  
going to glorify that  
all the the bombing and the constant  
destruction he's going to turn all that  
around so this is now in contrast to  
chapter 34 which is the destruction of  
edom  
in the end time  
the destruction of edom the destruction  
of babylon the destruction of assyria  
all middle eastern all muslim today  
they're all combined  
they're all combined  
to represent the rebellion against the  
covenant  
the wilderness and the solitary place  
shall be glad  
and the desert shall rejoice and blossom  
as the rose  
it shall blossom abundantly  
and rejoice even with joy and singing  
the glory of lebanon shall be given unto  
it the excellency of carmel and sharon  
they shall see the glory of the lord and  
the excellency of our god so again  
we i think i mentioned this last week  
you know if we lived in the time  
when when isaiah says the glory of  
lebanon the excellency of carmel and  
sharon this would mean something to us  
today you know speaking to canadians if  
i said you know the beauty  
of of lake louise  
the the glory of banff  
these are images in in canadians minds

or people who visited there  
these are spectacular places  
so this is the the notion that that  
isaiah is getting across and these  
banff and lake louise would probably  
pale into insignificance compared to the  
glory of lebanon and the excellency of  
carmel and sharon  
they shall see the glory of the lord and  
the excellency of our god so god's going  
to turn this destruction  
of jerusalem around and to judah the  
cities of judah and the promised land  
all of the war in the war-torn area it's  
going to be glorified  
and these islamic palaces and glory  
that's going to be destroyed  
so then because of this understanding  
because we read the book and understand  
he says  
strengthen you  
the weak hands  
and confirm the feeble knees so this is  
speaking of the jews  
because of their enemies they are  
terrified  
but god is saying i'm going to act  
i'm going to redeem them  
so you who understand my prophecies you  
who have read the book who've read the  
scroll who understand what i have spoken  
who understand my counsel  
speak the truth  
preach the gospel  
say unto judah behold your god  
so that they can be strengthened in the  
truth  
strengthen you the weak hands and  
confirm the feeble knees this is how  
second isaiah begins  
comfort you comfort you my people  
who who's my people the jews  
people under the covenant  
comfort the jews

so so somebody needs to understand the  
will of god  
so that they can comfort the jews  
comfort you comfort you my people and  
this has to be read in context it can  
mean nothing other than the covenant  
jewish physical jewish people who are  
who are suffering in the end time that  
those who understand the true gospel the  
gospel according to isaiah the gospel  
according to christ the gospel  
throughout the scriptures from genesis  
to revelation  
comfort you comfort you my people says  
your god  
speak you comfortably to jerusalem  
somebody understands  
and they're able to tell even though the  
jerusalem is in the middle of war  
and destruction and terrorism somebody's  
able to comfort jerusalem and say it's  
just a little longer hang in there  
your god is coming  
speak you comfortably to jerusalem and  
cry unto her  
that her warfare is accomplished  
that her iniquity is pardoned  
because she has received of the lord's  
hand double for all her sins so the  
covenant curse was upon her but it's  
about to be relieved  
because  
the the isaiah prophecy said isaiah  
asked well how long well this is going  
to go on they don't understand  
until  
the cities have been made desolate  
until the abomination that makes  
desolate well that's what's happened now  
so now that curse can be relieved the  
people can be seen it can can be can  
repent can be healed can can be redeemed  
and somebody understands this and is  
able to preach this truth

isaiah 35 verse 4 says say to them  
that are of a fearful heart this is  
again speaking of the jews specifically  
but somebody somebody  
who is in the first fruits community  
who has read the scroll and understands  
it  
say to them that are of a fearful heart  
that don't understand  
that they are they are the covenant  
people but they don't have the right  
understanding say to them that are of a  
fearful heart be strong fear we know  
you're hated  
we know armies have moved in to destroy  
you but be strong and don't be afraid  
behold your god will come with vengeance  
even god with a recompense a reward he's  
gonna give to the wicked everything they  
deserve everything that they've earned  
behold your god will come with vengeance  
this is the day of god's wrath  
even god with a recompense he will come  
and save you that's why he says now will  
i rise  
now will i be exalted now he's going to  
act to redeem his people and to punish  
the wicked  
in isaiah 40 and verse 9 he says o zion  
that brings the gospel  
so there's a zion that needs to be saved  
there's a zion that that needs to be  
restored but  
when we read the passage here there's  
also a zion that is the first fruits of  
zion there's also a zion that has the  
gospel  
and their job our job is to bring that  
gospel  
get you up into the high mountain  
get as high as you can get get on the  
airwaves  
get into the radio towers and broadcast  
the gospel

