

Well, greetings brothers & welcome to another Wednesday night Bible study where we study the scriptures together upon line. And I'm not in my usual office with my computer. I had a problem with the disk space has run out on my computer, all the video that's on it, but I have to sort that out. Hopefully everything works out well for us. I'm going to open with prayer and then I'll ask you, if you can see me.

I want to continue living Heavenly Father before you Lord ever, so grateful for your loving, kindness for your faithfulness. And Lord for just putting in our hearts desire to want to study the scriptures, just be immersed. In darkness has blessed us with a desire to walk in your light, in our understanding that will grow in the grace of our Lord, Jesus Christ in whose name we pray. Amen.

Thank you so much. The card, wonderful, and the snow in the chat. Doll yourself up and down. Better today. Praise God. Okay. Larry very good deal Hargrave, very very good. Let me go ahead. Send you a text. We're so we understand is right into those who have been there for us as we get into this Epistle of First Peter, this is not academic for us anymore. You know, years ago, we could open this text and two thousand years ago, what the level of persecution but these things are written for us and we are just spiraling out of control in our society of everyone that things are changing rapidly and should be clear to us as followers of Christ that the prophecies are unfolding, and we're accelerating towards the appearance of our Lord, Jesus Christ. And that's that persecution that we read about in the, in the ancient texts is going to come up on us. We all see in the Western World Has Changed Christianity. Christian values and respect for human life and respect for Christians. This is before turning away from the benefits of Christian and it's amazing. I want me to tell you. I just don't go there. I believe that our job is to study the scriptures and try to understand what did the Lord say to Moses? What did the teacher said? And that's what we said through text. So I'm not one of these people. When I hear these minutes to say, the Lord said unto me, Set on samosas a stream. I just remembered and it was this experience that I was and it just showed me why I woke up understanding how cool our overlords are humanity and how much they were thinking the devil and we are facing I think just the stuff the my subconsciously can do this is fascinating detail, the noblest is doing the character development and it's just showing showing the territory we are in scripture what we're up against or not studying this, the festival academically experiential, we're studying so that we can understand what we need to do to get through this intense satanic hatred, that is between us and the appearing of Christ. So, let's understand this, then that as we read the scripture for these, the passage this Epistle of Peter, Let's take it personal especially now as we're heading into the spring, holy days that this this. Of of the spring and take us to a higher level of understanding and I should mention customer is not with us this evening, get some work done. So he hope God willing will be with us next week because we're in this understanding. This is important for us to understand any difficulty that we face. It's not forever. Eternal life is forever is forever. But while the trial is just that it's a period of trial and God's people from the beginning, have been tested by our faith must be tested. So it's intense situation that we must go through between now and if need be, why would it be necessary? That we go through these trials of your reading. The scripture is now four years. Some of us for decades. And there's an understanding of the scriptures. That's great. How much do, how much do we believe in his word, covenant faithfulness that we have to get through? That's what it's about, it's about the trial of our faith. He

