00:01

[Music]

00:43

well welcome to another Wednesday night

00:46

Bible study and it's just great to be

00:48

live and we'll have the live chat

00:51

afterwards at CGI church Online org and

00:55

also pastor Marie is with us as well

00:57

he's back from his travels and so we'll

00:59

both be able to participate in the live

01:01

chat hopefully you have some questions

01:03

and comments and also not just from

01:05

today but from the previous week as well

01:08

so we're gonna cover our three Psalms

01:10

today chapters 14 to 17 will open with a

01:13

word of Prayer and then get straight

01:14

into the study our Heavenly Father we

01:17

pause before our study we always want to

01:19

acknowledge your father we thank you for

01:22

your loving kindness toward us we thank

01:25

you for this high privilege that we have

01:27

of having access to your word we thank

01:30

you Father for the desire that you've

01:32  
put in our hearts that we actually  
01:34  
desire and want to know your word and  
01:38  
not just intellectually but that it  
01:40  
might transform our lives and we  
01:42  
certainly thank you Father for King  
01:44  
David we thank you for the others that  
01:47  
have written the songs including Moses  
01:48  
and we pray father that you'll help us  
01:51  
to glean as much as we can from these  
01:53  
songs we thank you we praise you we ask  
01:56  
your blessing now in Jesus Most Holy  
01:58  
Name Amen so as I mentioned we're up to  
02:01  
Psalm 14 so we'll get straight into the  
02:06  
study beginning in verse one says here  
02:10  
David to the chief to the chief musician  
02:13  
a psalm of David and then he just gets  
02:16  
straight into it a very different  
02:18  
opening than what we've seen in the past  
02:20  
he says The Fool has said in his heart  
02:24  
there is no God so very clearly and I  
02:28  
think most of us when we read this we  
02:31  
are we know atheists we're surrounded by

02:33

many people who identify themselves as

02:37

atheists and we see them as foolish that

02:44

they say there's no God they are corrupt

02:46

they have done abominable works there is

02:49

none

02:50

does good now I think it's appropriate

02:54

to apply this to atheists and and I'm

02:59

just wondering if my if my sound is

03:01

coming through clearly so maybe people

03:04

could just let me know if the sound is

03:06

coming through clearly I'll assume that

03:08

it is but certainly this does apply to

03:10

atheist in our day but in David's day

03:15

there was no such thing as atheists

03:17

now we're talking about pre-modern times

03:19

when the whole world defined reality in

03:24

terms of the supernatural and so they

03:27

didn't say there is no God and in fact

03:30

if we if we look at the Hebrew the

03:32

Hebrew doesn't exactly say there is no

03:35

God if we look at verse one here in the

03:37

Hebrew where it says okay great I'm

03:40

getting sound that the sound is good

03:41

that's great where it says here to the

03:45

music to the chief musician from David

03:47

and what he says here in the Hebrew

03:53

so the says the fool this is a new bow

03:58

or neva the fool he says he says the

04:04

fool in lebu his heart or LeBeau his

04:08

heart and then what does he say in his

04:10

heart he says ein elohim ein elohim this

04:17

is not exactly the same as what's

04:19

translated in the English to say there

04:21

is no God ein Elohim would be better

04:25

translated as where is Elohim or there

04:32

is no alone no Elohim so it's not that

04:35

I'm saying there's no God I'm saying

04:37

your God the God of Israel

04:38

I reject there is the the I reject the

04:42

God of Israel there is no Elohim where

04:44

is Elohim we to the people of Israel

04:47

where is your God this God that you pray

04:50

to my God is greater and so today where

04:54

we might apply this to atheist to say

04:56

there is no God I think we'd be better

04:58

applied to the Islamic world where they

05:01

force their converts to say there is no

05:04

God except Allah so there's no Elohim I

05:08

in Elohim

05:09

there is no Elohim you have to

05:12

acknowledge Allah

05:13

there's no Elohim and we'll otherwise

05:15

we'll cut your head off this is what the

05:17

fool says so each time you say like

05:20

we're so Allahu Akbar

05:22

so certainly their their Shahada there

05:25

is no God except Allah would fit this

05:27

that there's no Elohim

05:28

there's no Yahweh but also allahu akbar

05:33

would fit this where i'm saying Allah is

05:36

greater so yeah you might serve Allah

05:39

you might serve Yahweh you might you

05:42

might worship Yahweh but Allah is

05:44

greater and proof of that evidence of

05:46

that is what we can do to you and so I

05:49

think that we'd be very careful to

05:51  
simply translate this in terms of  
05:55  
atheists that we do have to think about  
05:57  
reality today and and this what you know  
06:00  
what is the fastest-growing faith today  
06:02  
so Ramadan is now over and here's the  
06:05  
final score a hundred and seventy three  
06:07  
attacks 861 people killed during Ramadan  
06:12  
this the religion of peace so the people  
06:16  
who say that their God is greater and  
06:18  
just I want you to just take a listen to  
06:21  
this recent interview by David Menzies  
06:25  
of the rebel media would you like to see  
06:29  
Sharia law in Canada replace Canadian  
06:32  
law at some point it will you know  
06:34  
because we are being happy have families  
06:36  
they are making babies you're not your  
06:39  
population is going down the slum right  
06:42  
and by 2016 by 2060 according to Pew  
06:45  
Research Institute your research by 2015  
06:49  
Muslims will be the biggest religious  
06:51  
group the world over what are you going  
06:53  
to do then actually sorry I say even

06:56

then I know what I'm very appreciative

07:00

of the honesty we don't usually get that

07:01

so you do support Sharia you do want a

07:04

muslim-majority nation in the Wesen

07:07

correct just like you had a Muslim of

07:10

Western majority nation in the land of

07:12

Native Americans one day we can have a

07:14

muslim-majority nation

07:16

in Canada right in your face so

07:19

certainly they are very clear and and

07:21

looking at pure research which is our

07:23

research agents or agencies and by 2060

07:28

that Islam will have dominance

07:32

demographically within Canada and this

07:34

we're seeing this in all the Western

07:35

nations and you know you just go on to

07:38

Christians and Jews when when when this

07:41

shift takes place and 2060 just

07:44

demographically but certainly with the

07:46

help of jihad and other mechanisms that

07:48

can be accelerated and we need to know

07:51

what's coming but David reassures us

07:52

that it's the fool that says ein Elohim

07:56

that there is no Elohim there is no

07:58

Yahweh they are corrupt they have done

08:01

abominable works and now this does

08:02

actually equally apply to atheists today

08:05

when David says that they are corrupt

08:08

and they've done abominable works and

08:11

that is certainly what we're seeing

08:12

today as we look out in the atheist

08:15

world and and just look at what they're

08:17

doing to children and they are trying to

08:19

legitimize pedophilia is there anything

08:22

more evil than pedophilia and this is

08:26

what these people do and and we see it

08:28

in the Islamic world as well that this

08:29

is a sign of Satanism when you sacrifice

08:32

innocence and destroy children and this

08:36

is what the the the cultural Marxists

08:39

are all about is how can they destroy

08:41

innocence and they're coming after the

08:42

children they're doing everything they

08:43

can to go after the children today and

08:46  
so they've done abominable works there  
08:49  
is none that does good and in in terms  
08:51  
of that I mean Elohim where you could  
08:53  
translate that there is no Elohim or  
08:54  
where is Elohim where is Yahweh David  
08:58  
says this in psalm 115 where he says  
09:00  
took to God pleading to God why should  
09:02  
the heathen say where is now their God  
09:05  
and that is the equivalent of Allah  
09:07  
Akbar where is your God Allah is greater  
09:11  
look what we can do to you  
09:12  
so why should God David is pleading with  
09:15  
God why should the heathen be able to  
09:16  
say where is now their God but David  
09:19  
knows but our God is in the heavens he  
09:22  
has done whatsoever he has placed and so  
09:26  
there needs to be this understanding of  
09:27  
what God is doing  
09:29  
and what his will is and why the world  
09:31  
is unfolding the way it is even though  
09:33  
it's not necessarily in favor at least  
09:35  
now for his people back to Psalm 14 he