you first fruits of zion that understand  
the scroll  
that brings the gospel  
get you up into the high mountain o  
jerusalem that brings the gospel not  
jerusalem that's been under warfare that  
has no clue that's of a fearful heart  
yes that's jerusalem but that's not the  
jerusalem we're addressing we're  
addressing the first fruits of jerusalem  
that has the gospel o jerusalem that  
brings the gospel lift up your voice  
with strength lift it up you don't be  
afraid  
say to the cities of judah christ says  
if you're in the cities of judah at this  
time run for your life  
now he says to first fruit zion say to  
the cities of judah that are running for  
their lives behold your god  
behold your god  
isaiah 35 and verse 5  
then the eyes  
at this time now  
the eyes of the blind shall be opened  
well  
why are so many blind  
is it all the terrorist attacks all the  
suicide bombs the shrapnel getting to  
the eyes of children  
all of this destruction so much  
blindness  
and the ears of the death shall be  
unstopped why so many death  
so many bombs going off that their their  
ears are just blasted out and there's  
just ringing in their ears and they  
can't hear anything anymore  
well when god comes to redeem his people  
all of that blindness will be gone  
that deafness will be healed  
then shall the lame why are so many lame  
why are so many crippled  
because of all this terrorism all of

this warfare  
but somebody understands the good news  
and is able to say to them be strong  
you're going to be redeemed and you're  
going to be healed  
then shall the lame man leap like a deer  
and the tongue of the dumb sing  
some maybe they're just so shell-shocked  
they can't speak  
they're just they're just stunned by  
what they've gone through and they're  
just in shock  
but god's gonna relieve all of this and  
they will be able not just to speak  
they'll be able to sing  
for in the wilderness  
shall waters break out and again this is  
the wilderness of the promised land all  
of these the the you know the way satan  
works you know i i can't have it neither  
can you  
so if he cannot have the promised land  
he's going to destroy it because all  
this warfare  
you know they must have jerusalem not to  
beautify it to destroy it  
so this will this desert this will this  
uh destruction that they've created  
in that destruction shall waters break  
out  
and streams in the desert  
now this  
lame man  
leaping like a deer  
we had a foretaste of it in fact the  
eyes of the blind  
being opened  
and the ears of the deaf being unstopped  
this was what christ did when christ was  
doing these healings he was giving a  
foretaste of his return of what he will  
do on mass writ large when he returns  
and this lame man leaping like a deer  
when we see the book of acts which is

the continuation of the ministry of  
christ through the apostles through the  
holy spirit that's in the archives  
lineuponlinebibleacademy.com that's in  
the archives the study of acts but we  
see here in acts 3

peter

continuing

the ministry of christ

and this special these special healings  
to point to what we're reading in isaiah  
right now

peter said silver and gold have i none

but such as i have give i you

in the name of jesus christ

of nazareth rise up and walk

and he took him by the right hand and

lifted him up and immediately his feet

and ankle bones received strength

and he leaping up stood

like a deer he leaping up is a man who

was lame he leaping up stood and walked

and entered with them into the temple

walking and leaping like a deer and

praising god

so

all of this destruction upon judah all

of the blindness that it will cause all

of the deafness that it will cause all

of the crippling that it will cause god

is going to heal all of that and the

jews will be fully restored

and praising god

and the parched ground shall become a

pool

and the thirsty land springs of water

in the habitation of dragons where each

lay shall be grass with reeds and rushes

so the land of edom will be full of

dragons

and jerusalem and judah the cities of

judah that were full of destruction and

wilderness and dragon god's going to

restore all of that and it's going to be

glorified  
so what what looked like no life could  
ever be there again it's going to be  
full of luscious grass  
with reeds and rushes  
and not only that he goes on to give us  
this high definition vision  
and a highway shall be there and away  
and it shall be called  
the way of holiness  
so you know i was thinking about this  
today actually  
we see  
today images  
of this huge migration  
you see all these long lines these  
caravans  
long lines of human beings  
walking  
into the israelite nations  
you see these caravans these migrations  
in a sense this is satan's exodus  
he's showing look at me i'm god i'm i'm  
orchestrating this  
but it's a pale imitation of what's  
going to happen here that those images  
though are helpful  
because now if we can flip that  
and instead  
picture jews  
and the descendants of israel  
walking along a highway  
to jerusalem that there's going to be a  
highway  
that they can just walk into jerusalem  
after all of this war and destruction  
these migrants  
the descendants of jacob are going to be  
able to walk along this highway  
and come into jerusalem to worship so  
it'll be called the way of holiness  
the unclean  
shall not pass over the people of edom  
the canaanites