said, for now, we're in the depression. Wilder coming out of that the trial of your faith. And again, they can be saving pretty dresses and they can just speak a lot of nice sounding rhetoric and sound like they're really for us but their hearts are full of secrets. We need to understand who our enemies are in our enemies are not the physical human, being demonic forces behind them. And so many trials that are coming at us so that the trial of your face, much more precious than gold is really precious. In our trial, do it. Be tried with fire, so gold, tried in the fire to purify it It must be tried in the fire in order to purify their something that God has in store for us. We just have to get to the tire level of purification and if need be, we have to go through these intense trying to get to that level 3 says that the trial of your faith be much more precious than of gold. And you know, if you being good or evil things to your children, how much more shall your heavenly father? Give you when you ask for a sneeze go. We were asking for something good. Might appear to those who don't understand but God is giving us because it's going to lead to our praise and all our honor and Glory at the f--- now. But the addition to this is our future orientation Christians, who are under the trial. Must have orientation. We're running this marathon, and we just have to be focused on the finish and the glory that come from across the Finish Line in it appears. He says How did not see you lost? But we haven't seen him. So now you see him not yet, believing all about space. We haven't seen him, but we believe we lost him. And we Rejoice with joy, unspeakable, and full of Glory comprehensible Joy about trust, because of what we understand, everything that scripture. It's like it's a rather than discourage us to encourage others. That those who believe in evolution, those who are ACS those who believe in all kinds of bizarre Concepts and ideas about God in strange scriptures, they're confused they have no idea what's going on. We have the word of God and everything that happened. Everything was talking exactly what he said would happen. He says, He says Mr. That's their brethren in the, in the first century. And the blessed are they? That have not seen and yet have to leave about to go through intense persecution, blessing. Blessing from God, Malcolm cell and at least two unspeakable joy, despite the shabbiness that we may be going through. And this is love that. Peter is referring to When he says that, I'm having not seen this relationship with our father. This is Tora in Deuteronomy and you shall all your soul. And with all your might have the teaching of Christ according as the Covenant relationship. So we believe we're going through these trials. So that. And he said that the end, Stephen the end of your face. Even the salvation of your soul. So it's not about the persecution, it's about the face, we receive the Ender prostate, which is the Salvation of our souls. Once saved, always stay 10 years ago. We received the end of our Lord, Jesus Christ. in verse 10, this celebration that we are going to receive strengthening our face Having a joy through the Manifest Temptations or manifold Temptations. Salvation has a 10. This salvation, the prophets. Acquired. Diligently. Who prophesied of the brain that should come on to you. So, the profits understood the grace of God in the Old Testament, and the New Testament is all about the entire relationship that God has with his people, is a relationship that is founded on God's grace and ends in the process was prophesied in the Old Testament, but they didn't really understand it. Is so delicious that they had received it over this. You inside this new revelation scriptures and it's incredible salvation It's unspeakable, joy and Glory that will come to the people of God and so they searched diligently to try to understand this. Oakwood celebration, we are going to receive That should come on to you. They prophesied of disgrace, not for themselves, not a message for the Israelites they were there and they had a message for the people in there at the same time. Diligently, trying to understand the message that would be preached in the end time. Through this Revelation in the grace that was Daniel. Let's look at

Isaiah is received a revelation? I can understand the message. Okay, I've got the Revelation, I don't get it. What is there said, I owe my Lord. What shall be the end of these things? I don't understand this. I'm searching diligently. And I just I don't get it. I don't understand if I said, oh my Lord. A soul. For the wind eat, this Revelation is not for you. It's coming through you, but it's not for you and it's not even for the people around you. Go to be recorded for another people in the future. You said, Google, wait. Daniel for the words are closed and sealed till the time. So they understand this Revelation received Do not understood by a prophet of God, it's for the people. Space is precious face has to be tried through the files to persecution and that's just a foretaste of our future. But it's not the trial of the persecution. We got to focus on. This is what it's all about. We'll end of the Covenant Community butt in the tub is going to repent. But unfortunately, there's a lot of the wicked shall do wickedly. And none of the wicked shall understand. They just don't get it inside the evening Antichrist. But the why she'll understand. So Daniel this Revelation that you received that you're with this understanding that you're receiving of this race is not for you, it's for another people. Eyedia also received this Revelation that was beyond his understanding he says, in Isaiah 53. In verse five, speaking of the suffering servant in didn't really fully understand it, but there was going to be a servant of God. Mission of God going to stop over so that his people could be glorified. He says Isaiah 53 verse 5 but he that is Christ. The Messiah was wounded for our transgressions. So, there's some understanding here. The transgressors, the transgressors Vistaprint servant, but this is the Revelation that he received. He was wounded for our transgressions. He was our iniquity. We did it and he suffered the chastisement of our peace was upon him. So I understanding that In the Covenant Community are going to have peace or transgressors, but they're going to happen. The tribe, the chastisement of our peace was upon him and with his stripes. we are going to explicitly quote this passage, but there's a healing of the That comes through the suffering servant. Route to 1st Peter, 1 and verse 11, which was in the Holy Spirit, is not something new. The holy spirit is not like the Old Testament is just all carnal. It's just physical. And then in the New Testament of the Holy Spirit, And the prophets of God, had the spirit of Christ and notices the spirit of Christ. There's there's there's Christ and then there's the spiritual so scared of Christ that was in them. It's dignified. Something was telling me something. When is testified beforehand, the sufferings of Christ suffering servant and they searched it, but it was dignified. But not just what it would signify when it comes to and what is this? How did this whole time? They were also trying to understand. What has to happen first for this to happen. So these two things are trying to understand what is being signify. And they're trying to understand what is going to happen through the spirit of Christ. That was operating with that. This is kind of unprecedented understand. It wasn't understanding. I was coming. Was he coming to get the other part and it's difficult to put it all together and the Revelation suffering and the Passover season? A 10, speaking of this suffering in the glory that will follow. But they were trying to understand that the spirit of Christ was signifying in them was the pleasure of God. This, this was part of his wealth, he has put him to Greece. Can you show me to store and offering for sin offering system? He shall see his seed yourself along his days in the pleasure of the Lord shall prosper and intend, he shall see the truth. By his knowledge, shall my righteous servant justify. Okay. I understand about justify. Why does it have to follow the sufferer? Will they stop? He's going to be glorified after which will also be glorified after the suffering. Show my righteous bourbon justify minute. What is people? what are the amenities that will be completely washed and he's going to be therefore will I am with the great suffering

