well welcome to another Wednesday night Bible study and this evening we are up to Isaiah chapter 56 just working through the second Isaiah and already up to chapter 56

let's open with a word of Prayer and then get into tonight's study Heavenly Father we come before you and we praise You Lord we thank you so much for your love and kindness and we just pray father that you'll continue to bless our efforts as we seek to understand your word we praise you we thank you we ask this blessing in Jesus Holy Name Amen so brethren I'll just ask you to forgive my voice just getting over something here and also friend asked for forgiveness in advance if I have to sneeze or something like that so apologize just trying to get through the study here this evening just before I get started just want to remind you again if you haven't already to download the CGI digital network app from the Google Play Store the Amazon Kindle Store or the Apple iOS App Store a wonderful application as I said last week Jeff Reed has really done a wonderful job here and just very easy to navigate and access the great resources that we have available to you so we are up to X 56 and what I want to do today is actually begin today's study in Hosea so we'll pick up today's study from the book of Hosea where we read and in that day will I make a covenant for them with the beasts of the field and with the fowls of heaven and with the creeping things of the ground and I will break the ball and the sword and I think from other prophecies that we've looked at I

believe this is speaking specifically of the ideology of Islam and the destruction and the havoc that it will wreak upon God's people in the final chapter as they fulfill their eschatology and the as it also fulfills our eschatology

I'll break the bow and the sword and the battle out of the earth so he will put an end

all of this and we'll make them to lie down safely so they this is the opposite of what they have experienced and now they'll be able to lie down safely now this part and I will be truth you to me for ever forever so there's the God is going to marry his people forever this is the exact opposite of this Islamic ideology that says they must be destroyed

God is saying no I will marry you to me forever yes I will betroth you to me in righteousness and in judgment and in loving kindness and in mercies he speaks of no one else like this except for the people of Israel in fact in Amos he says of all the families of the earth you only have I known so this is a 100% exclusive relationship that God has with Israel he saith fulness because he is faithful to the Covenant that he entered into the Covenant agreement that he entered into with father Abraham so so this is righteousness this is faithfulness despite Israel's wickedness God I will here says the Lord I will hear the heavens and they shall hear the earth and the earth shall hear the corn and the wine and they shall hear just real and just real meaning he souls and this is really an allusion to Jehu and the destruction of Jezreel but also that God will redeem Jezreel and I will saw her so just real meaning God Souls I

will show her unto me in the earth and I will have mercy upon her that had not obtained mercy

so this destruction is habit that will be upon these people God is gonna finally be merciful to them and I will say to them which were not my people you are my people and they shall say you are my god so this no no people have this destiny except the people of Israel this is a 100% exclusive relationship that God has

with his people Israel now before we go into acts sorry before we go into isaiah 50:6 i want to now take this hosea prophecy and the exclusivity of the relationship that God has with Israel and I want to read Acts chapter 8 as we go into Isaiah 56 in Acts chapter 8 we read and the angel of the Lord so index out 56 Philip was one of the Deacons that were ordained and he was also evangelizing like Stephen and here we see him in chapter 8 the angel of the Lord spoken to Philip saying arise go toward the south unto the way that goes down from jerusalem unto gaza which is desert and he arose and went and behold a man of ethiopia so nothing to do with Israel

he's an Ethiopian a man of Ethiopia a eunuch of great authority under Candace queen of these of Ethiopians so the fact that he was a eunuch would be no secret clearly the level of authority that he had it was clear that only units would be that high in authority under the Queen so he had great authority this Ethiopian unit so much so that he had charge of all her treasure and had come up to Jerusalem for to worship so even though he's not an Israelite he is what we call a God fear so there are many pagans that came to be familiar with the

Jewish customs or he could say the Jewish cult and they accepted the moral code they accepted the the teachings of Moses and just think they were not convicted not convert to Judaism but they would be alongside the Jews and would worship alongside the Jews as god-fearers so he was a god fear and he came so we are coming out of the Pentecost season here so he would have been there for Pentecost and now he would be returning he was returning excuse me and sitting in his chariot reading Isaiah the prophet then the spirit said unto Philip go near and join yourself to this chariot Zoe so there's a specific chariot that the Holy Spirit is directing Philip to saying go to this chariot and Philip ran there to him and heard him read the prophet Isaiah and he said do you understand what you're reading so he goes to the chariot and the eunuch is reading the prophet and he's hearing what the eunuch is reading and he is flabbergasted he has to ask do you actually understand what what it is you're reading and he said well how can i except some man should guide me and he desired philip that he would come up and sit with him so philip has just blown away by the scripture that he's reading and he's got like do you do you have any idea what you're reading and so he says no I need someone to explain this to me and then he says the place of the scripture which he read was this he was led as a sheep to the slaughter and we would recognize this as Isaiah 53 he was led as a sheep to the slaughter and like a lamb dumb before his Shearer so opened he not his mouth in his humiliation his judgment was taken away and who shall declare his generation for his life is taken from the earth the eunuch answered

