There is only one word that we should concentrate on and that is God's word. It is His word that will bring us to the end and not man's. We can keep on watching the daily news that man puts forward ( which can lead us backwards.) We in the church should know better. Man has never solved his problems since the garden of Eden until now and we should not expect that he will. Only Jesus Christ will put an end to this madness and He will, you can count on that. This world is sick and the sickness is spreading. May God's deliverance come soon !

In the meantime may we strengthen each other and encourage each other and not pit one against another. There is enough of that going on in the world.

Good searching to all and till next Sunday:

GOD BLESS !

BE WELL !

QUESTION #10.= As followers of Christ, is everything that we do in vain?  
( Check and look in Corinthians )

=====

Are we grateful that God has called us ? Do we need to be closer together especially with what is going on around us? Are we offended because a member believes differently than we do? Do we put our differences aside and work for our common goal to finish the race together? Do we respect one another enough to walk together in harmony? Boy, that sounds like love.

=====

Remember what the speaker before the assembly said in:

( Ecclesiastes 12:13 ) Let us hear the conclusion of the whole matter; fear God and keep His commandments, for this is man's all.

=====

Christ said, "If you love Me do My commandments. ( Do we? )

We need to do what God expects of us, nor rip each other apart but do our part. We must respect what our brethren believe in and not in what I want him to believe. There's enough of that going on in the world today.

Remember, God does know what's best for us, look up His word from Genesis to Revelation and read and see how much He cares for us by showing us how to live righteously.

Brethren, let's work together in perfect harmony the best we can.

May God bless you all and may you have a fulfilling week.

Good searching to all and we'll do this again next Sunday.

It's quite messy in the world today. Am I, are you surprised? Where its at today from the days of my youth and how things have changed drastically since then.

Pharmacies carried only a few items like the Vicks' brand, aspirin, anacin and plasters and the genre, baby items, diapers were cloth and washed and re-use

over and over. These outlets were small in comparison to what they are today.

They did sell tobacco in those days.

Doctors would advise on the television that if you caught the flu to stay home in bed and drink lots of liquid. They did not push remedies. Nowadays you have a pill for everything and advertised by doctors. I call them pill pushers. If your flu was bad you would go to your doctor and he would give you a penicillin shot and the next day you would feel like a million bucks. Quite simple and it worked. How far we have come, or have we?

When God is on our side, should we fear what's going on around us? Covid19 and what comes along with it, the price of food and gas, shortages in stores, angry people, crime, maybe all out war. Lock yourself in your homes and stay there till all is safe. REALLY, God never said that it would be smooth sailing till the end. Yet, over and over He took care of His people. don't take my word for it, read God's true word and see how many times He took them out of jackpots they put themselves in as we have. We learn through adversity and it's by coming out of our homes that we learn the most by being out there.

( 2 Timothy 1:7 ) For God has not given us a spirit of fear, but of power and of love and of a sound mind. ( If we believe this Scripture, what have we to fear? )  
Brethren, let us draw nearer to God and He will take us under His comforting, protective wing.

QUESTION #10.= Do we reap what we sow? ( Try in Galatians )

In the first world war the Germans used mustard gas which they spread in the allied trenches. This lead to an agonizing death. The USA dropped atomic bomb on two Japanese cities, Hiroshima & Nagasaki, killing women, children. the disabled and seniors. Many died agonizing death years after they were infected with radiation poisoning. Sadam Hussein used chemical weapons on the Iranian people. The Syrian leader used chemical weapons on his own people. Putin is treating to use Atomic bombs on nations that would interfere with his invasion.

Why did I post the above? Whatever weapon man has created he has used to wipe out their enemy, even the innocent bystander. All these nations have blood on their hands and yes even our brothers in the south are not guiltless. A great number of nations have chemical weapons in their arsenal and will eventually use them. Why I say this, because I look at history. The proof is in the pudding as the saying goes.

We need to stay close to our God and obey Him. Satan is on the warpath and who knows which leader he will deceive to use such weapons. Hang on folks, we ain't seen nothing yet !