09:40  
says the Lord looked down so he's David  
09:41  
very clear where God is operating from  
09:44  
heaven even though the the heathen don't  
09:47  
understand this and they can't see him  
09:48  
but David knows where he is and he says  
09:51  
the Lord looked down from heaven upon  
09:53  
the children of men to see if there were  
09:55  
any that did understand and any that did  
09:59  
seek God he says they are all gone aside  
10:02  
they are all together become filthy and  
10:05  
and we are seeing that in spades today  
10:08  
you know it's taken a while to get here  
10:10  
and and they would argue you know we  
10:12  
just won our rights we just you know we  
10:14  
just want to be treated equally but the  
10:16  
more they the more we give them the more  
10:19  
they take give them an inch they take a  
10:21  
mile and and even when you look at where  
10:24  
we're going with technology when the  
10:26  
psalmist says they've all gone aside  
10:28  
they're all together become filthy you  
10:31  
know the the the pedophilia the

10:32

pedophiles are going after the children

10:34

and they're corrupting the children but

10:36

you know children also are very

10:38

attracted to technology and where we you

10:41

know my generation and older technology

10:44

is something that has come into our life

10:46

and we use it as a tool but I would say

10:49

young people today technology has always

10:52

been a part of their life and if

10:53

anything it's an extension of their

10:55

bodies they don't see it they don't see

10:56

themselves using that technology they

10:59

don't think about it it's just like a

11:00

fish in water and and and the more this

11:03

technology unfolds and this artificial

11:05

intelligence and and the gods of the

11:08

technology companies dictate morality we

11:13

can just see where we're heading that

11:14

that what immorality is defined by the

11:18

CEO of Google the CEO of Apple the CEO

11:21

of Facebook these are the arbiters of

11:23

morality and and young people just eat

11:25

it up and do whatever they're told and

11:27

we'll integrate with artificial

11:30

intelligence and just this is they'll

11:32

have no no true moral compass and so the

11:35

psalmist is very clear that and then if

11:38

we look at this prophetically we're

11:40

gonna be in deep trouble

11:42

human beings made in the image of God

11:44

will not at all have any of God's

11:47

character they are all together become

11:49

filthy there is none that does good no

11:52

not one have all the workers of iniquity

11:56

no knowledge is a rhetorical question

11:58

David is looking at the situation and

12:01

looking at how evil these people are and

12:03

he's scratching his head and he's saying

12:04

what's with these people

12:06

don't they have any knowledge at all and

12:09

the question is posed in such a way as

12:11

to say no they don't they have no idea

12:15

the Lord is in heaven he is hidden he's

12:19

hidden himself from Jacob and certainly

12:20

he's hidden himself from the even and

12:22

and people feel like there is no God and

12:24

they just have no knowledge and what do

12:29

they do

12:29

who eats up my people as they eat bread

12:33

and call not upon the Lord and this is

12:37

how we define beasts powers the beasts

12:41

there are many empires a beast is not

12:43

just an empire it's an empire that

12:46

devours God's people and when David is

12:49

looking at these workers of iniquity

12:50

same day they eat my people like they

12:52

eat bread isaiah says at the same time

12:56

prophetically all you beasts of the

12:59

field who eat up my people like bread

13:02

come to devour yes all the beasts in the

13:05

forest why because his Watchmen are

13:07

blind they are all this is happening

13:10

right under our noses and the Watchmen

13:13

are silent maybe because of fear they're

13:16

afraid of what might happen to them

13:18

these these are cultural Marxists and

13:20

Islamists and Zionists they will turn on

13:24

you and they will destroy you for

13:26

speaking out so people look at the you

13:28

know the previous person look what they

13:30

what look what they're doing to Donald

13:31

Trump look what they have done to a

13:35

judge Cavanaugh look what they're doing

13:37

to build bar this is all in America of

13:40

course but it's you know it's if you're

13:41

watching any kind of news it's in the

13:43

news but anywhere you look people are

13:45

doxed people are are they're just

13:48

cornered and they're shamed and it's

13:51

done publicly and people look at this

13:53

and think I don't want

13:54

to happen to me and so even the Watchmen

13:56

perhaps they're looking at this a wee

13:59

watchman whether in the true church or

14:02

not people who believe that their this

14:04

is their job they look at it and maybe

14:06

back up is watch so so beasts of the

14:08

field come and devour is Watchmen or

14:10  
blind they are all ignorant they are all  
14:12  
dumb dogs they cannot bark sleeping  
14:14  
lying down loving to slumber and and you  
14:17  
know Paul quotes this the Psalms are the  
14:19  
most quoted book in the New Testament  
14:21  
The Book of Psalms and so here we see  
14:23  
Paul quoting it in Romans as it is  
14:26  
written there is none righteous no not  
14:28  
one there is none that understands there  
14:30  
is none that seeks after God this is our  
14:33  
future this is our future the righteous  
14:36  
will be hunted down and killed the  
14:38  
wicked will flourish and and the  
14:41  
assessment of the world is like wow  
14:43  
there's nobody left who seeks God they  
14:45  
are all gone out of the way they are all  
14:47  
there together become unprofitable there  
14:50  
is none that does good no not one their  
14:54  
throat is an open Sepulchre it's like a  
14:56  
grave it just can't have enough with  
14:59  
their tongues they have used the seat  
15:02  
and then I've mentioned what's happening

15:05

I just find what's happening in the US

15:08

absolutely fascinating I'm not political

15:10

but I'm interested in politics because

15:14

that's the world the Bible is all about

15:16

politics it's how the world is run and

15:18

to see what's happening in America these

15:21

are the same people it's basically it's

15:23

the same devil let's put it that way the

15:25

devil just uses puppets these are the

15:27

same people are the same yes same people

15:29

same same tools of the devil and they

15:32

just show up in different ways but their

15:34

fruit is the same and their throat is

15:37

just an open Sepulchre and and we can

15:40

certainly see this in the absolute

15:42

deception of what has been taking place

15:44

with respect to the presidency of Donald

15:47

Trump where they just they just can't

15:49

have it that they will not accept that

15:51

Hillary Clinton despite all everything

15:53

was set up for her to win they just

15:55

cannot accept the fact that the American

15:58

people the majority of American people

16:00

rejected her no cannot be it must be the

16:03

Russians there must be some reason no

16:05

despite all the media pushing for

16:08

despite all big business pushing for her

16:10

despite the previous administration

16:13

pushing for her she lost and we we were

16:17

beginning now and we're going to see in

16:19

the next few months as attorney bill

16:22

Barr digs into this we're going to see

16:24

the level of deceit that is used to

16:27

grasp for power and I think the American

16:29

politics is a great example or a great

16:33

situation for us to monitor because

16:36

we're dealing with the most powerful

16:37

nation in the world and the people

16:39

grasping for the presidency and trying

16:42

to destroy Trump's presidency this is

16:44

fantastic it's it's like a it's like a

16:47

lab that we can study how people operate

16:50

in in the lust for power in the pursuit

16:52

of power and and Bill Barr is now about

16:55

to examine this how the how this hoax

16:57

got started and we'll get to understand

16:59

how deception works and the links that

17:02

people go through and the coordination

17:04

and the collusion and the projection the

17:06

things that people are guilty of are the

17:08

things that they project onto others so

17:10

if you want to understand what's in

17:11

someone's heart listen to their

17:13

accusations because that gets

17:15

manufactured in their heart the things

17:17

that they do they project onto others so

17:21

their tongues have used deceit the

17:23

poison of ASPs is under their lips ouch

17:27

you think of a poisonous Viper and david

17:32

is analyzing these people and he's

17:34

saying you know what's under their lips

17:35

venom these are horrible people horrible

17:39

people and and hopefully you know though

17:42

though though

17:43

well writer on the White Horse is

17:45

writing deception is everywhere

17:48  
hopefully God's people were able to see  
17:51  
through and study deception we can't be  
17:54  
ignorant of the devil's devices these  
17:57  
people venom drips out of their mouths  
17:59  
their mouths whose mouth is full of  
18:01  
cursing and bitterness you know it's  
18:03  
amazing as well you know you look at the  
18:05  
southern border of the US how can  
18:08  
anybody argue that a wall is needed to  
18:12  
keep out ms-13 that a wall is needed to  
18:15  
stop the trafficking of children to stop  
18:18  
the trafficking of vulnerable women  
18:21  
what's code like are we adults here or  
18:23  
do we have half a brain no but these are  
18:27  
wicked people grasping for power their  
18:29  
pockets are lined they're being paid by  
18:32  
the drug lords and they don't want their  
18:34  
their II if you're if you're a  
18:36  
politician a public servant how do you  
18:39  
amass a net worth of over a hundred  
18:41  
million dollars you didn't create  
18:44  
anything you've never run a business you

