

A Reflection of **JESUS**

Lesson 2 Building the Tabernacle

**“By one sacrifice He has made perfect
forever those who are being made holy”
(Hebrews 10:14)**

The Tabernacle in the wilderness was built a long time before Christ came to this earth as a physical man. It was God’s will to fill the Tabernacle with the objects that foreshadowed His plan—made in the beginning—to redeem mankind from the sentence of sin.

In order for people to have access to the HOLY God there has to be a way to cleanse the sinner. There had to be a way made for mankind to approach God in order to be forgiven and be able to worship the Creator. This was pictured through the blood sacrifices and offerings presented by the high priest in the Tabernacle. This was the shadow of the ultimate *Lamb of God*, the Sacrifice of sacrifices; the High Priest of all priests, Jesus Christ. The writer of Hebrews tells us that the Tabernacle is a foreshadowing of the person and work of Jesus Christ. The children of Israel were not aware of the enormous underlying meaning of the Tabernacle.

It is God who placed the Tabernacle there and revealed its special meaning to the followers of Christ after His death and resurrection. Jesus Christ is what makes the Tabernacle special for us today. Jesus Christ was made flesh and He dwelt among us.

Shadows of Jesus

The Tabernacle

1. Outer Protective Covering of Skins

Like Jesus, plain on the outside, but beautiful on the inside

2. Ram's Skins, Dyed Red

The blood of Jesus—His sacrifice—that saves us.

3. Pure White Covering of Goat's Hair

A reminder of the sacrifice and atonement found in Jesus.

4. Inner covering—white linen with blue, purple, and scarlet threads woven into the cloth.

The colors reflect Jesus—the supreme sacrifice, righteous, royal, and our High Priest in heaven.