and he shall divide the spoil with the strong because he is and he was numbered with the transgressors stand. How did the top put it all together for the transgressors? He's going to make it interesting. So they were trying to search and try to understand what is it? Because it wasn't for them and it wasn't for the people of their time. Doctor 1st Peter 1 verse 12. Here it is. So they're probably they're going to the kings of there today for the downloading this Revelation from God. They're also beginning to realize that not onto themselves. so this all of this prophecy for saw, this faithful, Covenant Community, that would be through the sufferings of Messiah. Glorified through that stuff. To themselves, but unto us with the Holy Spirit sent down from Tampa. So now we have the apostles. I see mini faithful creatures. Beginning with the early church. Preach the word of God Faithfully. In line with the Holy prophet's message the prophets, their message was for us, therefore we spend time. Because they received the preparations for us. And so the faithful preachers of the Gospel. Are preaching the gospel telling you is not all. I had a dream in. This is what God told me to tell you, that's not what they're doing. They're saying this is what the Lord revealed to England. This is what the Lord said through, Zephaniah, and this is how this is good news. And this is the gospel to you today. So he said to himself into a state administer, the things which are now reported on to you by then that have preached, the gospel of the Holy Spirit. By God's spirit sent down from heaven, which sing the song searching diligently. He says these things like that are being free stunts. You regarding the gospel. So we have both of the Prophet earnestly Desiring to understand this even the Holy Angels of God for he says but you owe Daniel shut up and steal the book. Forever forever fuel, the block, even to the time of the end. We can't say, you know God's Understanding God's Church in the 1917 budget. I'm locked in, there's nothing more for me to learn. That's not what the What the scripture reveals is that it's a slow release that. I have this ability to search the scriptures to be corrected by the scriptures for understanding our face refined. Shut the word. Daniel Stewart, even unto the time of the end many shall run to and fro for the words are. It's not for you, it's not for the people of your time and they are still until the time. So, whatever you do understand, you're receiving this Revelation, you recording this Revelation for the people, the same Sofia regarding angels. And this is our study on Ephesians 4. What is the Fellowship of the mystery? That's what Peter's Peter is, right? Come to understand that God has brought to the fellowship. And now imbued with the Holy Spirit are apart of this conference room and Peter Peter has come to understand it. He said to make all men see what is the Fellowship of the mystery? Which from the beginning of the world has been hidden God and that's why Peter was able to stay the two sisters before knowledge of God. This was given to the process this understanding which from the beginning of the world has been hidden. God who created by Jesus Christ. So all men to see The Fellowship of this mystery between Jew and Gentile imbued with the Holy Spirit, working cooperatively in the service of God. To the intent. that now, Unto the principalities and powers in Heavenly places, might be known by the church. The manifold wisdom of God, that what we are doing, as the spirits to Covenant Community, Indian time with the true Gospel Church. because they desire to understand these things just as the prophet desire to understand these things, he says this understanding now The persecution of intent because of all of this understanding you have now. So this is the kind of expression to sort of strange and pastor Murray and his sermon last time. I didn't realize James and Peter that he showed us in the sermon where, you know, these men and just think of any sort of a sleeveless Overcoat that sort of One Piece, that's Set up hard to run in shorts, shorts and send your mind. This is the spherical Bessel is this is no time to be. This is no time for self-pity. This is a time for intent for air and focus. And