Philip and said please who is the prophet speaking about is he talking about himself reasonable question or is he talking of some other man notice the answer then Philip opened his mouth and began at the same Scripture in other words he didn't go backwards he began in Isaiah 53 and preached unto Him Jesus so he had no idea who this was that the Prophet was speaking about maybe the Prophet is prophesying of himself and Philip says no he's speaking of Jesus the Christ and as they went on their way they came to a certain water and the eunuch said see here is water what does hinder me to be baptized this is a great question so the eunuch came to a very deep and profound understanding of what Philip was teaching him and as a God fear he was not directly included in the Judaic cult but he was certainly sympathetic to them and then worshiped the true God and now he's being taught about Christ out of Isaiah and Isaiah the Bible within the Bible it was the very much leaned upon even by Christ Himself when he was on earth and so here the Prophet is teaching about Christ and Philip is explaining this in grasping this the eunuch sees a body of water and says is there any reason why I can't be baptized and Philip said if you believe with all your heart you may and the answer that said I believe that Jesus Christ is the son of God and he that is the eunuch commanded the chariot to stand still and they went down both into the water both Philip and the eunuch and he baptized him and when they were come up out of the water the Spirit of the Lord caught away Philip that the eunuch saw him no more and listen to this the eunuch went on

his way rejoicing he was thrilled why would he be so thrilled and how is it that he came to this conclusion that there's nothing unless Philip identifies something but in his understanding there was nothing that should prevent his baptism well let's go back to what Philip taught him

in verse 35 we read that Philip oh so he asked him Phil come up so so Philip came up in the chariot and so this was a you know very powerful man and he desires him to come up into the chariot so Philip does that and began at the same Scripture so he didn't go backward he went forward from Isaiah 53 and preached unto him Jesus so we know as ayah 53 it's a very memorable scripture that we just read here and quoted in acts 8 in Isaiah 54 so and we also know from Isaiah 53 when we studied it it is speaking exclusively of the relationship that God has with Israel then here in 54 now chapter 54 he says fear not for you shall not be ashamed neither be you confused for you shall not be put to shame for you shall forget the shame of your youth and shall not remember the reproach of your widowhood anymore for your maker is your husband again we just read that in Hosea so God is going to marry his people your maker is your husband the Lord of Hosts is his name your Redeemer the Holy One of Israel very exclusive relationship that God has with Israel the god of the whole earth shall he be called so Philip is teaching the uniqueness and a very special role that Israel has within God's plan incline your ear and come unto me here and your soul shall live and I will make an everlasting covenant with you even the sure mercies of David and again all of this is exclusive to Israel and the

eunuch is being taught by Philip the special redemptive role that Jesus Christ is planing in the life of Israel and when I say Israel I do not mean the nation that we call Israel today that nation is populated by a segment of what we call the tribe of Judah but Israel is one of them was the son of Isaac one of the sons of Isaac his name was changed from Jacob to Israel and he had twelve sons which became the 12 tribes of Israel and so the descendants of these twelve men are who that did the genetic descendants of these twelve men are whom the Bible refers to as Israel and the nation we call Israel today is made up of Jews that's just one of the twelve tribes so this relationship that we're seeing here that Philip is teaching the eunuch about he is coming to understand the exclusive role that Israel plays in the plan of God and how Jesus the Christ has come to redeem Israel and make an everlasting covenant with them even the sure mercies of David now the eunuch would have been excluded and would be worshipping an arm's-length with Judah and either way he would know from the law that as a eunuch he is certainly excluded he that his food this is here he that is wounded in the stones or has his private member cut off shall not enter into the congregation of the Lord so as much as this man and it wouldn't be his fault that he became a eunuch but as much as he would desire to be a part of the congregation of the Lord the law is the law and so he understood that now Philip keeps reading and comes to Isaiah 56 thus says the Lord keep you judgment and do justice for my salvation is near to come and my righteousness to be revealed okay

eunuch is listening blessed is the man that does this and the son of man that lays hold on it that keeps the Sabbath from polluting it and keeps his hand from doing any evil and many people will try to argue that the Sabbath is done away Jesus Christ has done everything for us we don't need to do anything for ourselves and very clearly we see prophecy here that those who will be the beneficiaries of God's salvation which is near are those that keep the Sabbath so this this gentleman not only does it keep the weekly Sabbath he keeps the holy high days and so he goes to Jerusalem to worship on these high days and so here now Philip is reading to him this text it says blessed is the man that does this does what that keeps judgment that does justice blessed is the man that does this and the son of man that lays hold on it that keeps the Sabbath from polluting it and keeps his hand from doing any evil so the eunuch is listening listening neither let the son of the stranger so this man is in Ethiopian he's not part of the tribe of Judah or Israel neither let the son of the stranger that has joined himself to the Lord speak saying the Lord has utterly separated me from his people so the Union the eunuch is reading Isaiah he gets to chapter 53 and the way they used to read back in the day was they would read out loud so today if I'm on the train or a plane or somewhere and I'm reading i'm gonna read silently that's the way we read today but back in the day they didn't read this way when they read they read aloud and so the man is reading aloud Isaiah he's in he gets to chapter 53 is reading it as Philip approaches him and he's listening to

this do you understand what you're reading no who's he talking about well can you come up here and explain and Philip then takes from Isaiah 53 reads 53 if it when I can no chapter breaks but just reads the squirrel coming now into Isaiah 56 perfect timing perfect timing and he reads neither let the son of the stranger that has joined himself to the Lord speak saying the Lord has utterly separated me from his people neither let the eunuch say behold I am a dry tree

for thus says the Lord unto the eunuchs that keep my Sabbath's this is this is the minute so that he's read but Philip is reading this to the moon for thus says the Lord unto the eunuchs that keep my Sabbath's and choose the things that please me and take hold of my covenant even unto them will I give in my house and within my walls a place and the name better then of sons and of daughters and I will give them an everlasting name that shall not be cut off so this man was a victim of the practice of the time and had his private parts removed and now Philip is reading to him that God will give him an everlasting name that shall not be cut off and it's gonna be something better than sons and daughters also the sons of the stranger that joined themselves to the Lord to serve Him and to love the name of the Lord to be his servants every one that keeps the Sabbath from polluting it and takes hold of my covenant so not only is it the eunuch but it is also the stranger that joins themselves to the Lord and I think I need to just for this now so we went back in time to the eunuch and Philip joining the eunuch but here I think we can go forward in time that the sons of the stranger that joined themselves to

