

Crafty Ideas

Make a Mobile

using different shaped plastic bottles, fill each with bright colorful objects—stars, yarn, sequins, confetti. Use your imagination!

Punch a tiny hole in the lid, thread a piece of yarn or ribbon through the hole and secure it with a knot (or, knot the yarn around the neck of the bottle). Replace the lid on the bottle. Secure with glue or tape so the lid cannot be removed.

Directions:

Use your imagination! Mobiles can be fun for a child to watch as well as make.

Use plastic bottles and containers that have screw on or plastic lids. Rinse and remove labels. Fill with yarn scraps; confetti cut from colored construction paper; glitter; confetti, etc. Suspend from hanger with different lengths of yarn or ribbon.

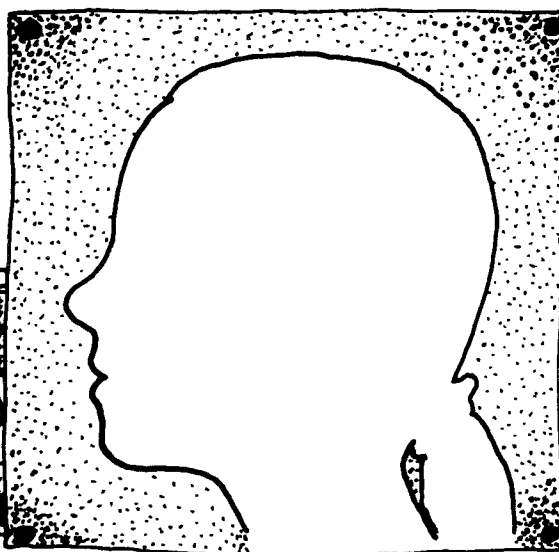

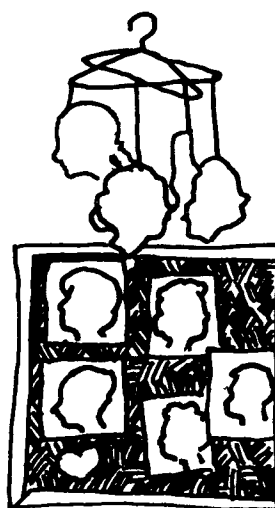

Or cut pictures out of old magazines and glue to paper or aluminum plates. Suspend from a hanger with different lengths of yarn.

Or draw, color, decorate, and hang your own creations. Just have fun.

Crafty Ideas

In the Image of God

1. Make a mobile!

3. Display on a
bulletin board!

2. Glue on a piece of
dark poster board!

Materials:

- Light colored paper, and dark colored construction paper
- pencil
- Yarn
- White glue
- Hole punch
- clothes hangers
- Scissors
- strong light source

Directions:

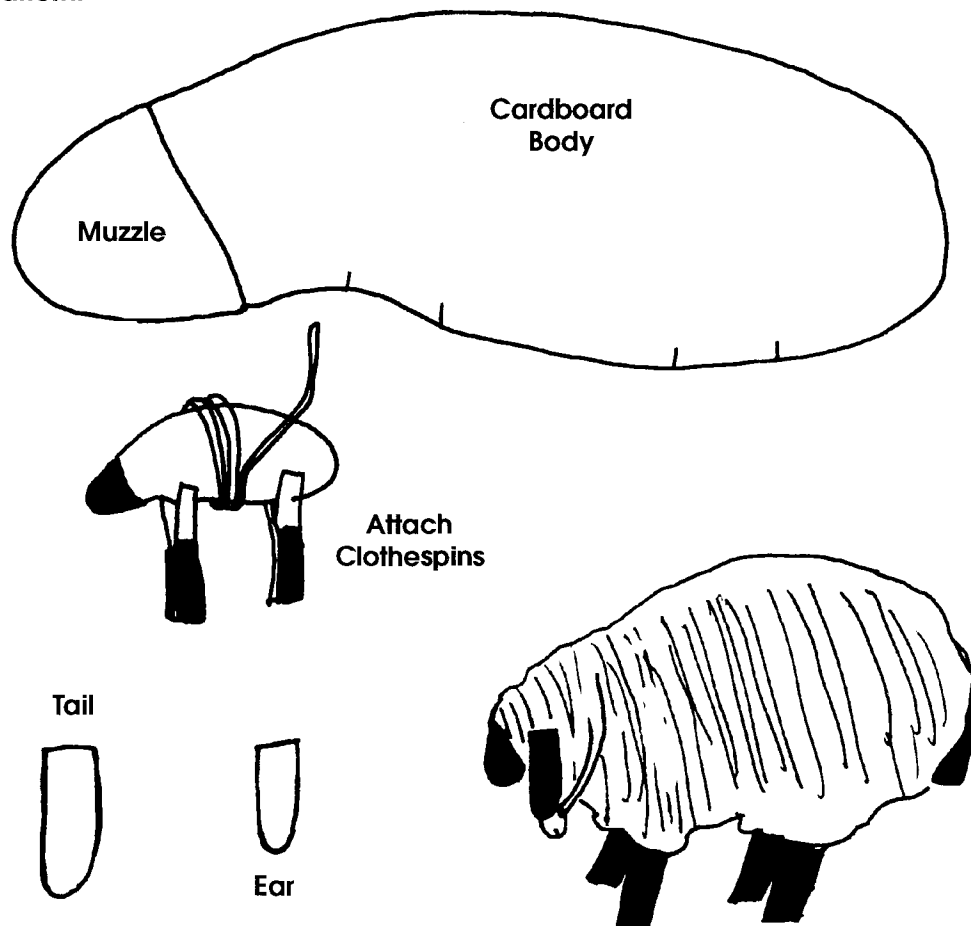

Make silhouettes of each member of your class. Have each student stand between a strong light and a piece of light colored paper which is taped to a vertical surface. Trace the shadow with a pencil. Cut out the silhouette and glue it on a piece of dark colored construction paper.

You can choose to display from a mobile, a bulletin board, or mounted on dark construction paper as gifts for their parents, or family members.