Let us prepare ourselves for the upcoming Spring Holy Days, always time to cleanse ourselves.

Good searching to all and till next Sunay, we continue in the Way.

Here a mask, there a mask, everywhere a mask - mask!

( Luke 16:13 ) "No servant can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon."

This Scripture reminds me of the mask mandates. Monday is the day the Ontario government is discarding the mask mandates. End of story. Hold on, Uber has announced that drivers will be obligated to wear masks. OC Transpo in Ottawa requires drivers and customers to wear a mask. Read the Scripture!

This will still divide people once again. There will be more confusion like we had previously. I suggest that you don't forget your mask in case the place you want to go might require you to come in their establishment. as long as you wear a mask. Here we go again, a never ending story.

Good news, we will not be required to wear a mask in God's kingdom. No more confusion, hatred etc... In the meantime I will have to wear a mask till Christ's return. \*But for a moment only.\*

Good searching to all, don't say anything but I do not wear a mask when doing the quiz (Ah - Ah )

Another posted quiz. Good searching to all !

The Ukrainian population were doing what they usually did during the week. They did like us:

Went to work-drove their car-took the bus

went shopping

prepared a meal - ate together as a family===You get the picture

Then all of a sudden, in a moment, in the twinkling of an eye their world as they

knew it came crashing down to an abrupt end. They ran for their lives, leaving everything behind (

That stuff no longer mattered to them.) How quickly this happened. Lives were lost, children killed,

complete chaos.

Can this happen to us here in Canada and to our neighbors to the South. Can it happen when we least expect it?

( Matthew 24:36-39 ) [36] "But of that day and hour no one knows, not even the angels of heaven,

but My Father only. [37] "But as in the days of Noah were, so also will the coming of the Son of Man

be. [38] "for as in the days before the flood, they were eating and drinking, marrying and giving in

marriage until the day that Noah entered the ark, " [39] "AND DID NOT KNOW UNTIL THE FLOOD

CAME AND TOOK THEM ALL AWAY, SO ALSO WILL THE COMING OF THE SON OF MAN BE.

The spring Holy Days are fast approaching. A great opportunity to prepare ourselves by getting rid of our sins and continue to do so for the rest of the year

Life is fragile, ask the Ukrainians. We can learn from their situation. We must be ready at all times. O

yeah, mustn't forget that God is in charge, when His day comes will we be ready to embark in the ark

or stay on shore and be oblivious of what is actually happening?

GO BLESS !

BE WELL ! ... and get rid of sins in our lives.

Brethren, there is always someone in our lives that went through far more than we. I know of such a person. She was sexually abused from age five to age fifteen. These abuses were horrendous, she could write a very thick novel of what she went through. Why do I mention this, because I have learned, that although I suffer from Muscular Dystrophy and makes my life uncomfortable I think of her sufferings and say to myself, " I have nothing to complain about."

What a blessing to know this person. She probably doesn't know how much she has helped me in my life. The strenght I have today is all thanks to her.

Read and re-read of Christ's sufferings and say to oneself, "Why am I complaining? Do I come close to His sufferings? NO WAY! My little boobies I can put up with, with a smile on my face. No comparison with my sufferings and the sufferings of the person I know and the sufferings of our Lord Jesus Christ.

Smile and your brethren will smile with you no matter what the situation.

For now brethren, good searching to all and God willing we'll be at our post next Sunday!

WOW ! We had not one, not two, BUT THREE BAPTISM yesterday. There were smiles from ear to ear throughout the Sabbath service. The baptisms were held before services started. Pastor Jim French also gave the sermon and accomplished this with a smile on his face. Well done Pastor French !

Memories off my own baptism swam in my head. Twas in a farm house that had no electricity. The lady off the house had to boil water in pots on a wooden stove and pour it into what I would describe as a steel portable bathtub. Needless to say that after being immersed and came out that very cold water i was shaking, shivering throughout my body. Boy, I certainly felt alive after coming out of the water, I revived, boy did I revive. What great memories came to mind.