the Lord to serve him and to love the name of the Lord they're not going to be cut off either to be his servants everyone that keeps the Sabbath from polluting it and takes hold of my covenant even then will I bring to my holy mountain and make them joyful in my house of prayer their burnt offerings and their sacrifices shall be accepted upon mine altar for my house shall be called a house of prayer for all people so God makes it very clear that the stranger who basically abandons his strange ideology and joins himself to the Lord will not be cut off either so the stranger and the eunuch and I think as I kind of fast forward here into the future that just look at this texts here that most people are completely unaware of this is here about the Arab enslavement let me just see if I can get this lined up properly give me one moment

ten facts about the Arab enslavement of black people not taught in schools and so a lot of people don't realize this all I hear today is how horrible America was and we need repair repatriation and America America slave trade slave trade and not realizing America ended the slave trade Christian white Christians bled and died and sacrificed everything to end slavery and slavery was ended in America and here most people do not understand this the number of people enslaved by Muslims has been a hotly debated topic especially when the millions of Africans forced from their homelands are considered some historians estimate that between 650 and 1910 to 20 million people were enslaved by Arab slave traders I've actually seen a more accurate estimate of 28 million 28 million enslaved by Arab slave traders

others believe over 20 million enslaved Africans alone had been delivered through the trans-saharan routes alone to the Islamic world and then there's this doctor in his book the legacy of Arab Islam in Africa that over 80 million more black people died over the route so if 20 million made it it means that 20 percent of them a hundred million were captured but 80 million died and only 20 million actually needed here's a picture of a black eunuch and he says here the Arab slave trade typically dealt in the sale of castrated male slaves black boys between the age of 8 and 12 had their scrotums and penises completely amputated to prevent them from reproducing about six of every ten boys bled to death during the procedure according to some sources but the high price brought by eunuchs on the market made the practice profitable some men were castrated to be eunuchs in domestic services and the practice of neutering male slaves would not only two black males so you can see here that this practice of creating eunuchs out of slaves is something that the Arabs did repeatedly wholeheartedly to this day they've never apologized for it it is a part of their doctrine and most people are completely unaware of this completely unaware of it and I think what the scripture is telling us here as Islam comes back into its glory that this is history as proof of prologue that the past repeats itself and so these people are going to be brutal and they're going to create eunuchs and yet the eunuch that they created the victim and the victimizer can both be forgiven so the sons of the stranger and later in Isaiah will see this I think is in chapter 65 very clear identify who this

is the sons of a stranger that joined themselves to the Lord so they've repented and they've come to the Lord and the only way they can repent and come to the Lord is if somebody is preaching the gospel that despite the the rhetoric that they have despite the military power that they have someone is preaching the gospel and they actually here can come to repentance so the sons of the stranger that joined themselves to the Lord to serve Him and to love the name of the Lord to be his servants everyone that keeps the Sabbath from polluting it and takes hold of my covenant again if the Sabbath is done away why does God make such a big deal of it when he looks into the future even then will I bring to my holy mountain and make them joyful in my house of prayer even then so God will accept repentance their burnt offerings and their sacrifices shall be accepted upon mine altar for my house shall be called a house of prayer for all people and that again we have to understand this exclusive relationship that God has with Israel ultimately is for the benefit of all people it's a blessing to all mankind the promise to Abraham was in you shall all the families of the earth be blessed and this is a fulfillment of that promise verse 8 the Lord God which gathers the outcasts of Israel says yet will I gather others to him beside those that are gathered unto Him so again we have to be very clear that this is God's plan he's going to gather his people from the four corners of the earth but then Isaiah's telling us that it's not only then but he's gonna gather others to him as well so we know it we

know from Deuteronomy Moses taught us this from the very beginning Deuteronomy 30 verse 3 that then the Lord your God will turn your captivity or in your captivity and have compassion upon you and will return and gather you from all the nations where the Lord your God has scattered you so that's the fundamental prophecy Moses laid it down before they even went into the Promised Land you're gonna go in you're gonna be blessed but then you're gonna be cursed according to everything that I've just laid out here and part of that person is you're gonna be scattered and subjugated all over the earth but then you're gonna be driven to repentance and your heart will actually be truly wholeheartedly for the Lord and God is gonna gather you and bring you back from the four corners of the earth this is the fundamental prophecy it's repeated several times Isaiah for example says they'll shut up instead of an insight for the nations and shall assemble the outcasts of Israel and gathered together the dispersed of Judah from the four corners of the earth Christ Himself repeats it in Matthew 24 he'll send his angels with a great sound of a trumpet and they shall gather together his elect from the four winds from one end of heaven to the other so what Isaiah now says in Isaiah 56 is yes he's going to do that according to Moses initial prophesy but in addition to gathering the physical descendants he's also going to gather others beside him and we see that in Revelation he says I heard the number of them which were sealed in 144,000 of all the tribes of the children of Israel but when he turns and looks after this I looked and lo a great multitude which no man could