18:46  
haven't created any innovation how did  
18:48  
you amass a hundred million dollars in  
18:50  
net worth except through corruption and  
18:54  
bribery their feet and and murder their  
18:59  
feet are Swift to shed blood and again  
19:03  
we saw the the scorecard for the month  
19:06  
of ramadhan their feet are Swift to shed  
19:09  
blood destruction and misery are in  
19:13  
their ways and the way of peace they  
19:16  
have not known they don't they talk  
19:19  
peace but they participate  
19:22  
wholeheartedly in murder and  
19:24  
slaughtering of innocent babies in the  
19:27  
womb and even even on birth infanticide  
19:29  
this is what's in their heart this it's  
19:32  
dumbfounding this time that we're living  
19:35  
in is absolutely amazing this is the  
19:37  
time for Christians to shine this is the  
19:40  
time for Christians to have backbone  
19:42  
this is the time to stand up for our  
19:45  
belief in God it's some brethren the  
19:49  
other day that you know we're living in

19:51

a time now where you know you'd walk

19:53

into a house and you think what's that

19:54

noise and it'll be somebody hiding in

19:57

the closet or somebody's hiding in the

19:58

closet all those people they're out of

20:01

the closet there's lots of room in the

20:03

closet so much room in fact that

20:06

Christians are like oh wow look at all

20:07

the room in the closet let me hide here

20:09

so Christians are now hiding in the

20:12

closet and every perversity is on

20:14

display is out there is pushing how

20:16

wonderful they are and there is no

20:18

Christian backbone this is the time to

20:22

stand up and be counted this is the time

20:25

to have the mindset of the psalmist who

20:28

understands that dodd is in heaven and

20:29

god will act and and people who have no

20:33

knowledge

20:34

they're gonna be on the wrong side that

20:36

the psalmist made it very clear in Psalm

20:38

1 that blessed is the man that walks not

20:41  
in the counsel of the ungodly but it's  
20:44  
not just passive we have to be proactive  
20:46  
promoting the the beauty of Christ and  
20:49  
the strength of Christ and his standards  
20:52  
he says here the way of peace they have  
20:55  
not known there is no fear of God before  
20:57  
their eyes and and Isaiah says the  
21:01  
righteous perishes this is why when you  
21:03  
look at you and when God examines the  
21:05  
earth there's nobody that does good why  
21:07  
because the righteous are being put to  
21:09  
death Christians today are the most  
21:12  
persecuted people in the world I would  
21:16  
say probably Muslims are the least and  
21:18  
yet it's the Muslims crying Islamophobia  
21:20  
Islamophobia and nobody's crying  
21:22  
Christian of Christian phobia nobody but  
21:26  
Christians are the most persecuted  
21:27  
people to the point of genocide that if  
21:30  
you go in the Middle East places where  
21:32  
the you know Iraq had two million I  
21:35  
forget the name of the type of

21:36

Christians there but ancient Assyrian

21:38

Christians 2 million of them that is

21:41

down to 200,000 now they've just been

21:43

slaughtered and they've had to flee for

21:45

their lives the righteous perish and no

21:48

man lays it to heart and merciful men

21:51

are taken away

21:52

none considering that the righteous is

21:55

taken away from the evil to come so the

21:58

scripture tells us that evil men are

21:59

going to wax worse and worse we ain't

22:02

seen nothing yet

22:03

we ain't seen nothing yet evil men will

22:06

wax worse and worse right up until

22:08

Christ's return

22:09

and in the process righteous men are

22:13

being taken out of the way and people

22:14

don't understand that that's a blessing

22:16

that's a mercy Psalm 14 they were there

22:22

there were they in great fear for God is

22:26

in the generation of the righteous so

22:29

God is there but God's people or this I

22:33

would think this would apply to the

22:34

wicked they will be in great fear

22:36

because God is in the generation of the

22:37

righteous you have shamed the counsel of

22:40

the poor because the Lord is his refuge

22:42

so again God is in heaven he's not

22:45

acting right away so the way to think

22:47

they can do whatever they want and and

22:49

take advantage of the for and so the

22:51

poor are getting poorer the rich are

22:53

getting richer and the richer just think

22:55

they can have their way and then impose

22:57

all kinds of different laws and and

22:58

oppression on the poor why the Lord is

23:02

his refuge and the Lord will act but he

23:04

doesn't act immediately and in that

23:07

sense of the delay of God acting the

23:12

psalmist cries out oh that the salvation

23:15

of Israel were come out of Zion he

23:18

understands he understands that the Lion

23:20

of Judah will roar from Zion and and

23:24

it's just it's just taking so long he

23:26

says oh that the salvation of Israel

23:28

will come out of Zion when the Lord

23:30

brings back the captivity of his people

23:32

Jacob shall rejoice and Israel shall be

23:35

glad so the psalmist the the the King

23:39

David King David can look out into the

23:41

future and he understands that God will

23:45

act and he understands that despite the

23:47

captivity that is pronounced upon Israel

23:50

he also sees the release from captivity

23:53

that when God roars out of Zion he's

23:56

going to gather he's going to bring

23:58

back the captivity he's gonna gather his

24:00

people from the four corners of the

24:01

earth this is again just isaiah says it

24:05

in verse 13 of chapter 46 i bring near

24:09

my righteousness it shall not be far off

24:11

it seems like it's far off but it won't

24:14

be and my salvation shall not tarry and

24:16

I will place salvation in Zion now why

24:20

would God place salvation in Zion

24:24

this is yet to be fulfilled why would he

24:26

place it in Zion he tells us for Israel

24:29

my glory God's glory is Israel and

24:33

anybody who's teaching a doctrine that

24:35

says God has forgotten Israel God has

24:37

replaced Israel it is just the church

24:39

now it's Christianity now we're making

24:41

God a liar God has God is very clear

24:45

from from Genesis to Revelation his

24:48

glory is Israel and this is again this

24:51

fundamental prophecy that Moses gave in

24:54

Deuteronomy and all the prophets their

24:57

prophecies they're just echoing Moses

25:01

in some way in a different angle

25:02

different dimension but they're just

25:04

echoing Moses and what did Moses say it

25:06

shall come to pass when all these things

25:08

have come upon you the blessing and the

25:10

curse so Deuteronomy 28 and 29 outlines

25:13

the blessings for obedience outlines the

25:15

curses for disobedience and Moses says

25:17

you're gonna get both which I have set

25:19

before you and you shall call them to

25:22  
mind so so after you've been blessed you  
25:25  
are going to be cursed and the curse is  
25:26  
that you'll be scattered among the  
25:28  
nations when you call them a mind to  
25:30  
mind among the nations where the Lord  
25:31  
your God has driven you and shall return  
25:34  
unto the Lord your God so that suffering  
25:37  
that you're going to experience for at  
25:38  
the hands of the heathen it is designed  
25:41  
to drive you to repentance and so then  
25:44  
you will return unto Lord your God and  
25:46  
you shall obey his voice how according  
25:49  
to everything that I've commanded you  
25:50  
this day so you will obey you and your  
25:53  
children with all your heart this is  
25:56  
spiritual this is conversion you're  
25:58  
going to finally come to your senses and  
26:01  
and receive the Holy Spirit and obey God  
26:04  
with all your heart and with all your  
26:05  
soul that then the Lord your God will  
26:09  
end your captivity this is what David  
26:11  
saw now God will end your captivity and

26:14  
have compassion upon you and will return  
26:17  
and gather you from all the nations  
26:19  
where the Lord your God has scattered  
26:21  
you this is yet to happen and King David  
26:24  
could see it and he's yearning and so  
26:28  
should we yearn for God to return to  
26:30  
Zion and to gather his people and place  
26:33  
them in Zion and be glorified in Israel  
26:36  
he says if any of yours be driven out to  
26:38  
the utmost parts of heaven from there  
26:40  
will the Lord your God gather you and  
26:42  
from there will he fetch you and the  
26:44  
Lord your God will bring you into the  
26:46  
land he will do this which your father  
26:48  
possessed so in case you're confused  
26:50  
about which land it's the land that your  
26:52  
father possessed and you shall possess  
26:54  
it and he will do you good and multiply  
26:57  
you above your father's and the Lord  
26:59  
your God will circumcise your heart you  
27:02  
will be converted and the heart of your  
27:06  
seed to love the Lord with all your