edification and Immunity in in the purposes of God. So, stop feeling, sorry for yourself and don't compromise. So the same way physically, these men would go into battle by virtually. We must now go into battle Beast over with the same on the Antichrist. If we are Antichrist, Because there are many in the Senate. And we need to be sober and we need to understand. No, that we have no friends. We speak the word of God. The word of God is our anchor. If you have a problem with your problem, Mister Elite. Miss Elite miserly. That's your problem. Don't make your problem, my problem. Your problem is you don't believe the word of God, okay? You got a big problem. That's not my problem, that's not your fault. We don't have that problem. We believe so we have to be sober crisis that in the end time even the Master of the House is going to get drunk and begin to persecute his fellow servants. That's how bad the discussion is going to be heads of the heads of households are going to get drunk with the dispatch. You seem to be sober and stay true to the word of God and hope to the For the great that is to be brought unto you at the revelation of Jesus, Christ of the diligently, tried to understand and just keep to the end. Keep your eye on Simpson and hope to the end, whatever it is. These people are intensely cruel. Play some dress nicely. They can shave put on pretty dresses and nice suits and ties and speak with smooth rhetoric. Given themselves over to the devil. Is demonic host. Hiding behind a pleasant Smiles. In pleasant words, they get their way. And it is a rough time. But our job is to hope to the end through this rough time. I just keep our eyes on them, that is going to be brought unto us. That they don't believe that, they don't believe in Jesus Christ himself. He was taught this by Christ Christ, taught him. Let your loins be guarded about and your lights burn and that's his message to us. Right from the Lord, that we must be sober. For Spiritual, we believe in the Lord, we preach the Lord. He preach the gospel with an apology lightsworn. He says about the 1st Peter. As obedient children. In a relationship. Children have a father. They're trying to destroy the family so that they can destroy the gospel. That done without an understanding of the relationship with God. But when you come, when you have a beautiful family and you understand family, you can understand what God is do. so we as obedient children for a father yourself, according to the tri-tip and the Gentile, it's like real Satanic worship and all kinds of idolatry. That's what was all around and it's no different today. Even though people think they're sophisticated another into this artificial intelligence and they're into this Internet of Things internet and they're so sophisticated, but it's all satanism. It's all a Dollar Tree is the Same Spirit of rebellion of nimrod. And that's what's around us. And God is now pulling people out of this world. Keep your eyes on the prize. Goforward. But as team, which has called you is. OB you holy in all manner of conversation or all manner of conduct because it is written be holy for. I am Holy now. Eastern Time. When we read this. Be holy for, I am. Holy because of the society we come out, Because of our culture individualistic. And when we read this for you, holy for, I am. Holy if you're like me. Say you aren't necessarily this what? But it's your life to me, I've always thought of God is Holy This is plural and trust the Lord. Can I listen to a sermon? He brought this out. He said, yes. So we have to be holy on an individual level, but there's a collective. That this is Elizabeth Amanda's coming from Torah. And unless we understand understand, So, that's all I'll say about this for now, but if you can listen to pastor, Murray sermon on 1st Peter, and I'm going to talk about it. Some more on the Sabbath Church, the original language, it is plural. As he would just called you is Holy stobie y'all all of you all of you in everything you do because it is written that is written by Moses and Torah. So Moses wrote bu holy. he was writing to the congregation Community must be holy because there are Provisions in Torah when an individual violates that Holiness for the individual to correct