number of all nations and Kindred's and people and tongues stood before the throne and before the lamb clothed with white robes and palms in their hands so so it's not just the physical descendants of Israel that he's going to gather he says beside these I'm going to gather others as well and that's what I is telling us that there will be others who will be driven to this process of repentance alongside Israel and they will be gathered as well because it's going to be a house of prayer for all peoples okay no the prophecy shifts it's almost like this is a new section so we just saw again that just cannot emphasize enough for those who think oh the Sabbath's done away we don't need to keep the commandments that first section was just all about righteousness and people who come to true repentance and that includes keeping God's commandments and God really sets it out by highlighting the Sabbath day but now we enter into a new section where he says all you beasts of the field come to devour yes all you beasts in the forest so there's a devastation here and before we get to the salvation there's this period of destruction and there's a calling out to not just one or two of the beasts of the field but all the beasts of the field are invited to come to devour God's people yes and not just of the field of the forest as well and here in Psalm 83 we see that for they have consulted together with one consent they are Confederate against you so this Confederation is all of these beasts and we tend to think of the Beast the Beast but here the invitation goes out to all the beasts there are many beasts and this is something that I think we need to be

sensitive to i think i'm clearly my position is that the ultimate the beast is that's the political beast in revelation 13 from my perspective is an islamic antichrist but we also have the false prophet who signals to the world to worship the beast and so there's there there's a role that certainly i believe and i don't know if it's this current pope although he certainly seems to have all of the indications that certainly a compromiser and he shows that the Catholic religion is not solid it's unlike Islam which doesn't move it was laid down there's no deviation there's no innovation it is what it is whereas here with the Roman Catholic Church and its doctrine it seems constantly changing and here this article dated March 10 that Pope Francis really reconcile Christianity with Islam on February 4th Pope Francis and Sheikh Ahmed el-tayeb grand Imam of elack's are signed a document on human fraternity for world peace and living together so in other words they have come to this agreement as to how all humanity can be reconciled and then and have world peace and I'm telling you Islam doesn't budge so therefore the Catholic Church is willing to give up things like the deity of Christ in order to have peace world peace so the dog is deemed a historic date ons sort of a peace treaty between the Christian religion is represented by the Catholic Church and Islam which to put it mildly have had a lot of intense conflicts over the centuries so goes on to explain this document that the Pope has signed so again all the beasts of the field are invited to this slaughter of God's people and so it's not just this lamb we have also the communist beast and many

people believe that that is the Beast
it's going to be some sort of communist
beast but when I read scriptures like
John 16 it's clear that those who kill
you or kill us will think they do God's
service so it has to be a beast power
that has a God that it serves and
certainly communism is godless but again
we have to watch America America really
as as so goes America so goes the
Christian world I would say but here
when we see the whole communism
influence of the
communist takeover of the Western world
this is something to behold and here if
you go back in time 1963 the 45
communist goals as read into the
Congressional Record in 1963 so in 1963
this these 45 communist goals were
uncovered and they were read into
Congress and I just want to highlight a
couple just actually one of them is
please out google this the 45 communist
goals from 1963 but I just want to come
down to this one
number 15 it says to capture one or both
of the political parties in the United
States so this was a goal that they set
out to do in 1963 and so if you start to
hear one or both of the parties
beginning to sound more and more like
socialists more and more like communists
this is no accident this is no accident
and so communism is responsible for over
a hundred million deaths it is brutal
you know the only system I know that's
more brutal than communism is Islam
which is responsible for some 280
million deaths but his theme is older
1,400 years whereas communism is wore
out just over 100 years
so let's look now just at the influence
today over one or both of these parties
take a listen to this this is a

gentleman by the name of his YouTube channel is mr. Reagan and Russia what his actual name is but it was a good analysis here of the influence of somebody like an Alexandria Ocasio Cortes who is so radical in her socialism that it makes you want to take a look listen to this the mastermind behind it all

jank Luger of The Young Turks now this may all sound completely nuts like a big conspiracy theory but the Justice Democrats was heavily promoted on The Young Turks

we have video evidence from the inception

through into the campaigns I think they have maxed out on incompetence so that is why we must choose a new path and that is what we embark upon today what we need to do is take over the

Democratic Party and as Martin Luther King said when he did the civil rights movement he said he was doing it not just to help African Americans but to save the soul of America here we're going to try to save the soul of the Democratic Party by boarding the Democratic Party ship and taking it over how are we gonna do that

we're gonna run strong progressives from now on there will be a new wing of the Democratic Party and it will be the Justice Democrats we will seek social justice economic justice racial justice and plain old justice justice now you might think if Jake wanted influencing government why need just run if psychotic herb Rd wanted influencing government I mean despite his awkwardness why didn't he run why put up a OSI the goals of this group are far grander and far more sinister than simply electing a single congresswoman

to office the goals are to take over the Democratic Party eventually take control of Congress and in turn control the United States and I know all of this sounds completely insane but they have expressed their intentions very clearly on camera

we're gonna run hundreds of candidates and we're gonna primary all the establishment Democrats so we're not gonna be like oh is it Chuck Schumer maybe yes maybe no right no it's a hard no but wait a minute now though are you really going to primary vulnerable Democrats yeah that's the whole point if in 2018 we don't achieve our grand vision of a wholesale challenge in two years which is very very hard we know that right you get are you kidding me if you got six let alone twelve let alone twenty four people in Congress you know what would happen in Washington people would freak the hell out oh my god what in the world these guys would that have no money to begin with no nothing to begin with just put twenty four people in Congress look we want hundreds we want to we want to replace Congress guys are coaching her there's ding everything she says you notice when she goes off-script because she suddenly starts babbling and comprehensively the girl in this next clip is now the head of the Justice Democrats her name Alexandra Rojas really I think a big anchor piece is the green your deal and talking about it in a frame of social racial and economic justice and a mobilization of our economy in our society at the scale of what we did during World War two the green New Deal how's that going to be different I think what we're calling for is a mobilization of our economy of our society on the

scale that we haven't seen since World War two like this is the war this is our world war two it's clear that AOC is being coached on absolutely every policy point she makes and if this is not enough to give you pause consider that the green New Deal was drafted in one weekend by her staff