27:09  
heart Moses could see the New Covenant  
27:13  
he could see the failure of the existing  
27:15  
the Mosaic Covenant he saw that it's  
27:17  
gonna fail but he could also see that  
27:20  
there's going to be a new covenant and  
27:21  
God is gonna pour his spirit into these  
27:23  
people and their seed and the land you  
27:26  
will love the Lord your God with all  
27:28  
your heart and with all your soul that  
27:30  
you may live and live forever that's the  
27:33  
end then of psalm 14 let's go on to  
27:36  
Psalm 15 now which is totally different  
27:38  
so Psalm 14 continued with the theme of  
27:41  
lamentation and much of the Psalms in  
27:43  
book 1 are by King David and much of the  
27:46  
Psalms in book 1 are lamentations but we  
27:49  
also have some different genres as well  
27:51  
and here now we have a wisdom Psalm  
27:54  
which again goes back to Psalm 1 which  
27:56  
is a wisdom song so there's a sense of  
27:58  
Torah and how to how to be Torah  
28:00  
compliance in the Psalms and so Psalm 15

28:04

is the opposite of Psalm 14 Psalm 14 is

28:07

all about the fool who says I am Elohim

28:12

there's no Elohim where is Elohim and

28:16

now Psalm 15 is the opposite Lord who

28:21

shall abide in your tabernacle so he

28:23

starts psalm 14 with you know the fool

28:26

says in his heart there is no god but

28:28

here in Psalm 15 he's now asking God

28:31

who's gonna do you will return and you

28:34

will set up your government in Zion but

28:39

who's gonna dwell with you who shall

28:42

dwell in your holy hill and and I think

28:45

the the king is looking forward you know

28:49

looking back to the tabernacle and how

28:51

that was set up and the high priest was

28:53

once a year could go into the Holy of

28:55

Holies but I think he's also looking

28:56

forward to his son that he had in his

29:00

heart to build this temple for God but

29:03

he could not but his son was going to

29:05

take on that responsibility but he's

29:07

envisioning once the temple is built who

29:10

is going to be able to dwell with God in

29:12

Jerusalem I think that's part of it but

29:15

as a prophet I think he's looking way

29:18

into the future and he's seeing what

29:20

John saw where John says and I heard a

29:23

great voice out of heaven saying behold

29:24

the tabernacle

29:27

the dwelling place of God is with men

29:30

and he will dwell with them and David is

29:34

flabbergasted that God is going to dwell

29:37

with man and it begs the question as he

29:40

himself is trying to turn his heart to

29:44

God wholeheartedly he's seen what

29:47

happens I forget the name of the

29:49

gentleman who was Church I think was aza

29:51

aza who was trying to capture the ark

29:54

when it was falling and he was just

29:56

struck dead how dare you impose yourself

29:59

on holiness and he was just struck dead

30:03

and now David is like okay what God's

30:05

gonna dwell with man which man among us

30:08

can dwell with God the tabernacle of God

30:12

is with men and he will dwell with them

30:14

and they shall be his people and God

30:16

Himself will be their God

30:22

Jeremiah says to the people of God don't

30:24

trust in lying words saying the temple

30:27

of the Lord the temple of Lord so now

30:28

the temple of the Lord has been built

30:29

and these people think it's some kind of

30:31

superstitious good-luck charm that

30:33

because they're the people of God and

30:35

they have the temple nothing can happen

30:36

to them and Jeremiah's saying don't do

30:38

this

30:39

the temple of the Lord are these for if

30:41

you thoroughly here's here's what

30:43

matters if you thoroughly amend your

30:45

ways and your doings if you thoroughly

30:47

execute judgment between a man and his

30:48

neighbor if you are pressing up the

30:50

stranger the fatherless in the window

30:52

obviously they were doing these things

30:53

he's telling them stop and shed not

30:56  
innocent blood in this place neither  
30:58  
walk after other gods to your heart so  
31:00  
people needn't think that just because  
31:02  
someone is Jewish they're righteous this  
31:06  
is not talking to heathens this is  
31:09  
talking to the people who are  
31:10  
worshipping God in the temple and he's  
31:12  
saying stop shedding innocent blood stop  
31:15  
oppressing the fatherless in the widow  
31:17  
neither then stop walking after other  
31:19  
gods these are Jews and so today much of  
31:23  
the corruption in our society is brought  
31:27  
about by Jews but that doesn't mean that  
31:30  
God has forsaken his covenant and that's  
31:33  
what we need to be clear here we can't  
31:34  
be you know these Christians who think  
31:35  
that Jew Jews and walk on water and we  
31:38  
have to do everything for them because  
31:39  
they're just so holy and righteous  
31:41  
uh-uh no they're not there might be holy  
31:43  
in the sense that they've been set apart  
31:46  
by God but certainly not in their

31:48

behavior they reject Jesus Christ yeah

31:51

if we read the Talmud at all it's a

31:53

despicable document and they are running

31:56

much of society and introducing much of

31:58

the corruption Karl Marx Freud Gramsci

32:04

Hoyt himer

32:06

all these men were Jews that have

32:08

corrupted our society and it's no

32:11

different it's no wonder in David's time

32:13

in Jeremiah's time anciently this is

32:15

this was in their heart but if you amend

32:18

your ways he says then I will cause you

32:20

to dwell in this place in the land that

32:23

I gave to your father's for ever and

32:25

ever

32:25

this is the formula this is how you can

32:27

dwell with God and this is what the

32:31

psalmist opened up with again we say

32:33

there's these two fundamental themes

32:34

going through Psalms what's in psalm 1

32:38

and what's in psalm 2 the prophetic

32:40

nature in psalm 2 but in psalm 1 the

32:42

torah torah

32:43

being torah compliant how to be wise and

32:45

blessed is the man that doesn't walk in

32:47

the counsel of the ungodly and then no

32:50

no just have nothing to do with them so

32:52

David now explains and he's gonna give

32:54

us 10 10 things that one has to do in

32:59

order to live with God forever

33:00

there's doing you know a lot of

33:03

Christians today think all Christ did it

33:05

all for me so now I can put my feet up

33:07

and I can do whatever I want I can break

33:10

the Sabbath sure that's ok yeah Sunday I

33:13

know the Bible doesn't say anything

33:14

about Sunday worship but I just matter

33:17

which day of the week as long as you

33:18

pick a day and hey fornications fine

33:21

adultery is fine lying is okay hey might

33:24

as well murder

33:25

you know God won't mind the ten

33:27

commandments are done away so I can

33:29

cover it I can murder I can steal I can

33:31  
lie I can commit sexual immorality it's  
33:34  
all fine because Christ did it all for  
33:36  
me no if we're going to dwell with God  
33:39  
forever we need to use the Holy Spirit  
33:43  
so the salvation is by grace it's a it's  
33:46  
a free gift but once we receive that  
33:48  
gift God gives us His Holy Spirit so  
33:50  
that we can act and become like him  
33:53  
and so David makes it very clear here  
33:55  
one that walks uprightly someone don't  
34:01  
walk in the counsel of the ungodly walk  
34:03  
uprightly to works righteousness there's  
34:08  
work to be done there's righteous work  
34:10  
to be done we need to be doing that and  
34:11  
speaks the truth in his heart so I think  
34:15  
this I take this kind of two ways one is  
34:18  
of course God hates lying  
34:20  
he hates lying notwithstanding Islam and  
34:24  
the quote-unquote Prophet Muhammad who  
34:27  
teaches that it's okay to lie it's okay  
34:30  
to make an oath Amman if something come  
34:31  
better comes along you can break that

34:33  
oath notwithstanding this quote/unquote  
34:35  
religious leader that says it's okay to  
34:37  
lie not with God God hates lying lips  
34:40  
and so we must not lie but also speaking  
34:45  
the truth in our heart I think as I look  
34:47  
at the world today it means have some  
34:49  
backbone have some backbone and stand up  
34:53  
for what is right when people are all  
34:55  
everybody started jumping on the  
34:57  
bandwagon everybody's jumping on the  
35:00  
bandwagon yeah transgender that makes  
35:02  
sense yeah I can see that yeah you know  
35:06  
like a boys not really a boy unless he  
35:08  
unless he identifies as a boy but if he  
35:10  
identifies as a girl yeah I get that and  
35:13  
I get where two men want to be married  
35:16  
and have children yeah that makes sense  
35:19  
to me and make a man pregnant and  
35:22  
pedophilia you know it's just an age gap  
35:24  
thing and if you're a man boy love I  
35:27  
yeah I can hey this is wickedness that's  
35:31  
the truth that's in my heart I studied