horse in the nation because God is Holy And he has an objective. He has a purpose for the nations of the nation. Must be, holy for him to fulfill that purpose. So, let me not say anything more about that cuz I might get sidetracked and just stay on this. So, Peter is picking to the whole all of the people collectively in order to fulfill this purpose, they must be wholly here in Leviticus 20, Leviticus. You sold there for sanctify yourself. Moses never presented as an individual Endeavor by yourself have a relationship with God. Never. He says you shall therefore collectively sanctify yourself and collectively you shall be. Holy because I am and I've chosen you to serve me to do. My purpose is on the Earth. You are my representative on the Earth. I am whole. Not to show you the fire yourself with these Provisions now, about how they can be drafted. First Peter 1:17, Continuing. He says. and if you call on the father, Without respect of persons. Judges, according to Every Man's work. So I know Christians got this notion that what we do doesn't matter. We can do whatever we want cuz God is obligated to call on the father calling on the phone. Without restriction person. He judges according to Every Man's work He's a bomb. Waiting to go off work. Therefore passed the time with your sister, Jordan. Therefore How Sweet Eats bats have some understanding? Pass the time with your sister and a skin. It's wisdom begins with the fear of the Lord. It's a good thing for us to fear the fear of God. It was a long trip. They were brutalized children. Mutilate children going to be the office because he has no respect. He can't. He can't punish me cuz he has to respect to me. Without respect of persons, he charges. It's like that. I don't need to see my best friend there for all judge. This one of my political party for persuasion their projects, this way. Know what would happen if the judgment is my best friend. The judgment is the judgment. That's how God is. And then he said here. speaking to the Romans, he says, tribulation and anguish Tribulation and anguish upon every soul. It's going to be terrible and have to confess. There was a time when I really wanted Western Civilization to be safe. I wanted things to turn around more time houses, freedom. I should have reached a different place when I see all of the stuff for. I see the fertilization of Fame fees and children. I'm like, you know, it's going to send it through this. But we can have more people are being sold as slave of Justice to know and they're all for their evil. Google stop it with tribulation and anguish upon every soul of man. That does the Jew first tribulation in English. Is this trade of tribulation is coming on the Jew first and also agenda to God from this is Moses this is this is an understanding of Torah that God is going to punish old people first using today. City on a hill and that's shining authoritative examples of the ultimately without respect. Back to 1st Peter, 1 and verse 18 for as much as you know. and with all things that they think are going to a piece there golf, Understanding of the prophet and Moses were not with a silver and gold from your vein contest received by tradition from your pay, is it's all false. And then just want to stand this tradition of their fathers. In the understanding they had fallen to the glacier Center service center even if we are doing today, but we think we're supposed to get But now I see that you have known God or rather are known of God. I'm trying you again to be speaking to you, why are you going back into He says, instead of Christ. This is what the profit for Desiring to understand or what manner of time with all of this. We have been redeemed with the precious blood, the life is in the blood of the Lamb without blemish and without spot. And of course this is what the ancient Israelites. This these rituals of God in the significance. Deep symbolism. I saw hear this lamb without blemish. We know we can study this stuff to the Passover season. Exodus 12 in verse 580 from the sheep, from the goats. Not sure you can find them cover lamb that they were sacrificed in the selection of a self. That's what he did. He offered himself without spot to God. It's your conscience from dead

Works to serve the Living God. Stop the 1st Peter 1 verse 20. Before the foundation of the world cup results. Truly, he was foreordained before the foundation of the world last times for you. This is what the prophets would understand all of this existence. These people in the end time. Hebrews again, this this manifestation in the end he said to us he has appointed heir of All Things by whom also last days So Christ is now manifest in recent times. He has talked with his fridge, we received these words of Christ teaching. Why can't you believe in God? Cuz of his teachings that we Now understand that we believe in God and purify him up from the dead. Nothing like this. Comfortable. That the Servants of God, God's own son would come to First. Copper Skillet. I did not suffering, she would claim stick to it. For the people of God. Foods for their iniquities, for our iniquity. That would be understood in this results. This is what the process of trying to understand. We Now understand, we can put it all together with him up from the dead end. That York state is trying to get us to understand. It's all about this face. Thanks and hope in God in the spirit within us is not more than the whole and that hope is designed to be unto the end on the glory of Christ and the glory that will be in Christ. That's what it's for your soul is still. Through the spirit. So it's so children. And as we are instructed, as God gives us instructors, that we might understand what the prophets called. What the priest caught for Moses laid down, what the apostles cost? Through the spirit is not something. By the grace of God. Spirit. What is Holi? Does it mean that you as an individual should go off in a private relationship with God? And the Holy and is that what God is looking for? What is it about the Penguins? in the community must we must be Single Sheriff. I'd your soul. The truth through the spirit of, don't be a fake. I cannot be a state. Oh Hey Brother. Hey sister, love you. That this operation leads us to a true deep appreciation. Of what God is doing. And these people from all walks of life and experiences that he brought together through the Holy Spirit and we are in fall. Love the brethren. What does unfeigned cuz it did the film is going to be tested. But all of this is responding as purifying us since we have the unstained love of the Brethren. So, as a result, Obedient children. Make sure. See that you love one another with a pure heart fervently. That's what this is all about. That's how we know the prices operating with his people up his body. We can discern the Lord. Physical family. But there's an understanding that we have that the family of God is a higher law. If it's a higher priority, we don't love our family. This operation of the Holy Spirit takes our love for our sacrifices for the Brethren to a much higher level. But for the family of God, they really don't make it a priority, that's upside down. Be there for a physical family. Absolutely. For the body of Christ. That's what the holy spirit is to understanding our physical physical family. But they have not been satisfied by God for his lips. These brethren. This community. This is the body of Christ credible, spiritual understanding of who they are. And I'm staying with a pure heart. Spring, holy days. This is this is a deep deep level. If you see brother and they kissed, you, they smile at you, tell all your nice to me. And then you here behind the scene, the rotten things. They say to the horrible accusations in merchant of character, It's because I love you and you have a grudge. I am the Lord. Is this is our defino Lee, this is part of the 11. It truly love dogs. In the Covenant to me with a fervent love and then James brings this forward to the Covenant Community event. I don't use it. Don't do this and think your face is not going to be put in the fire and try as your foot in the fire. Either you give it up and started Construction. That Grudge nurtured by the devil leads us to betray one another. We don't think we will know we are lost missile. Defense command the advice. The strong admonition to be condemned is condemnation there's no that we serve Is not a respecter of person. It's like is there a Gretchen a person Tire condom in that person's heart?

