

## Children

### [Handbook For Teaching Children The Word](#)

#### [Of God](#) Volume 1 Chapter 1 (62k)

Every older generation believes that the younger generation needs the knowledge of God more than the generation that came before it. Intellectually we know to begin with the Bible, the greatest book ever written. Logically, however, we do not necessarily know HOW TO BEGIN!! We pray these suggestions and lessons help you to teach children the Word of God.