35:33

the scriptures and I can tell you these

35:35

things are an abomination and I'll say

35:37

so and we should all say so could we

35:40

speaking truth he that biteth not with

35:47

his tongue so God takes seriously how we

35:52

treat each other and it's amazing within

35:56

the community of God how people treat

35:59

each other yeah you think we scratch our

36:01

heads like really is this is this what

36:03

we think of the Lord's body that every

36:06

member is

36:07

part of the body but how we speak about

36:10

each other

36:11

especially behind each other's backs are

36:14

we slandering destroying each other's

36:16

reputation or are we building up well if

36:20

we're building up that's the kind of

36:22

person God is looking for if we're

36:24

tearing down do we think that we can

36:27

tear down God because we're returning

36:29

down his people were tearing down his

36:30

body do we think we can tear down God

36:32  
destroy God's people and then dwell with  
36:35  
God forever that doesn't make sense  
36:38  
so David says one that back bites not  
36:41  
remember David is given vision e-excuse  
36:43  
me vision here he's seeing way down into  
36:46  
the future and he sees the answer who's  
36:50  
gonna dwell with God in his tabernacle  
36:52  
well the fourth is and these are all  
36:55  
actions one that does not so this is not  
36:58  
now we're switching from doing to to not  
37:00  
doing don't back bite with the tongue  
37:03  
nor does evil to his neighbor and then  
37:07  
you know that the clever Pharisees would  
37:10  
ask well who's my neighbor and God gives  
37:13  
him this example of the Good Samaritan  
37:15  
and then asked well who was he neighbor  
37:18  
to so anybody who's in our surroundings  
37:21  
is our neighbor and we do not do evil to  
37:25  
our neighbors and you know some  
37:28  
neighbors gonna be really wicked to each  
37:29  
other it's amazing nor takes up reproach  
37:34  
against his neighbor so another don't do

37:37

this in whose eyes look at this and this

37:42

is something important here

37:43

in whose eyes a vile person is condemned

37:50

let's stop pulling punches there are

37:53

some wicked people and we need to say so

37:57

but this is awful this is anti-god this

38:00

is Antichrist we don't put up with it

38:03

and we'll just state very clearly where

38:05

we stand on this issue this is evil and

38:08

a lot of Christians now we're just so

38:11

soft and so warm and cuddly and

38:13

everything is fine everything's fine

38:16

oh I'm sure God will overlook everything

38:18

David says now if you're for God you're

38:23

against the devil you can't be for God

38:25

and for that you get before God and

38:27

tolerate the devil not that you're for

38:29

the devil but it's like I'll tolerate

38:31

the devil's disciples

38:32

I'll tolerate the devil's teachings well

38:36

no a vile person like this is vile this

38:38

is awful what these people are doing is

38:41  
wickedness and we'll say so and we're  
38:44  
you know yeah Christians are intolerant  
38:47  
absolutely because God is intolerant and  
38:50  
the devil is taller the devil loves  
38:53  
tolerance yeah everything goes but he  
38:56  
that honors them that fear the Lord so  
38:59  
there's a difference we see those that  
39:02  
fear the Lord we don't back bite them we  
39:04  
support and build them up and honor them  
39:06  
and those that are vile it's amazing to  
39:10  
us I've had actually people who should  
39:13  
know better come and defend Islam to me  
39:17  
Adrian how come you're always railing  
39:19  
game system because this evil because it  
39:22  
is evil because it denigrates Jesus  
39:24  
Christ because it spits on Jesus Christ  
39:28  
is that good enough  
39:29  
and it's spreading all over the world  
39:31  
and it's destroying those who want to  
39:35  
follow Christ and it's going to destroy  
39:37  
our children is that good enough and  
39:39  
people are gonna come in people who

39:41  
should know better in the church because  
39:44  
maybe they have relatives who are  
39:45  
Muslims they're gonna come and want to  
39:47  
argue with me to defend Mohammed even  
39:50  
though he spits on Christ amazing  
39:56  
instead we should honor those who fear  
39:59  
the Lord and this is you know again the  
40:02  
prophecy says brother will betray  
40:04  
brother that that's that that's the  
40:06  
future we're heading into and despite  
40:09  
that David is saying the ones who get  
40:11  
through that by being very clear about  
40:14  
condemning a vile person and honoring  
40:18  
those that fear the Lord this is who  
40:20  
will dwell with God forever he that  
40:22  
swears to his own hurt and changes not  
40:25  
this is not like you can take an oath  
40:27  
you can swear and then later you find  
40:30  
out it - you're hurt  
40:31  
and if you're a Muslim you can just drop  
40:34  
that oath and take another oath that's  
40:36  
better

40:37  
if you're a Christian a follower of  
40:39  
Christ even though it's to your hurt you  
40:42  
gave your word I gave my word and so you  
40:46  
know what I'm standing I'm sticking by  
40:48  
this we shook hands I gave you my word  
40:50  
it's to my detriment oh well because the  
40:54  
word  
40:55  
is everything the whole universe exists  
40:59  
because of the word we have hope because  
41:04  
of the word it's impossible for God to  
41:07  
lie because of the word the word is  
41:10  
everything the word is the foundation  
41:12  
and we cannot have people who their word  
41:17  
cannot be trusted and so this is what  
41:20  
God is looking for if you were if we  
41:21  
wanted to dwell with God forever what  
41:24  
comes out of our mouth matters and even  
41:27  
if it's to our own hurt it came out of  
41:28  
our mouth we're sticking to it and this  
41:31  
in fact is the very foundation of  
41:33  
marriage this is why our society has  
41:34  
gone insane because the foundation of

41:38  
society is when a man and a woman come  
41:40  
together and give each other their word  
41:43  
and that is that that union based on the  
41:46  
word is so rock solid  
41:49  
nothing can can break it apart nothing  
41:52  
why because they gave their word and  
41:54  
then children grow up seeing this iron  
41:58  
bond that is unbreakable and despite  
42:02  
life's visited vicissitudes and ups and  
42:05  
downs and they learn that and they  
42:08  
emulate that and they go out and they  
42:11  
build their family unit based on the  
42:13  
word and then they go into business and  
42:16  
they enter into business deals based on  
42:19  
the word they enter into friendships  
42:21  
based on their word and the whole  
42:24  
society runs based on the word and this  
42:28  
is why you look at these backward  
42:30  
countries despite being enlightened for  
42:32  
fourteen hundred years and they can't  
42:34  
get anywhere because their word is not  
42:37  
good who swears to his own hurt and

42:42

is not he that puts not out his money to

42:45

usury nor takes rewards against the

42:47

innocent he that does these things shall

42:51

never be moved

42:52

this is Torah the Psalms point to the

42:55

Torah and if we follow the Torah follow

42:58

the wisdom of the Torah will be

43:00

established and here just if it puts me

43:04

in mind of Hebrews when we were studying

43:05

Hebrews where Paul says see that you

43:11

refused not him that speaks for if they

43:14

escaped not they didn't escape who

43:18

refused him that spoke on earth much

43:20

more shall not we escape if we turn away

43:24

from him

43:25

that speaks from heaven again the word

43:28

whose voice then shook the earth but now

43:32

he is promised saying yet once more I

43:35

shake not the Earth only but also heaven

43:38

and this word yet once more signifies

43:43

the removing of those things that are

43:45

shaken so I'm gonna shake once more so

43:48  
you're saying this signifies the shaking  
43:50  
is to remove those things that are not  
43:52  
established as of things that are made  
43:55  
that those things which cannot be shaken  
43:59  
may remain so who can dwell in the holy  
44:04  
Tabernacle with God for eternity those  
44:07  
that are established and David gives us  
44:10  
the Ten Torah behaviors Torah compliant  
44:14  
behaviors to be established with God  
44:16  
that when he shakes both heaven and  
44:18  
earth we will not be moved  
44:21  
wherefore we receiving a kingdom which  
44:23  
cannot be moved let us have grace  
44:26  
whereby we may serve God acceptably with  
44:29  
reverence and godly fear for our God is  
44:33  
a consuming fire don't joke with with  
44:36  
Yahweh he is a consuming fire and that's  
44:40  
how Psalm 15 ends what's going to Psalm  
44:42  
16 he says preserve me O God for in thee  
44:48  
do I put my trust oh my soul you have  
44:51  
said unto the Lord you are my lord my  
44:55  
goodness