[Music]

Alexandra Ocasio Cortez had zero to do with it as far as I could find she wasn't even in the room now this is AOC's landmark legislation proposal it essentially sums up her entire platform and lays out everything she wants to do in Congress

she didn't even participate in the drafting of the legislation guys so you can see these communists have been extremely effective and it's interesting as well that the name the Young Turks if you know anything about history The Young Turks were responsible for the genocide of the Armenians and so an interesting name but very clear this communist ideology is to take over America and so the Bible says that all you beasts so it's not just the Islamic beast when in fact on that point let me just make one other observation here and that is with respect to the Muslim Brotherhood in in Congress and in government so this document the Muslim Brotherhood strategic plan for America that's something again you can google it's out there you can get the PDF of it says the following document is the official document from a 1991 meeting which outlines the Muslim Brotherhood strategic goals for North America so the Muslim Brotherhood was formulated with after the fall of the Ottoman Empire in 1921-22 immediately after that fall the Muslim Brotherhood was formulated in

order to resurrect the Islamic empire so here they're meeting the document was entered as evidence in the 2008 holy Dan terror funding trial federal investigators found the document in the home of Ishmael Elba Rossi a founder of the dar al hydra mosque in Falls Church Virginia Virginia during the 2004 search Alvaro C was a member of the Palestine committee which the Muslim Brotherhood had created to support Hamas in the United States so it goes on just to give us an English translation but I just pick up a couple of paragraphs says here in Maple mint of his lab in North America meaning establishing an affair active and stable islamic movement led by the Prophet Muslim Brotherhood which adopts Muslims causes domestically and globally and which works to expand the observant Muslim base aims a unifying and directing Muslims efforts presents Islam as a civilization alternative and supports the global Islamic state wherever it is so this is going to happen from within America that America will find itself supporting Muslim causes domestically but also global causes though they will align with Palestine / Israel because of this infiltration on page 5 the movement must plan and struggle to obtain the keys and the tools of this process in carrying out this grand mission as a civilization jihadist responsibility so they need to get into government understand how the government works understand the secret chambers and what's discussed and how it's all carried out in order to carry out this grand mission page 7 the process of settlement is a civilization jihad Pro jihad is process with all that the word means the ik Wan that is the

muslim brotherhood must understand that their work in america is a kind of grand jihad in eliminating and destroying the Western civilization from within and sabotaging it's miserable house by their hands and the hands of the believers so it's something that Americans are going to do to themselves but the believers are going to help as well but we need Americans to be so supportive of these causes that they don't even know that they're actually destroying their own civilization we must possess a mastery of the art of coalition's the Bible speaks of this is Confederate so they have to be just really subtle and and very persuasive very subversive without people realizing in building these confederates

these coalition's the art of absorption and the principles of cooperation so they'll cooperate with the Communists they'll cooperate with the Socialists they'll cooperate with the feminists and everybody until they get their way so very very fascinating to just look at that and understand that the beasts of the field are in fact gathering as as God invites them to do that they they think it's their brilliance they think it's their craftiness when in fact it's only by God's permission that this is allowed at all otherwise it could never happen so Psalm 83 tells us that they have these beasts of the field they have consulted together with one consent so there's something that they're all coming together they're all agreeing ultimately I believe that that one consent is going to be the Islamic ideology and Sharia law but you just read in the Muslim Brotherhood they're willing to cooperate and have a coalition with everybody and so the Pope

is getting dragged into this the socialists and communists are getting dragged into this and they're all coming together with one consent he says they are Confederate against you the tappman and who specifically is driving this the Tabernacles of Edom and the Ishmaelites of Moab and the hag arene so we talked about this last week Cabala naman and the Melek and Philistines with the inhabitants of Tyre Asher is also joined with them and they have helped the children of lot so when it's about in detail last week on Gog and Magog I invite you to go there if you need more details but let's also now look at Obadiah so we started with Hosea and we see this exclusive marriage that God is going to have with Israel but let's now look at Obadiah and see what does Obadiah say who is at fault ultimately in the end because these prophecies although there's an initial fulfillment the way they're worded we can actually see that there's a latter fulfillment as well so here we see this is the vision of Obadiah thus says the Lord God concerning Edom so Esau takes a big role on the world stage in the end so we have to go back to Genesis to understand what is the origin of this conflict between Esau and Jacob and how is it playing out today and so it seems like this ideology and it's you know very much like if you look at Persia or Iran today that Iran is a plot of land but nobody can rule that land unless they're in Arab only descendants of Muhammad can have that highest office in the land so even though it's a Persian land it's actually run by Arabs and so we have to understand this Jim may God knows who has what DNA but very clearly from these prophecies Esau looms large

in the end time the vision of Obadiah
thus says the Lord God concerning Esau
king concerning
Edom we have heard a rumor from the Lord
and an ambassador is sent among the
heathen arise you and let us rise up
against her in battle behold I have made
you that is Esau small among the heathen
so obviously Esau was huge a big deal
among the heathen when God says I've
made you small among the heathen you are
greatly despised the pride of your heart
has deceived you so Esau has adopted
some ideology that tells him out of his
holy book that he is the best of mankind
and the followers of Christ and the
descendants of Judah are the worst of
mankind and so he's just pumped up with
this pride the pride of your heart has
deceived you and that's how we know in
any any religion that teaches pride
pride we know that this is the
affliction of the devil oh just so when
we see that in Isaiah 14 the pride of
your heart has deceived you you that
dwell in the clefts of the
who is habitation is high that says in
his heart who shall bring me down to the
ground and this is sort of the counter
or the the compliment to when they look
at the beast and they say who shall make
war with him he is such a force that no
one can make war with him and that is
something that this this Sharia law or
this how should we say Sharia the
ideology it's powerful and people don't
understand they're playing with it in
America and inviting it in all the
Western nations what I'm focusing on
America because America is the
superpower and once America goes down
forget that the Judah or the nation the
physical nation of Israel today it is
protected in the middle of the Middle