those who are in rebellion against god  
they're not welcome  
it's not just open border and anybody  
can come no it says no no no no  
only though it's the way of holiness  
and the unclean shall not pass over it  
but it shall be for those  
the wayfaring man  
though fools  
shall not air therein so even though  
you don't really fully understand  
once you're on this highway  
you will be guided your teachers will  
appear behind you saying this is the way  
walk you in it because you're of the  
covenant and you've repented and you  
might not have full understanding but  
you're going to be instructed your  
teachers are going to appear  
in isaiah 11 and verse 16  
he spoke earlier of this highway he says  
and there shall be a highway for the  
remnant of his people that's who the  
highway is for the remnant of his people  
which shall be left from assyria  
like as it was to israel in the day that  
he came up out of the land of egypt so  
this is the second exodus is going to be  
a far greater exodus they're coming from  
assyria assyria is the antichrist or the  
king of assyria is the antichrist  
and and  
all of these slaves  
as they were in egypt these slaves will  
be in assyria  
and there's going to be a highway  
sorry not from germany from assyria it's  
going to be a highway from assyria to  
jerusalem there's going to be a highway  
from egypt to jerusalem from the king of  
the north king of the south these these  
migrants can migrate then from their  
captivity into jerusalem along the way  
along this highway

he says  
back to isaiah 35 and verse 9  
no lion shall be there  
nor any ravenous beast shall go up  
thereon  
it shall not be found there  
but the redeemed shall walk there so  
this is amazing  
they will be safe  
even though they're walking along this  
highway  
you're not going to have wild animals  
attacking them that would be a great  
fear they're going to walk unmolested  
unhindered they're on their way to be  
with their god  
we'll end here just the last verse of  
isaiah but before we do that the the  
redeemed shall walk there how how are  
they redeemed these jews that are the  
redeemed and israelites that are the  
redeemed how are they redeemed christ  
says in matthew 20 28 even as the son of  
man came  
not to be ministered unto but to  
minister  
and to give his life  
a ransom for many  
these redeemed that are going to be  
walking along this highway the way into  
jerusalem the way of holiness  
these redeemed are redeemed by the blood  
of christ  
they have accepted their messiah finally  
that the blindness has been lifted the  
spiritual blindness has been lifted and  
they finally say blessed is he who comes  
in the name of the lord they're released  
from their captivity  
isaiah 61 and verse 1 they're released  
from their captivity their captors have  
released them and just the way you saw  
them leaving egypt in the ancient  
ancient israel leaving egypt now we see

them leaving assyria  
and coming into the promised land  
and the reason they can do that is the  
blood of the lamb they've accepted the  
blood of the lamb and so it's his blood  
that ransoms them  
and so he says he finishes here in verse  
10  
and the ransomed of the lord shall  
return  
they have accepted their messiah  
somebody preached the gospel the true  
gospel to them and they were able to  
fully understand and and stop being  
fearful and begin to be faithful and say  
blessed is he who comes in the name of  
the lord and they've accepted their  
messiah  
and the ransom of the lord shall return  
and come to zion with songs  
and everlasting joy  
upon their head so we have to see  
through  
all of the destruction that's coming and  
we have to see what's on the other side  
of it when christ says now will i rise  
now will i exalt myself  
he says that they're going to come with  
songs these people who were blinded and  
deafened and crippled and and tortured  
and enslaved and degraded  
now they're all healed  
and they're coming along this highway  
with songs  
and everlasting joy upon their heads  
according to this is the prophecy of  
moses this is it  
and they shall obtain joy and gladness  
and sorrow and sighing shall flee away  
absolutely fascinating  
prophecies  
that allow us to see the future as i say  
in high definition well i hope you've  
enjoyed tonight's study that was isaiah

34 and 35 first isaiah goes up to  
chapter 39

so we're just these last few weeks  
marching through the rest of this book  
of first isaiah second isaiah is already  
in the archives so in the next couple of  
weeks by god's grace we will have  
finished the entire scroll of isaiah and  
what an amazing scroll it is this this  
is and you know isaiah is a scroll that  
was found almost in its entirety  
almost in its entirety

uh in in the uh i'm just escaping me the  
name now but in the qumran the the uh  
the caves there in the middle east this  
there was and and when they compared  
this scroll

this this the the dead sea scrolls  
that's what i was trying to say when  
they compare these scrolls the dead sea  
scrolls of isaiah to what we have today  
as the book of isaiah they're they're  
like identical minor a couple of minor  
grammatical changes which are just  
probably copying errors so we have this  
book it's the one book in the bible that  
we know

nobody can deny it we have sort of the  
original  
book of scroll of isaiah and here it is  
we're going through it and everything in  
isaiah

comports itself and aligns with the rest  
of the bible we can go from genesis  
to revelation and everything can be  
reconciled through the book of isaiah  
so i'm sorry to the muslims who want to  
to tell us that the bible is garbage and  
we should burn it and throw it away we  
can't

we can't  
this

is the word of the lord  
and the word of the lord is forever

and by his grace we have some clarity  
now as to what the future looks like our  
god is a mighty god and he is mighty to  
save and we love his appearing amen good  
night brethren  
you