44:56

extended not to thee but to the Saints

44:59

that are in the earth and to the

45:01

excellent in whom is all my delight

45:04

their sorrows shall be multiplied that

45:07

hasten after another God their drink

45:10

offerings of blood will I not offer nor

45:12

take up their names into my lips the

45:15

Lord is the portion of my inheritance

45:18

and of my cup you maintain my lot the

45:23

lines are fallen unto me and pleasant

45:24

places yes I have a goodly heritage

45:28

so David despite his lamentations is

45:31

just very clear that in the end it's all

45:34

gonna be ok because God is going to come

45:37

through his word cannot be broken I will

45:39

bless the Lord who has given me counsel

45:42

my rains also instruct me in the night

45:46

seasons and so you know what do we do in

45:48

the night what do we do in the wee hours

45:51

of the morning if we wake up in the

45:53

middle of the night where is our mind

45:55

well if David woke up in the middle of

45:57

the night after his repentance he was

46:01

wholehearted with the Lord and he woke

46:04

up in the middle night and cried out to

46:05

God he woke up in the middle of the

46:07

night and studied the scriptures and

46:09

this is how we should be that we are

46:11

instructed in the night season so you

46:14

know day by day night by night the inner

46:17

man is growing stronger people see us in

46:20

our day to day activity and we're the

46:23

same but they don't see what's being

46:25

transformed on the inside and it's being

46:28

transformed on the inside because of

46:30

this constant hunger and thirsting for

46:33

God's words I have set the Lord always

46:37

before me because he is at my right hand

46:41

again I shall not be moved

46:44

David is seeing the shaking of the

46:47

heavens and the earth and he's seeing

46:49

that he's going to be established and

46:52

those that are righteous who are Torah

46:56

compliant we will all be established

46:59  
with God that we although God is a  
47:01  
consuming fire  
47:03  
we are not fearful because perfect love  
47:06  
casts out  
47:07  
and what David is demonstrating here  
47:09  
when he wakes up in the middle of the  
47:11  
night this love that he has for God he  
47:14  
doesn't have to be fearful of being  
47:16  
moved when God acts now Peter quotes  
47:20  
this Psalm 16 when he is giving his  
47:24  
first sermon after Pentecost or on  
47:27  
Pentecost when the Holy Spirit came down  
47:30  
and he's explaining to the Jews what  
47:32  
they have done and and who Jesus Christ  
47:35  
is that he is Messiah and he quotes  
47:38  
Psalm 16 and he says here in acts 2:25  
47:41  
for David speaking concerning Christ  
47:44  
says I foresaw the Lord always before my  
47:49  
face for he is on my right hand that I  
47:53  
should not be moved and he goes on you  
47:56  
if you read the acts 2:25 he goes on to  
47:58  
explain what's here in Psalm 16 David

48:01  
says because he God is always on his  
48:03  
right hand and he will not be moved he  
48:06  
says therefore my heart is glad and my  
48:08  
glory rejoices my flesh also shall rest  
48:12  
in hope so if he goes to the grave he  
48:17  
goes to the grave in Hope because he  
48:20  
understands who God is and so his heart  
48:23  
can be glad and and and his glory  
48:26  
rejoices he says and now he's  
48:29  
prophesying of Christ of himself but  
48:33  
also of Christ for you will not leave my  
48:35  
soul in the grave neither will you  
48:38  
suffer your Holy One to see corruption  
48:41  
so yes this is what Peter is quoting  
48:46  
regarding the Messiah the yes he will  
48:49  
die he'll go to the grave but he won't  
48:51  
be left there and unlike other humans  
48:55  
who have died and their bodies decompose  
48:58  
and corrupt in the earth not the Holy  
49:00  
One that he would be he would come back  
49:03  
to life after three days three nights he  
49:06  
would stand back up and not be corrupted

49:08

and this was prophesied by David you

49:13

will show me the path of life in your

49:16

presence is fullness of joy so again who

49:19

will dwell in the presence of God

49:21

it's a big question but look at this you

49:24

know it's it's not eternity of full full

49:28

of cause 72 cosmic prostitutes who just

49:32

are insatiable and this is supposed to

49:34

be joy no in the presence of God is

49:37

fullness of joy real real joy at your

49:41

right hand there are pleasures real true

49:44

pleasures evermore

49:46

so that's Psalm 16 let's finish with

49:49

Psalm 17 here the right Oh Lord attend

49:53

unto my cry give ear you can you can you

49:57

can hear the urgency that the psalmist

50:00

has he says attend unto my cry this is

50:04

this is a very very urgent call that the

50:06

psalmist has to God give ear unto my

50:09

prayer that goes not out of feigned lips

50:15

David was in a place where he knew he

50:19

was not a hypocrite that he is crying

50:21  
out to God and he has done all in his  
50:24  
power to be right with God and when the  
50:27  
crisis comes we don't know exactly when  
50:29  
it's gonna come but we need to be able  
50:31  
to say we need to be able to cry out to  
50:32  
God and say to God Lord I'm crying out  
50:35  
to you and I'm not a hypocrite I'm  
50:37  
crying out to you and it's not with fake  
50:40  
tears and fake prayers this is real III  
50:44  
I trust you and I know that I've done  
50:47  
right with you to the to the extent that  
50:48  
I can empowered by your Holy Spirit we  
50:52  
better be right with God now so that we  
50:55  
can be confident in the crisis which is  
50:58  
coming you know all those who seek to  
51:02  
live godly in christ what does the  
51:04  
scripture say shall suffer persecution  
51:07  
why because a wicked man shall wax worse  
51:10  
and worse and they are being given the  
51:13  
upper hand  
51:14  
he says let my sentence come forth from  
51:18  
your presence again he knows God is in

51:20  
heaven  
51:20  
he said let my sentence come forth from  
51:22  
your presence let your eyes behold the  
51:25  
things that are equal so you God will  
51:28  
give a proper judgment as to what is  
51:30  
going on  
51:33  
you have proved my heart so David is  
51:37  
confident he's been through the washing  
51:40  
machine with God he says you've proved  
51:42  
my heart you have visited me in the  
51:45  
night you have tried me and shall find  
51:49  
nothing and this this I find fascinating  
51:52  
of course I were in the or we're at the  
51:55  
end of this ruler probe and it the more  
51:59  
I look into this these are wicked people  
52:02  
but I wonder if somebody spent 40  
52:06  
million dollars and issued more than  
52:09  
2,500 subpoenas to examine your life to  
52:13  
examine my life to look for corruption  
52:16  
to have 19 top-notch prosecutors and 40  
52:22  
FBI agents issuing nearly 500 search  
52:26  
warrants and and and issuing 50 orders

52:32  
just authorizing registers if the in  
52:36  
having 500 witnesses being interviewed  
52:39  
if they had this 40 million dollar  
52:43  
two-year examination of our lives  
52:46  
what would they find this this was quite  
52:51  
a thorough examination and at the end  
52:54  
they found nothing and then of course he  
52:57  
had his press conference or press  
53:00  
release where he just throws fuel on the  
53:02  
fire and then says don't call me I'm  
53:04  
gone now well I'm certainly hoping that  
53:06  
they will call him and that he'll have  
53:08  
to give an account and that he will have  
53:10  
to suffer this sort of cross-examination  
53:12  
but if we had somebody spent forty  
53:15  
million dollars to examine our life what  
53:18  
would they find and said have all the  
53:19  
time in the world two years have all the  
53:21  
resources  
53:22  
what would they find because that's  
53:25  
nothing compared to God's examination  
53:28  
and David David went through examination

53:32  
with God and actually God at the end of  
53:34  
the day God says this is a man after my  
53:36  
own heart and that's where we need to be  
53:39  
that God can look at us examine us  
53:41  
thoroughly cleanse us and say yeah  
53:43  
this is a man this is a woman after my  
53:46  
own heart he says you've proved my heart  
53:50  
you have visited me in the night you  
53:52  
have tried man shall find nothing that's  
53:55  
amazing you have tried me and you'll  
53:57  
find nothing that talk about unleavened  
54:00  
bread this is it  
54:01  
I am purposed that my mouth shall not  
54:05  
transgress and I think this is the key  
54:08  
to righteousness and James says so in  
54:11  
James 1 26 says if any man among you  
54:13  
seem to be religious look looks good  
54:16  
everything's there seems to be religious  
54:18  
and bridles not his tongue but deceives  
54:22  
his own heart this man's religion is  
54:24  
nothing Wow  
54:26  
so this is a real call to righteousness