East because of the influence of America and the protection of America which the Muslim Brotherhood is now infiltrated the Congress and is beginning to raise questions around why are we loyal to Israel and not Palestine so that's all taking place and again Christians are on the world we sexually saw in the previous administration that Christians were not being helped despite the persecution all around the world here is a minister evangelist that spent a lot of time in the Middle East and she is speaking at a conference called women Middle Eastern women is the name of the conference and I'll just have to listen to them for a bit five years as Christiana said I was in the foreign Middle East

I lived there part of the time and went back and forth the other part of the time I was on the afghan-pakistani border where the refugees poured into Pakistan one day visiting the camps when a lady walks out from her hut her husband was in the house she walks out to hang up her laundry heard about des falls off her husband sees her wave to the neighbor he comes in chops her head off

throws it to the neighbor and says if you want my wife there she is so this is what we face with radical Islam don't for 3500 watch pregnant woman get stabbed in the abdomen stabbed in the admin room right in front of her and she was my only surviving family member

baby's pulled out of their stomachs this was not too long ago my friends this is less than a hundred years ago all because my family was Christian my great grandfather's were crucified on crosses so this is an ideology that is ruthless

its ruthless to its own people and it is designed to how these people believe they are superior to Judah and to all Christians and history is prologue what's happened in the past is just a dress rehearsal for what's going to happen in the future and God is actually inviting them now there's no holds barred and so here where he says who shall bring me down to the ground the corollary of that is who can make war with him is ruthless and so this is featuring in the end time though you exalt yourself as the eagle and though you set your nest among the stars from their will I bring you down it says the Lord so he's not too powerful for God powerful for mankind and mankind's like wow we the disease impenetrable there's nobody that can stop him well God is going to stop him if thieves came to you if robbers by night how are you cut off would they not have stolen until they had enough so God's post like there's something wrong with these people in the end time they just will not stop and God is saying look even if thieves broke into your house they would steal sure but there's some point where they say okay we have enough but these people they're taken over this ideology makes them susceptible to Satan and they just can't stop if the great gatherers came to you would they not leave some grapes how are the things of Esau search out how are his hidden things sawed up again this is in time all the men of your confederacies again we see this this craft that they have of building Confederacy building Confederate alliances it's going to backfire on them so says Obadiah all the men of your Confederacy have brought you even to the

border the men that were at peace with you have deceived you and that's that's in fact how the Ottoman Empire fell because Islam is brutal it's a strong man's ideology so people go along with it they surrender they submit because they have to but deep inside and Islam doesn't care what's happening inside just as long as there's outward appearance so deep inside there's a resentment and the Arabs resented when the Turks took over and so they were willing to betray the Turks with Britain and France and so here whoever the strong man is in the end time he has peace only because he's strong and there will be resentment and willingness finally when the opportunity arises to overthrow him the men that were at peace with you have deceived you and prevailed against you they they eat your bread have laid a wound under you there is none understanding there's no understanding in here and this is always the case with these empires that are built on on force they all were the in fact that's why many of them when they come into power they they slay all of their siblings just so that there's absolutely no chance of another person trying to legitimately claim the throne and they're constantly having to sleep with one eye open and look over their shoulder shall I not in that day says the Lord in that day this even destroy the wise men out of edom and understanding out of the mountain to be saw so God is against Esau in the end we're just before Christ returns in fact upon his return he's returning to destroy Esau and your mighty men o to man shall be dismayed so who shall make war with him well your mighty man shall be dismayed

to the end that every one of the Mount
of Esau may be cut off by slaughter God
is not joking for your violence against
your brother Jacob shall cover you
and you shall be cut off forever so
there's something between Esau and Jacob
that began in Genesis that doesn't end
until revelation so this is we need to
identify Esau and we also need to
identify Jacob where is Jacob today who
are the Jacob white nations we're
looking for nations that have been
blessed beyond measure who are now being
torn down who have rejected Christ and
in the process of rejecting Christ and
taking prayer out of school and and just
becoming very secular that their moral
self declined and they have no pride and
they have no no sense of purpose and
they're allowing the non Jacob i'ts into
their lands and that process is
destroying them can we find any nations
that satisfy these criteria so now this
violence is against them but God is God
as God allows it come you beasts of the
field devour come and eat but God will
only it's only for a time and then God
is gonna put them into it for your
violence against your brother Jacob
shall cover you and you shall be cut off
forever so this hasn't happened yet it
has to be one when God acts on Esau it's
forever and so again you can see this is
in time though the way yes it was
fulfilled anciently but it's it's dual
there's a future fulfillment for the day
of the Lord is near upon all the heathen
so they're gonna have their heyday but
then God is coming to put an end to it
for the day of the Lord is near upon all
the heathen as you have done it shall be
done unto you revelation said John says
he that lives by the sword shall die by
the sword

so Esau has been living by the sword and
now he's going to be slain by this
as you have done it shall be done unto
you your reward shall return upon your
own head for as you have drunk upon my
holy mountain some piece is coming to
Israel

the physical nation of Israel is coming
to Jerusalem he's up on the mountains of
Jerusalem he is slaying God's people up
and down blood is dripping everywhere
and God says okay you live by the sword
you die by the sword