God has blessed us by adding three brethren to our congregation. Praise God Almighty. We are truly blessed here in Ottawa.

Thought I would pass this on to you. Slack will have pictures of this special day.

Good searching to all

Let us pray for the families of those who have lost their little child in the mass shooting in Texas. We need to pray for the little children who witnessed the shootings, they will be affected for the rest of their lives.

God did not intervene. If He did in all the atrocities committed in this life there would be no need for Christ's death, our repentance, or our baptism. God has a plan for all humanity. He states in: ( Isaiah 55:8-9 ) [8] "for My thoughts are not your thoughts, nor are your ways," says the Lord. [9] "For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts.

The mystery of God.

No doubt in my mind that God will gather these nineteen little children and bring them to His kingdom so they can live eternally with Him. We do need to suffer to change for the better., to learn. This life compared to eternal life = no comparison.

Good searching to all'

Completed with no glitches !

What lies ahead? Imagine if the electric grids would be hacked or just plain break because they are so old. LRT, here in Ottawa , constantly breaking down. Rogers failure, Covid19 and the restrictions and so on and so forth. What do these have in common? There was no planning in the event something drastic would happen.

We had the bird flu a few years ago yet the experts did nothing to prevent what epiemic woul surface = hence Covid19 and all the misery it caused throughout the world. Mayor Watson wanted LRT to begin on the date they wanted to be operational. A committee recognized that the rail system was rushed to meet their deadline. The grids are vulnerable, watch out if this gives out, total blackout. Rogers is a good example, they were ill prepared for what happened.

All these things cause much stress to the population. As for us we believe Go when He says:  
( Matthew 6:25 ) " Therefore I say to you, do not worry about your life, what you will eat or what you will drink; nor about your body, what you will put on. Is not life more than food and the body more than clothing? [27] "Which of you by worrying can add one cubit to his stature? [33] " But seek first the kingdom of God and His righteousness, and ALL these things shall be added to you. [34] "Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble.

God is telling us not to worry and trust that He will take care o us. PRAISE GOD !

This life does not last. We will die eventually. We rejoice because of God's promises. He promised us eternal life, a free gift from Him if we overcome. We live, if we are fortunate, to our 90's. Very short period of time compared to living eternally. We do not see God the Father nor His Son Jesus Christ in this human life yet we will see and be with both of them for always. WOW ! Let's not get attached with this world and focus to our future with our Father and our big Brother. Things that will not be in God's kingdom:

Murder - Homosexuality - Abortions - Black lives matter - White supremacists - Rapes - Adultery - Greed - Bullying - continue, make your own list. What a future that awaits us if we overcome.

What a sick and confused world we live in !

They are saying that men can get pregnant.

Women are crying foul regarding abortion, saying that it is their body so it is their choice. Seems that they are saying that they can have sex and no one will tell them otherwise. When we think about it for a sec, there has never been as many safeguards as today to prevent women from getting pregnant. Most of these preventive measures are absolutely free. Yes, it is your boy an yes it is your CHOICE. Watching the news today reminds me of the movie "Groundhog Day" How much repetition can we take? Biden's approval rating. Hunter Biden's laptop and what it contains. his association with China. The US border an the multitude of immigrants crossing into the US. The economy in recession, high food and gas prices. Cops being killed, attacked. Murder in broad daylight, and so on and so forth. You get the picture. No need to watch the news now for the next three months, when you wake up tomorrow and watch the news, try to remember that you are not in groundhog day.

GOOD NEWS ! Christ will return and will heal this sick and confused world until finally there will be peace, love, joy, and harmony that will last forever an ever.

AMEN !

Good searching to all, till next Sunday, God willing, We'll be back at it.

GOD BLESS !

Calling the police to remove a child from school premises because he is not wearing a mask.

Telling them that you might not be a boy or a girl.

That you get a sex change operation

That they fool around with a child's hormones

That they teach them about sex <Sex education>

Boys and girls mixed washrooms

and so on and so forth

What is wrong with this picture? Why aren't all parents up in arms, what about the teachers, government, justice department etc...