Condemnation. It doesn't matter who dis. Grudge. Not one against another. It's not one against another brother unless you be condemned and it's very good for us to think about this. Colt, the judge spoke about earlier that without respect of persons and a claw. Kissy, kissy kissy. and just as Fascinating People behind the scene, Colt. The judge stands. Before the door John says in 1st John 1 verse 6, if we say we have fellowship with him and walk in darkness, Butchering. These Rogers were not truly committed to the family of God. Walking Darkness God Is Watching from heaven and he's seeing us when we're walking in darkness, we don't see it. We're looking at ourselves pretty good. God is looking at us and not mean, Satan is all around us. The demons are all around us. If we stayed away our fellowship with him and walk in darkness, we lie and do not the truth. If we walk in the light as he is in the light, we have Fellowship one with another. This is where we need to spend time with one another in. This is why How to help the congregation create opportunities for the congregation to spend time together. Did the be hospitable to send the fellowship? Because that's what the holy spirit is in the fellowship, one with another in the blood of Jesus Christ, his son cleanses us from Austin. So that are stuck, right? That immaturity Just wrapping up here in 1st Peter 1, verse 23. Now kindergarten again. Acting like that, sperm and acting like the egg. Not of corruptible seed, but came from our fathers. But of Incorruptible by the word of God is preaching that we do this, preaching of the gospel. God is calling somebody those words in tracks and creates spiritual life. Which of this word of God and a bottle of forever and ever. And that's why we will face whatever we have to face because the word of God abides forever. All of this power and wealth that is rising up to the Intensive persecuting and eliminating the people of God and the word of God. And we stand, we walk in the word of God. 424 East Side gets out. So we are, we have to sneeze spiritual life by the word of God, for all flesh is as grass. I think we've all seen a beautiful beautiful flower bed. Gorgeous glory to it. 234 Weeks Later. Yes, there's a Corian. Come back a few weeks later. Which rapper has the flower of crap. Even Solomon in all his glory. We were in Solomon's day. Mercy today. So yes, there's something impressive about impressive me. But they're just met. Whatever that is whatever. It's like the flower. Yes we have no yes there's a power there. The grass withers and the flowers are all of the flowers. It's a 40 in, this is in the archives as well, but I can't afford a 46er off as the flower of the field. That is the understand this. Of of persecution that we are heading into isn't an Android. It intensified and it's going to feel like it's going to be, it's going to feel like forever. What is it? It's man's Glory. And so we have our eyes trained on the Finish Line with our expectations, in the appearing of Christ, and that gives us the understanding that all of this attempt. What should I cry that? All flesh is grass is as the flower of the field in the profits for 24, for All Flesh is as grass. Call nuclear power control. Trillions of dollars, incredible amount of, well, for men to have under their control. But our message, our understanding it is as grass and all the glory of man, at the flower of grass. The grass withers and the flowers are off, and so we can be facing these people. Talking to the men, understand. + 36. What is forever? The grass withers and the flowers fall. This is the message brother. Intense, persecution and steps. Because there's an understanding that our faces being purified that our hold is to the end at the appearing of Christ. We shall be glorified in him. And this is his teaching, this is the word of God and the word of the Lord into yours forever. Their wealth or power is like the flower front, but the word of the Lord. And Jeff's forever is the word by the gospel, is preached unto you, that we shall commence loose here in Matthew 24 and verse 35, for Christ himself said, shall pass away. But my word, Shall not pass away. This is why we have Jesus Christ himself, which shall never passed away and God willing. On Sabbath.

Executing this command, be you, holy for? I am Holy. Hopefully you'll be able to join us. Thank you so much for joining us today tonight. I'll just put up our reminder.