for as you have drunk upon my holy
mountain so shall all the heathen drink
continually it's gonna come back on you
yes they shall drink and they shall
swallow down god I'm gonna stay I'm
gonna make sure this comes back on you
and this again is fulfilling Deuteronomy
30 s exactly what Moses said happened
and they shall be as though they had not
been they're gonna go out of existence
however that's not the fate for God's
people but upon moans I know shall be
deliverance so there's gonna be
slaughter up on Mount Zion come you
beasts of the field come and eat and
then God's gonna stop it and upon Mount
Zion shall be deliverance and there
shall be holiness and the house of Jacob
shall possess their possessions so all
this wealth that Esau has and then it's
by theft again he has an ideology that
says it's okay for him to steal and to
jihad enables him to take the spoils and
he's gonna be reading his holy book and
saying it's okay it's good for me to do
this I'm empowered God my my God is
pleased when I when I when I steal so
he's reading his holy book that tells
him it's okay for him to take Jacobs
possessions but God says no I'm gonna
put an end to them they're gonna go out

of existence and this is why the first part of Isaiah is so important these people must be brought the gospel before it's too late so that they can repent and come to Jesus Christ and God God will accept them and will accept the eunuchs as well in fact the eunuchs that they create and the house of Jacob shall be a fire so God is gonna give the house of Jacob strength the house of Jacob shall be a fire and the house of Joseph of flame and notice it's not just you the house of Jacob all the nations of Jacob will be a fire and the house of Joseph aflame and the house of Esau for stubble this is endtime prophecy and we cannot understand it unless we understand that the conflict when Christ returns is between Esau and Jacob and God gives de saw has the upper hand and then Christ returns and gives Jacob the upper hand this is what we're looking for and this is what we need to understand is happening in the earth today that this is the time of the Gentiles meaning it's the time of Esau and his Confederate nation his coalition and so when God returns Joseph or Jacob becomes a fire and Esau is the wood for the fire and they shall Kindle in them and devour them and there shall not be any remaining of the house of Esau for the Lord has spoken it this is serious if we love mankind we need to get this message to Esau we need to enter into debate with Esau and say you are on the wrong side Satan has taken over your your whole Nations and you've been deceived you must come to understand the central role of Jesus Christ and you've been given an ideology that attacks and

prevents you from understanding Christ and understanding the beauty of marriage and the plan of marriage in the plan of God the role of marriage in the plan of God and you despise your wives you hate them you have four of them and they're just they're they're nothing to you and while you have them you despise the fact that their physical while you yearn and lust for these mythical figures in Jannah which is absolute rubbish and nonsense and then you have all these sex slaves no no wonder you have no true love for your wife or wives you you're just totally shipwrecked by this ideology you've got to come to study the Bible and it's an ideology that's supposed to be based upon the Bible but which prophet does your prophet agree with you name the prophet and and we'll research the Prophet and see do they teach anything like what you teach you when you read in your crime nothing so here he's saying there shall not be any remaining of the house of Esau this is serious for the Lord has spoken it and this is again all the prophets great I'll say the same thing Zechariah says behold I will make Jerusalem a cup of trembling unto all the people around about it all these nations that come and surround it they're gonna be terrified by it when they shall be in the siege both against Judah and against Jerusalem so while they're in the siege which if we put Zechariah and Obadiah together Esau is leading this siege and in that day will I make Jerusalem a burdensome for all people all that burden themselves with it shall be cut in pieces and though all the people of the earth be gathered together against it so this is Esau leading this Confederation against

Jerusalem in that day will I make the
governors of Judah like a hearth of fire
among the wood so Esau will be the wood
we put this to put the prophecy together
Esau will be the wood Judah will be the
fire and the whole house of Jacob will
be the fire and these people will be as
if they never existed and like a torch
of fire and a sheath and they shall
devour all the people around about and
so it's no accident that we have ill
Hanna Omar in the US government
questioning the relationship with Israel
and pushing the agenda for Palestine
this is just the beginning
eventually as we let more and more
migrants into the Western nations and
they find themselves because of our
democratic process taking over our
governments and changing our policies
and practices all the people of the
earth will be in agreement
and they'll all go to destroy these
people on the end so they'll have the
rhetoric that says
you know they're they're they're
occupiers on the right hand and on the
left and Jerusalem shall be inhabited
again in her own place even Jerusalem
you might not believe it but even
Jerusalem will be inhabited we come back
to a Obadiah the last verse of Obadiah
and savior's these are the Christians
these are the people who have received
the firstfruits there's gonna be a fall
harvest and then God is gonna pour out
his holy spirit on his people but there
so there's a spring harvest and there
are people who have received his Holy
Spirit early and when Christ returns the
firstfruits return with him and Savior
shall come up on Mount Zion to judge the
Mount of Esau it is know this is a
serious matter if you in any way are

aligned with Esau when Christ returns
words family
words family and so we must preach this
gospel we must preach it accurately and
definitively and with conviction that
God is coming and he's coming for his
people Israel and his name will be holy
in all the earth
despite Esau's attempts to stamp this
name out so a savior shall come up on
the Mount Zion to judge the mount of
Esau so this powerful government of Esau
will be brought down and the kingdom
shall be Florence so there's this
controversy a kingdom is being set up
that this so my opinion in the
resurrection of the Ottoman Empire being
set up in this vast and if massive and
who can make war with it then God's
gonna bring it down and restore the
kingdom to Israel the kingdom will be
the Lord's and the Lord will give it to
Israel and this is why we see again in
Malachi God hates Esau he says I hated
Esau and laid his mountains and his
heritage waste for the dragons of the
wilderness and we the firstfruits are
going to help in this process whereas
Edom says we are impoverished when we
will return and build the desolate
places thus says the Lord of hosts they
shall build but I personally will throw
down and they shall call them then these
this is
he saw is the focal point they shall
call them the border of wickedness and
the people against whom the Lord has
indignation forever but we saw in Isaiah
56 these people can leave this ideology
they can repent they can join themselves
to the Lord's people and God says yep
I'll accept them my house will be a
house of prayer for all peoples and then
they'll be great joy in my house but as