54:29  
if we can model ourselves after King  
54:32  
David evidence of that is going to be  
54:34  
our tongue we do not lie we do not  
54:38  
backbite we do not speak perversion  
54:40  
corruption if we can bridle our tongue  
54:43  
we speak righteousness we edify then  
54:47  
then I think that's what's gonna put us  
54:48  
in a position where it's gonna be a  
54:51  
reflection out of the abundance of the  
54:52  
heart the mouth speaks but I also think  
54:56  
that it works the other way what the  
54:58  
mouth speaks changes the heart I forget  
55:02  
the saying exactly but it said something  
55:03  
like what we pay attention to shapes  
55:10  
reality but as reality is shaped it  
55:15  
changes what we pay attention to  
55:16  
something like that so in the same way  
55:20  
you know all the nonsense movies and  
55:23  
nonsense entertainment afford if we're  
55:25  
titillated by this nonsense and garbage  
55:29  
we're gonna want more of it but if  
55:32  
instead we focused on God's Word we're

55:34  
gonna want more of it and as we look  
55:36  
around us in the world we're going to  
55:37  
see God's world unfolding and it's going  
55:40  
to become fascinating we are going to be  
55:42  
watching the news and and you know we  
55:45  
may watch CNN as trashy as that network  
55:49  
is we may watch it because again we want  
55:51  
to understand how deception works  
55:54  
and and not just CNN right I mean that's  
55:56  
it's not that's all of them but we want  
55:59  
to understand how deception works all  
56:01  
the mass media and then we're gonna go  
56:04  
and dig and find our own sources of  
56:06  
reliable independent real journalists  
56:10  
and it's going to become fascinating to  
56:12  
us more more fascinating than fiction  
56:15  
why watch fiction when reality is far  
56:18  
more fascinating but but it's this heart  
56:21  
for God that is going to be established  
56:24  
in what we talk about and how we govern  
56:27  
our tongue and how that's going to  
56:29  
change our heart and when our heart

56:31  
changes how that's going to change what  
56:33  
we talk about and how we talk he says  
56:37  
concerning the works of men by the word  
56:40  
of your lips I have kept me from the  
56:42  
paths of the destroyer so men have works  
56:45  
and they're very destructive and we can  
56:49  
be seduced into supporting these men we  
56:53  
may not be out murdering babies we may  
56:56  
not be out prostituting small girls but  
57:00  
we may be supporting the people who are  
57:02  
doing this and it behooves us to know  
57:05  
who we are supporting and what we're  
57:06  
doing and again if we study God's Word  
57:09  
we're gonna be more perceptive and we're  
57:11  
not going to have a vile person will be  
57:14  
condemned by us by the word of your lips  
57:17  
so God's Word these words came from  
57:20  
God's lips to Moses Moses wrote down  
57:24  
what God spoke and David studied it and  
57:27  
he gave him wisdom and and you know I  
57:30  
can remember myself as a young man  
57:32  
wanting wisdom and knowing that there

57:35  
was something in the Bible but I  
57:36  
couldn't understand it so I just decided  
57:38  
to stick to Proverbs and I would just  
57:40  
read proverbs and looking back as a  
57:42  
young man proverbs protected me but I  
57:46  
would have been involved in so much  
57:48  
stupidity and wickedness had it not been  
57:51  
for the Proverbs and then from there you  
57:54  
know 40 years later maybe I've gathered  
57:57  
a little bit of wisdom and I've avoided  
58:00  
a lot of catastrophe because of the  
58:02  
words from God's lips and and they  
58:04  
transform they can take us from a  
58:07  
complete fool an idiot to someone who  
58:10  
can actually teach others and that's all  
58:12  
that's the destiny for all of us  
58:14  
concerning the works of men and there  
58:16  
are many works of men by the word of  
58:19  
your lips again the word I have kept me  
58:22  
from the paths of the destroyer and  
58:24  
Solomon says this in Proverbs he says  
58:27  
enter not into the path of the wicked

58:30  
don't do it be careful you're supporting  
58:32  
and who you're defending and go not in  
58:36  
the way of evil men hold up my goings in  
58:40  
your paths that my footsteps slip not he  
58:44  
says in continuing the Psalms my  
58:47  
footsteps slip not I have called upon  
58:49  
you and and again you know Christians  
58:53  
don't seem to understand when America  
58:56  
Falls and and it will but when it does  
59:01  
that you know Trump is not a perfect man  
59:04  
by any stretch of the imagination quite  
59:06  
a coarse man but he loves his country  
59:08  
he's a patriot and he's against  
59:11  
infanticide he's against abortion he's  
59:15  
against the trafficking of children he's  
59:17  
against the trafficking of drugs he's  
59:19  
trying to protect and preserve the  
59:21  
nation and we should see this and we  
59:25  
should understand the significance of  
59:27  
this globally that when America Falls  
59:30  
the vacuum that it will create the  
59:33  
wicked systems and Men that are going to

59:36  
come in and replace that and then the  
59:39  
person we think Christians are being  
59:41  
persecuted today wait until America  
59:43  
Falls then we will see persecution and  
59:46  
we ought to see through see through the  
59:49  
rhetoric of all these people who are  
59:51  
calling for utopia without Christ the  
59:55  
one thing I look at the American systems  
59:58  
the greatest empire that has ever  
60:00  
existed in the hue in the history of  
60:02  
humanity I challenge anyone to find  
60:04  
another empire that has been so powerful  
60:07  
and yet had so much restraint on its  
60:10  
power and done so much good for others  
60:13  
have enabled so many poor to climb out  
60:16  
of poverty  
60:17  
I challenge anybody to show me another  
60:19  
nation that has done this because it was  
60:22  
built upon biblical principles and  
60:25  
especially the rights of the individual  
60:28  
that every man is created in God's image  
60:31  
and likeness and has in a Leah Beloit's

60:34  
when that goes out the window everything  
60:37  
goes out the window  
60:38  
and Christians don't seem to understand  
60:40  
this they would they want to fall into  
60:42  
this utopian rhetoric where it's all  
60:45  
about the collective it's all about the  
60:47  
identity group that you belong to  
60:50  
craziness that's when they destroy  
60:52  
people and we can't support this he says  
60:56  
you hold up my goings in your path that  
61:00  
my footsteps slip not I have called upon  
61:02  
you for you will hear me O God incline  
61:05  
your ear unto me and hear my speech show  
61:08  
your marvelous loving-kindness show this  
61:12  
God o you that saves by the right hand  
61:15  
them which put their trust in you from  
61:18  
those that rise up against them David is  
61:21  
absolutely confident God will do this  
61:23  
there are the wicked both within the  
61:26  
covenant community and outside that rise  
61:28  
up against the righteous and David is  
61:31  
saying those that put their trust in God

61:34  
he'll save them so he's not gonna save  
61:39  
all Israel just because they're Israel  
61:41  
as Moses prophesied they have to turn to  
61:45  
God with their whole heart this is the  
61:48  
Israel that he'll save there's gonna be  
61:49  
many Israelites that actually will be  
61:51  
destroyed oh you that saves by your  
61:55  
right hand then which put their trust in  
61:56  
you from those that rise up against them  
61:58  
keep me as the apple of your eye hide me  
62:03  
under the shadow of your wings so David  
62:06  
understood that God's nature is to  
62:09  
gather his people under his wings and to  
62:12  
protect them but he also understood that  
62:15  
God's people are the apple of his eye he  
62:18  
wasn't saying that I David is singularly  
62:20  
in all the world I'm the only one that  
62:23  
you care about you were saying i underst  
62:25  
and I'm in the covenant community and we  
62:29  
are the apple of your eye and many of us  
62:32  
have departed but I'm holding on keep me  
62:35  
as the apple of your eye and Moses