long as they're attached to this ideology and attached to the destruction of the house of Jacob God says whoever messes with the apple of my eye messes with me back to Isaiah 56 as we just wrap up here he says his Watchmen are blind they are all ignorant so Ezekiel 33 says when I said a man to be a watchman for the people it's his job to cry out when he sees the sword come upon the land he needs to tell the people the sword is on the land and so that's what we're telling you now the sword is on the land the sword of Islam is on the land it's in Europe it's in the UK it's in Canada it's in Australia its in New Zealand it's in South Africa it's in America it's on the land globally it's on the land Muslim Brotherhood a clever crafty and if this thing is happening very very quickly and the Communists and socialists are cooperating me each one is using the other thinking that they'll get the upper hand in the end but God's saying that most of his Watchmen we don't know what's going on so blind means we don't understand prophecy but it's happening right under our noses but we don't realize it is Watchmen they're blind they are all ignorant they're all dumb dogs they cannot bark sleeping lying down loving to slumber and this is where Ezekiel says son of man set your face against GOG this is serious we are against GOG we are against Sharia this is evil and we're against it and we can't compromise with it we can't say plain like the Pope well let's figure out how we can reconcile these things we can't he says yes there are greedy dogs which can never have enough and they are Shepherds that cannot understand they all look to

their own way everyone for his of his gain from his quarter and this is why you know when we have ministers that do not look to their own way and then let us say the CGI 95% maybe more of the ministry is unpaid we do this out of the love for God's people and love for God's love for his word we are we are not salaried and so the CGI ministry we do have a couple of exceptions and those men are wholehearted and we need me need more like that but most ministries are just full of paid ministers and they're told what to preach and when to preach and what they'll say and what they won't say and so they're easily manipulated and so they all look to their own way every one for his gain from his quarter and this is where even Paul in in the first century he says here it says the Philippians but I trust in the Lord Jesus to send Timothy shortly unto you but I also may it be a good comfort so I need to be comforted in knowing your state when I know your state's we have sinned Timothy he says for I have no man like-minded tonight I don't know what was going on at the time where exactly he was and where everybody else was but where he was in Rome and particular people around him at that time he says for I have no man like-minded who will naturally care for your state so it was just in Timothy to care about these people but he said I can't send anybody else that just has that natural care for your state for all seek their own and I think this is an allusion back to Isaiah for all seek their own not the things which are Jesus Christ let's go back to Isaiah and I think we can finish here he says just last few verses come you say they I will fetch wine and we will fill ourselves with strong drink and tomorrow

shall be as this day and much more abundant
so this is where the Prophet says the Watchmen are blind it means that they do not see the things that are unfolded and these things are urgent and they're happening quickly every single day they're unfolding rapidly and yet because they are blind they don't see it and so there's the sense of calm you know so God's ministers we sometimes I seem a bit alarmist we're not wrong these things are going to happen but God is just God is such a patient God that he keeps putting mechanisms in place to delay everything to slow things down meanwhile the beasts of the field are gathering but God will put mechanisms in place and for example the current president if Hillary Clinton got into power to continue the destruction of America that happened in the previous administration who knows where we would be today but God put somebody in place to try to restore the strength of America and that just slows everything down for a little bit but he'll be gone soon and so we can see him alarmist we're reading the prophecy the prophets and we see what's gonna happen but it doesn't happen tomorrow but every single day there's evidence that we're moving in a single direction but if we see these things if we're not reading the prophets then today seems like yesterday and tomorrow must be like today and so come you say they I will fetch wine I'll get some wine and let's have a nice time we'll drink because tomorrow is gonna be like today only it'll be better well we'll have more abundance our wealth will increase and we can enjoy ourselves even more and again a New Testament kind of speaking or alluding to Isaiah and

we'll just end with this passage in Peter he says knowing this first that there shall come in the last days scoffers walking after their own lusts so we're gonna be ridiculed we're going to be mocked the Word of God will be brought into question but we can't deny the Word of God and saying where is the promise of his coming for since the father's fell asleep all things continue as they were from the beginning of creation they don't see any change in fact here and again if we're not paying attention to the prophets it does seem like everything is the same when we read the prophets it's like no this really is happening and so we'll just conclude here he says we have also a more sure word of prophecy whereunto you do well that you take heed so this word is sure and it is wise to obey it and take heed to it and not ignore it we have the sure word of prophecy whereunto you do well that you take heed as unto a light that shines in a dark place until the day dawns and the day star arise in your hearts so this is gonna happen Sall god's salvation is coming we the firstfruits will be caught up together with him in the air we will come down with him to judge the earth to set Mount Zion right to to empower the house of Jacob to put down the mount of Esau and to establish the earth in righteousness and it's all happening don't don't be discouraged by the fact that God's Word takes time it's actually it's his patience not willing that any should perish so let's do what we can to take heed to the word of prophecy let's do what we can to preach the gospel all of us have a different part to play but we're all one body and you know if the

whole body were an ear we're with the
sea and be and if the whole body were an
eye where would the hearing or the
smelling be so we're all different
members but we moved together as one
body

Jesus Christ is Lord he's a great God he
is the Redeemer and his house will be
called a house of prayer
for all peoples in fulfillment of his
promise to Abraham