62:37

actually says this he says when the Most

62:39

High divided to the nation's their

62:43

inheritance so all nations have their

62:45

inheritance when he separated the sons

62:48

of Adam he set the bounds of the people

62:51

according to the number of the children

62:53

of Israel

62:54

so there are 12 children of Israel and

62:57

that means there are 12 assignments of

63:01

all the nations that all the nations are

63:04

going to be assigned in some way to a

63:07

tribe of Israel then he says so they

63:10

have their inheritance so he he divided

63:12

to them their inheritance but then he

63:14

says in verse 9 but the lords portion is

63:17

his people Jacob is the lot of his

63:21

inheritance God is though the world will

63:24

inherit Jacob but God so so how should I

63:29

say this

63:30

Jacob will be assigned where the tribes

63:33

of Jacob will be assigned to the world

63:35

they'll have their wealth but they'll be

63:37

assigned to a tribe of Jacob and they

63:39

will bring their wealth as offerings to

63:42

that tribe and they'll enter Jerusalem

63:45

through that gate but then he says Jacob

63:48

is the lot of the Lord's inheritance so

63:51

so Jacob is going to inherit the

63:53

nation's but God is going to inherit

63:55

Jacob he found him in a desert land and

63:59

in the waste howling wilderness he led

64:02

him about he instructed him he kept

64:05

Israel as the apple of his eye no other

64:09

nation can say this only Israel is the

64:11

apple of his eye for thus says the Lord

64:13

of hosts after the glory he sent me this

64:16

is a Zechariah now prophesy after the

64:19

glory has he sent me unto the nations

64:21

which spoiled you so the nation spoiled

64:24

Israel but now God is going to correct

64:27

this why for he that touches you touches

64:31

the apple of his eye if only Muhammad

64:34

could have read if only he he actually

64:36

went into Deuteronomy instead of just

64:38

listening to hearsay I'm thinking that

64:40

he understood Judaism thinking that he

64:42

understood Christianity and never

64:44

actually sitting down and reading that

64:47

if you touch Israel you touch the apple

64:50

of his eye and now we have billions of

64:52

people who are going to be greatly

64:54

cursed because they're going to be

64:57

motivated to destroy the apple of God's

65:00

eye back to Psalm 17 from the wicked

65:05

that oppressed me from my deadly enemies

65:08

who surround me and who compassed me

65:12

about and again this surrounding of the

65:15

wicked we see in Ezekiel that says the

65:17

Lord because the enemy has said against

65:19

you

65:19

AHA even the ancient high places are

65:22

ours in possession and we know Jerusalem

65:25

is going to be surrounded by armies and

65:27

they're going to take all the wealth of

65:30

Jerusalem he says they are enclosed in

65:33

their own fat they think they've

65:34  
surrounded us they've actually  
65:36  
surrounded themselves and they're  
65:38  
enclosed in their own fat with their  
65:40  
mouths they speak proudly very arrogant  
65:42  
they think no one's above them they  
65:45  
think their God is the greatest and  
65:47  
where where is Elohim they have  
65:49  
surrounded us they have now surround us  
65:51  
this rounded us in our steps they have  
65:53  
set their eyes bowing down to the earth  
65:56  
he says this like as a lion that is  
66:00  
greedy of the prey so this he says  
66:03  
they've got venom under their under  
66:06  
their tongues  
66:07  
he pulls no punches but here he says  
66:11  
they're like a lion that is greedy of  
66:14  
his prey and and we I think of all seen  
66:17  
that takedown of a lion that is greedy  
66:20  
of its prey and it just there's no way  
66:23  
it's giving up it doesn't know when it's  
66:25  
gonna eat next and so this is how he  
66:28  
sees as it were a young lion lurking in

66:31  
secret places this is what they're doing  
66:33  
and and Solomon says their feet run to  
66:36  
do to do evil and they make haste to  
66:39  
shed blood this is who they are but then  
66:43  
he makes it clear  
66:44  
surely in vain is  
66:47  
that is spread the net is spread in the  
66:50  
sight of any bird so if you're setting a  
66:54  
net to catch a bird but you do it in  
66:56  
front of the bird you're not gonna catch  
66:58  
the bird but God is going to catch these  
67:00  
wicked people because he is in heaven  
67:02  
and they think God is not watching but  
67:04  
he is he is watching and they good  
67:06  
Solomon goes on to say they lay wait for  
67:08  
their own blood so all of this jihad and  
67:14  
all these attacks and the cultural  
67:16  
Marxists and what they're planning the  
67:18  
prophecies against them Solomon says  
67:21  
here they lay wait for their own blood  
67:23  
they lurk privately for their own lives  
67:26  
David goes on to say arise O Lord

67:29

disappoint him cast him down deliver my

67:33

soul from the wicked which is your sword

67:37

this is fascinating so the wicked David

67:40

understood you know deliver me from the

67:42

wicked but at the same time he

67:43

understood the wicked this is your sword

67:46

and he would get this from Deuteronomy

67:48

where in the curses Deuteronomy 28 and

67:51

29 God makes it clear the sword will

67:53

come after you and here in 32 he says

67:55

the sword without and terror within

67:57

shall destroy both the young man and the

68:00

virgin the suckling also with the man of

68:03

gray hairs and this is what we're seeing

68:04

these wicked people God is giving them

68:07

strength trillions of dollars in oil

68:10

just like winning the lottery why so

68:12

that they can come to power and Ishmael

68:15

and Esau can now pursue Isaac and Jacob

68:19

the sword without and terror within he

68:23

goes here rescue me from men which are

68:26

your hand

68:27

David these people again revelation

68:30

shows us the throne room God is in full

68:32

control and the wicked rising up today

68:35

this is the sword of the Lord these

68:37

these these wicked men are God's hand he

68:40

says Assyria is the the rod of his anger

68:43

these are men which are your hand O Lord

68:45

from men of the world which have their

68:48

portion in this life and whose belly you

68:51

fill with hid treasure here's here's a

68:54

trillion dollars

68:56

here's lots of wealth it's all yours

68:58

enjoy yourself because you're my sort

69:00

and so they can have everything in this

69:02

life they take what they want

69:05

but David understands it's just this

69:07

life they had they're full of children

69:11

and they leave the rest of their

69:12

substance to their babes so they're

69:14

they're having a wonderful time and so

69:17

will everybody who accepts the mark of

69:19

the beast as for me but David

69:22  
understands as for me I will behold your  
69:25  
face in righteousness this this is what  
69:29  
David is looking for and this is what  
69:30  
all the righteous people the righteous  
69:33  
man of God have looked for and women  
69:35  
this is the this is the finish line that  
69:38  
I'm gonna behold your face in  
69:40  
righteousness I shall be satisfied when  
69:43  
I awake with your likeness so I might go  
69:47  
to the grave but that is not the end and  
69:50  
although I might although I go to the  
69:52  
grave I look forward to my resurrection  
69:55  
and here John says and we'll end here  
69:57  
John says beloved now are we the sons of  
70:01  
God and it does not have yet appear what  
70:04  
we shall be but this is what we know so  
70:08  
we know this when he shall appear we  
70:11  
shall be like him for we shall see him  
70:15  
as he is and David absolutely understood  
70:20  
that when he says when I awake with your  
70:24  
likeness we are going to see God face to  
70:27  
face and we will dwell with him for all

70:31  
eternity as long as we are Torah  
70:34  
compliant and that's a FEMA's gonna run  
70:37  
through the Psalms that yes there's  
70:39  
going to be trouble and that we know  
70:41  
from the Scriptures there were going to  
70:43  
be persecution but it doesn't matter  
70:45  
let's keep our eyes on the prize keep  
70:48  
our eye on the finish line and that is  
70:50  
to awake in the righteousness of God and  
70:53  
to be able to see him as he is  
70:56  
so that's psalm 14 to 17 these Psalms  
70:59  
are wonderful there's lots of pearls and  
71:01  
wisdom here we just have to dig it out  
71:04  
and tease it out  
71:05  
and live by it and so we saw very  
71:07  
clearly these ten things of to do and  
71:11  
not to do to be Torah compliant to  
71:14  
answer the question  
71:15  
positively who will dwell in the  
71:19  
presence of the Lord in the tabernacle  
71:20  
of God when he brings his his dwelling  
71:22  
place to earth who when God shakes the

71:26

heavens on earth who will not be moved

71:29

let's be in that category we praise our

71:32

we worship a wonderful wonderful loving

71:35

guy he's full of loving kindness Jesus

71:37

Christ He is God he's in heaven but he's

71:42

coming to her he's coming back to earth

71:43

and God the Father is coming to earth

71:45

and the whole earth is gonna be shaken

71:47

and burned up and only the righteous

71:49

will live on into eternity praise God

71:53

what a wonderful God we serve praise

71:56

Jesus Christ he is Lord
